Rev. E. C. Wilkie discussed associational missions.

Field Worker's Report

People are hearing the term "Associational Missions" more than ever before. We are coming to realize more and more the significance of the Associational Missions Program as projected by the district association. Some one has said that Associational Missions is the sill upon which all other missions rest. We cannot minimize the importance of this work. Within the frame-work of the Associational Missions Program, we have the general organization of the Association, its departmental organizations, and its various committees. The duty of these is to make plans and carry out the work at the will of the Association. The associational missionary or Field worker, works closely with all the organizations and committees. Throughout today and tomorrow, you will be hearing reports from all the organizations and committees, which will show the progress made in different phases of the work of our Associational Missions Program.

We are grateful for the fine cooperation of the pastors, the asso ciational officers, and other church leaders, who have made it possible for me to do the things listed below. During the past year, you did the following through your Field Worker:

1. Visited or worked in churches 251 times
2. Supplied pulpit or preached 40 times
3. Delivered 30 short talks on various phases of the work
4. Taught five study courses
5. Conducted three Vacation Bible Schools
6. Helped promote and conduct V.B.S. Clinic
7. Helped conduct three funerals and attended many others
8. Conducted prayer meeting in three churches
9. Showed filmstrips in three churches
10. Conducted business meetings in two churches
11. Helped promote Simultaneous Revival
12. Led conference or spoke at Mass S. S. meeting four times
13. Helped organize Sunday School at Kettlerock

14. Helped organize Training Union at Mashburn's Branch
15. Helped ordain deacons twice in one church
16. Attended Pastors' Conference 11 times
17. Baptized four candidates for Ridgecrest Church
18. Engaged in 618 individual conferences and 16 group conferences
19. Prepared and mailed the following: 974 letters, 809 cards, and 2,415 copies of monthly bulletin

9. Report on State Missions by Mrs. J. D. Bryson.

Report on State Missions

State Missions is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ, and teach, enlist, and train the saved in giving, living, and serving through the churches and throughout the world.

Of the 4,500,000 people in the State about half of them above the age of eight years are affiliated with some kind of church. About 2,000,000 are unchurched, so 60 per cent of the people of North Carolina are lost.

We have over 846,000 Baptist Church Members in North Carolina, and about 40 per cent of these are enlisted and being trained. This means that 60 per cent are not dedicated to the Christian profession. In this undeveloped area the churches have a challenge.

In order for people to be taught and trained our State Missions work is promoted through the Sunday School, Training Union, Brotherhood, Royal Ambassadors, Church Development, and Music Department.

State Missions provides a Department of Evangelism that seeks to inspire pastors and churches to evangelize their communities. The Baptist Churches of our State baptised more people last year than any other state except Texas.

A growing population demands new and stronger churches. State Missions provides aid on some church buildings, purchase of sites for new churches, and salary of some 100 pastors.

A more highly developed congregation demands better trained pastors. State Missions provides this through Pastor Schools at Fruitland. Refresher courses are offered at other colleges.

State Missions seek to minister to the colored races through the

Department of Interracial Cooperation.

Other areas of need constantly challenging State Missions are The Allied Church League, The Silent People, The Camp and Assembly at Fruitland and Caswell, Summer Student Work, Student Loans, Ministry Thfough Service Institutions, Separation of Church and State and Pastoral Care.

Our Church leaders of tomorrow need to be taught and trained now.

The goal for State Mission Day on September 21, is $250,000. Let's give liberally that our State and Nation might be more Christian.

MRS. J. D. DAYTON

10. Report on Home Missions by Rev. W. A. Cloer.

Home Mission Board Report

On May 1st your Mission personnel reached an all time high of 1,386. In addition, about 450 student summer missionaries worked for ten weeks under the direction of Home Missionaries, and 382 Baptist Chaplians were on active duty. During 1958 your Home Missionaries saw 41,859 professions of faith, and the Chaplians reported 11,203 professions of faith. Home Missionaries led in constituting 399 new Churches, and 564 new missions during the year.

The Home Missions Board has made unusual progress toward achieving its Jubilee advance goals, with some of the goals being revised upward to present a greater challenge. In 1959 over 29,000 Churches participated in the Simultaneous Crusade.

Southern Baptist Convention Growth is Home Missions Progress. Southern Baptist in this year have their greatest opportunity in the Influence of their Churches through Home Missions board to claim our land for Christ.

REV. W. A. CLOER

11. Report on Foreign Missions read by Rev. Brooks in the absence of Mrs. Cliff Cook.

Report on Foreign Missions

Southern Baptist are becoming increasingly aware of the world ministry Christ is expecting in our generation. Never in all history has the gospel of Christ been more urgently needed. It alone can bring release from sin and po wer for personal living. It alone can cause people to walk together in love and undertake to serve their fellow men for the glory of Christ.

To a greater degree than we have ever known, young people across the convention are seeking to find God's will for their lives. Many ministers and other Christian workers are surrendering to the call to foreign fields.

As never before, doors are being opened for missionary endeavor around the world. Plans are being made to enter the doors as they are opened that the millions who are lost might know the Saviour.

We are indeed grateful for the work of our Foreign Mission Board, as it seeks to spread the gospel around the world. As of June 1959,

the Board has under appointment 1,355 missionaries in 39 countries. Da. Baker James Cauthen, executive secretary, for the Board has said that we ought to be sending out 200 each year. The goal is set for 2,000 missionaries in the next five years.

The life-line of our Foreign Mission Program is the Cooperative Program and the Lottie Moon Christmas Offering. During 1958 the Board received $7,608,182 from the Cooperative Program and $5,110,392 from the Lottie Moon Offering. From January 1, 1959 through May 31, the Board received $621,880.85 from the Cooperative Program and $151,805.04 in designated gifts. The total receips for the five-month period was $10,010,983.94. At this rate, the income of the Board for 1959 will perhaps be over 20 million dollars.

Certainly each of us are gratified because of the increase in gifts for Foreign Missions, but our Foreign Mission Board needs to be undergirded with our prayers. Some one has said that the greatest unharnessed potential for missions is prayer. Perhaps, if we would more earnestly pray the Lord of the harvest, He might send forth labours into the harvest. A recent study of request from the mission points throughout the world showed that over 700 missionaries were needed now. At the present rate, it will take about five years to send this number. Let us in the year ahead, undergird our Foreign Mission program with our prayer and our gifts; and may that many of our young people will sense the call to serve on foreign fields.

Respectfully submitted,
MRS. CLIFF COOK

12. Report on Cooperative Program by Mrs. Fred Jones.
Dr. Douglas M. Branch, the newly elected Executive Secretary and Treasurer of our Baptist State Convention, discussed our Baptist work as emphasized in the Missions reports.

Cooperative Program Report

"Go ye into all the world and preach the Gospel."

Bodily we cannot go into the remote corners of the world, but by means of our money through the Cooperative Program the word can reach the multitudes. The Cooperative Program is the channel through which the offerings of each worshipper and each church flow into all the world. It is believed by many that a real Missionary Babtist Church ought to provide at least as much for missions, Christian education and benevolences as it does for its own local support, apart certainly from a building fund.

Very few individuals or few churches can provide for the operation of a colleie, a seminary, orphanage, hospital or even provide for the support of a state, home, or foreign missionary. The offerings of an individual must be merged with the offerings of other individuals in order to provide for any of these great programs. Hence the Cooperative Program in principle and in operation is simply the product of a better understanding of the New Testament plus the use of good common sense by the Baptist People.

North Carolina Baptists have a goal of $4,200,000 for 1959.

Last year, 1958, 32 of our 42 churches in Macon Baptist Association gave only $5,834. Did your church give its part?

Cooperation is the key. Let us advance with Christ through the Cooperative Program.

Respectfully submitted,
MRS. FRED C. JONES

Advancing for Christ Through Benevolences

18. Report on Baptist Childrens Home given by Mrs. Ruby Young. Dr. W. R. Wagoner discussed the activities of the Childrens Homes.

Baptist Children's Homes

"And a little child shall lead them", Isaiah 11:6.

One of the most needed programs that North Carolina Baptists support is the care of dependent children. For 73 years they have been striving to provide an adequate program to reach the many homeless, needy and insecure children.

At present there are three homes: Mills Home at Thomasville, Kennedy Home at Kinston and Odum Home at Pembroke. During the past year these homes provided care for 547 children, while 197 lived in Foster Homes. Through financial assistance of the Mother's Aid Program, 40 children were able to live with their mothers. Supervision and financial help were afforded 30 college students. Resourceful case workers assisted 214 additional children to find homes with relatives and other social service agencies.

Three cottages are currently under construction, one at each of the three homes. This will provide more much needed space.

One administrative change was that Mr. Vernon S. Sparrow became Superintendent at Mills Home, Thomasville, July 1, 1959. He formerly served as assistant Pastor and Minister of Education in the First Baptist Church of Lenoir.

Significant recommendation relative to the Childrens Homes were adopted by the Baptist State Convention in May, following a two and a half years study by a committee of 25.

They are as follows:

1. That the number of children in Foster Homes Care be increased to approximate the number in institutional care.
2. That the Childrens Homes begin to develop new types of Programs to help children who are not being adequately cared for in other ways.
3. That increased attention be given to families throughout the State by well-trained mature case work consultants to help avoid family breakdowns.

The Baptist Convention has voted to bring the Childrens Homes into the Cooperative Program on the same basis as all other institutions and objects. Churches may continue to send once-a-month offerings and special gifts. The Homes are encouraged with this improved financial relationship with the Convention.

Insufficient funds caused a $22,000.00 deficit in 1958 and will be approximately $65,000.00 in 1959. The only way of meeting the $65,000.00 deficit this year is through a substantial increase in the Thanksgiving Offering.

With the increased population, the development of Industry, the growth of cities and the mounting tensions in present day society, there is an increasing demand for services to dependent children. Your Childrens Homes are being asked by the Convention to expand their services.

With your prayers, loyal and generous support, your leadership will continue to moxe forward as resources are made available.

The dependent children need you and you need to have a part in this great work. Let's stand back of the Childrens Homes.

Respectfully submitted,
MRS. RUBY YOUNG

19. Report on Home for Aging by Rev. M. C. Wyatt.
Rev. Charles Burchette, Jr., spoke to us about our Home For the Aging.

Home for Aging

The ninth year of operation of the Baptist Homes for Aging began March 16, 1959. All three of the Homes—Resthaven, Albemarle, and Headquarters—have had a good year, and have been filled practically all the year to capacity—119, counting residents and helpers. When vacancies occur, there are far more applicants on the waiting list than there are rooms to be filled.

This has been another year of God's favor upon the Homes and of encouraging progress. While the campaign to raise funds to build the fourth Home in Eastern Carolina, at Hamilton, has not been completed, yet there is good reason to believe that the money will be secured this year and construction will begin. Mr. Don G. Matthews of Hamilton, has given the land for the site, and most of the $50,,000 which he promised. He is ready to give the balance when the extra $100,000 has been raised. With reorganization of plans and persistent effort, the balance needed can and will be forthcoming.

It brings much joy to report that all indebtedness incurred with construction of the Headquarters Building has been paid, and that the three Homes—Restheaven, Albemarle, and Headquarters Building—are free from debt, thanks to our Lord and friend of the Homes who have helped to make this possible.

The pressing needs of the Homes for Aging now are (1) to finish raising the funds to start construction of the Hamilton Home, and (2) to raise about $75,000 to cover the balance needed to pay for additional facilities in the infirmary expansion. So, a total amount of $150,000 must be raised, therefore, to finish these two projects. When they are completed, 60 more bedrooms will be added for anxious and needy residents, thus increasing, the total capacity of all the HOMES to 170 residents.

Would you like to have a generous part in helping to make these plans become a reality at the earliest possible date? If so, please let us hear from you at once. Why not furnish, or endow, or construct a room with your gift? If you are not able to do as much, send the amount you are able to give to N. C. Baptist Homes, Inc., Reynolds Park Road, Winston-Salem, N. C., and your gift will be used as you may instruct.

Respectfully submitted,
M. C. WYATT

20. Report on Baptist Hospital given by Rev. Taylor.
Dr. W. K. McGee gave us a discussion on the Baptist Hospital.

Report on Baptist Hospital

North Carolina Baptist Hospital at Winston-Salem and Bowman Gray School of Medicine, which is next door, combine to form a medical center for the state. Here, the sick receive hospital and medical care, young people are trained to serve in various branches of the medical profession, and much vital research work is done.

The Hospital is the teaching hospital for the School of Medicine, and the members of the School's staff.

Our Baptist Hospital is unique in that it is mainly a referral hospital, opened to all our people when they are sick and need specialized medical care which requires facilities beyond those available in their home communities. Its doctors work closely with the patient's personal physician, and when care, which cannot be obtained locally, is needed arrangements are made for the patient to go to Baptist Hospital. Such referrals account for about 90 per cent of its patients.

Our Baptist Hospital has laways lived with the determination that no person who needs its care and treatment shall be turned away because of lack of money to pay the full cost. In 1958, forty per cent of the patient care was for these people.

The needy sick are served through the Out-Patient Department where clinics are conducted in all the medical specialties, and many who could not be accommodated in the space available for bed patients receive treatment. Many of these patients are so sick they have to be admitted for bed care. There were 66,607 visits to the clinics in 1958—almost twice as many as the 36,965 in 1948. Many of these were from Macon County.

The care of the needy sick is the heart of Baptist Hospital's healing ministry. This work is supported by North Carolina Baptist through funds contributed in their churches on Mother's Day. The money they give is virtually doubled in usefulness because staff physicians from the Bowman Gray School of Medicine make no charge for professional services. The needy patient pays what he can toward his care, and the Hospital receives gifts and aid from former patients, friends, business firms, health and welfare agencies.

In order to meet the ever increasing demands, the Hospital continues to expand its program of teaching and healing. Evidence of its growth is the increase from 80 beds when it opened in 1923 to the present overcrowded condition with 450 beds. New equipment for treating patients is added as medical research and development make it possible. For example, when the new Cobalt 60 machine for the treatment of cancer was installed in 1957, it was the first of its kind in North Carolina. It is still one of the few in the South.

While the Hospital works with professional skill and exceptional equipment to bring patients back to health, it emphasizes, too, the importance of giving to all patients the comfort and help which come with spiritual health. The Department of Pastoral Care has full-fledged partnership in the healing team. Each patient is visited at least once by a chaplin—and more if there is particular need or special request. Chaplins are always on call. In 1958, they made around 6,500 visits to patients. In addition to this ministry, regular worship services are conducted each Sunday and through the week at Davis Memorial Chapel.

Twelve hundred men and women are employed in the multitude of duties which are necessary to the skilled and continuous operation of this ministry of healing.

In 1958, it had 16,318 bed patients who received 132,132 days of care, 408 more patients and 7,098 more days of care than in 1957. It has, in all, served 184,520 bed patients since its opening in 1923.

Let us ever be grateful for the ministry of our Hospital and continue to support it with our money and our prayers.

C. T. TAYLOR

21. Executive Promotion Committee Report given by Rev. Standley.

Executive Promotion Committee Report

The Executive Promotion Committee of the Macon Baptist Association met once each quarter during the year, as required by the Constitution. The actions taken by your committee during the year has been these:

In the October 13th meeting—

1. The Steering Committee's recommendation that two new members, Mr. Curtis Pearson and Rev. Thad R. Dowdle, be elected to the Missions Committee to the places vacated by Rev. Doyle Miller and Rev. John R. Willis, was accepted.

2. Authority was given to the Finance Committee, by duly carried motion, to request the churches to take up special offerings to reduce the debt of our Associational Treasury.

In the January 12 meeting, the slate of nominations to make up the Simultaneous Revival Committee which was submitted by the Evangelism Committee was unanimously accepted. These were the committee members who led our churches in our successful association-wide Simultaneous Revivals.

In the April 6 meeting, your Committee granted authority for the securing of a Vacation Bible School worker who would be called upon to work with the various churches in Bible Schools, as in previous years.

In our July 13 meeting the first recommendation of the Missions Committee—that the Missions Committee be expanded to include five

members, to add to the three now serving, the Moderator of the Association and the Chairman of the Executive Promotion Committee—was unanimously accepted. The second recommendation of the Missions Committee, "That an item be included in the associational budget to help carry out the proposed work of the Missions Committee," was fully discussed. By a motion seconded and carried the Ex. Promotion Committee refused to accept this recommendation.

Your Ex. Promotion Committee reminds you that by our constitution it is made up of the Pastor and two members selected by each church. While the attendance at our meetings this year has been fairly good, we have noticed that many churches have not been represented. We would call upon every church to select its members of the committee and strongly urge them to be present at the committee meeting once a quarter. This will increase the effectiveness of your committee and will enable us to take action which will be more fully representative of our churches.

Respectfully submitted,
ROBERT R. STANDLEY,
Ex. Promotion Committee Chm.

24. Report of Missions Committee by Rev. Robert Dowdle.

Missions Committee Report

The work of the Missions Committee for the past year has been, for the most part, confined to investigation, discussion and prayer. This report will not adequately represent the time which had been invested.

We are grateful for the progress that is being made at the East Franklin Mission. The first revival is to be held next week. We encourage your prayers for this work.

Other prospective areas where new work could be started have been discussed. We trust that the lack of definite action on the part of this committee is not due to lack of faith or concern but that it may be based on the words of Christ when He said, "For which of you, intending to build a tower, sitteth not down first, and counteth the cost, whether he have sufficient to finish it." 29. Ministers Retirement Report by Rev. R. R. Standley.

Southern Baptist Protection Plan Report

Minister's Retirement for us means the Southern Baptist Protection Plan. This is an insurance plan for ministers handled by the Relief and Annuity Board. Through the cooperation of the minister, his church, his state convention, and grants from the Cooperative Program, the minister is provided with an insurance plan of unusual advantages. These advantages are: 1—The normal retirement annuity on which there is no ceiling, to be received at age 65 or after; 2—A widow's annuity, comparable to the retirement annuity; 3—A disability annuity; 4—Early retirement annuity for those who would retire after age 60 and, 5— a lump-sum death benefit payable to the estate of the insured. Here is a plan for life insurance and family protection, retirement insurance, and accident benefits, all in one. The unusual plan for financing this program is highly advantageous to the pastor. An annual salary of any amount up to $4,000.00 can be chosen as the basis unit upon which the payments can be made by the month. A total of 15%of this basic salary is paid: 5% by the pastor, 5% by his church, and in North Carolina, 5% by the State Convention. The advantages of such a plan are self apparent.

At the present the Relief and Annuity Board is seeking to interest the churches to assume not only their own payments but also, that of their pastors. This is being done on the basis that such an action would be insurance for the church itself. If, because of unforseen financial obligations, the pastor lets his dues lapes, then, for example, should become totally disabled he could not receive the benefits from the board. It is pointed out that the church's moral obligation to care for its pastor would still have to be discharged. If the church, to be sure that all dues are paid, assumes the dues of the pastor, the financial obligation to him is assumed by the board, and the church does not have this heavy, and many times annoying, burden to bear.

We would cordially recommend that all our pastors and churches be enrolled in the Southern Baptist Protection Plan.

Respectfully submitted,
ROBERT R. STANDLEY

30. Historian Report by Mr. Fred Corbin.

Historian's Report

We are indeed proud of the progress being made in the churches of Macon Association. Much progress has been made in the way of new building, addition to buildings, heating systems, enlarged organization, and larger programs of work. During the past few years 12 churches have erected new buildings, 12 have built additions, and about 25 churches have modern heating systems. And, it is interesting to note that several others are planning to build either new buildings or additions to present ones.

In the past year the following churches accomplished the following: Cowee opened new library and held a dedication service; Mount Hope finished a room and installed a nursery, landscaped and seeded

lawn of pastors home; White Oak Flats built beautiful new building of block construction which has a number of classrooms. Both Pine Grove and Oak Grove erected a vistibule at front of their buildings; Coweta finished their new auditorium and donated tract of land for their pastor to build a home. The home has been built and the pastor now lives in the community. Iotla enlarged their parking area and beautified the cemetery, installed additional ducts from furnace to auditorium and installed new gas heaters in classrooms; Ridgecrest paid off debt on new building and had service in which the building was dedicated; Holly Springs adopted plans for new building and started raising funds for its construction; Black Mtn. is in process of raising funds for either a new building or an addition to old one; Longview recently voted to rock veneer their new educational building to match the auditorium; Windy Gap finished baptistry in their new building; and Cartoogechaye is in process of building a baptistry. Both Cowee and Franklin First churches plan to build beautiful new auditoriums to match their new educational buildings.

Pastorial changes in the past year are too numerous to mention all of them. The Association lost some pastors to other states or counties. Those leaving the county are as follows: Rev. Arvil Swafford, Rev. Eugene Walter, Rev. Clyde Rhinehart, Rev. Doyle Miller, and Rev. C. C. Welch. New pastors coming into the Association were Rev. J. H. Propst, Pr., pastor Highlands First, Rev. Lewis Howard, pastor Holly Springs, and Rev. Harold Cabe, pastor Buck Creek.

Ministers in the Association becoming pastors for the first time were Rev. Paul Morgan, pastor at Walnut Creek, Rev. Thad R. Dowdle, pastor at Ridgecrest, Rev. Jess Cunningham, pastor at Windy Gap, and Rev. Hershel Mason, pastor at Fairview. During the year, five young men have surrendered to the call to preach, namely, Kenneth Hall, of Oak Grove Church; Weaver Fox of the Newman's Chapel Church; Guy Duvall, of Iotla Church; Lawson Snyder, of the Ridgecrest Church; and L. E. Angel, of the Mashburn's Branch Church.

May we look forward to continued growth and progress in the churches of Macon Association in the coming year.

31. Tithing, Stewardship and Enlistment by Rev. Paul Sorrells.

Tithing, Stewardship, and Enlistment

A steward is a house-manager of God. Many preachers think of stewardship only in terms of money, and they have led their people to think in these terms. Stewardship involves the whole of life, including such things as our abilities, our time, our witness, our material possessions, and other things, of which the least of these is material possessions. This is taught in Luke 16. When we begin thinking in terms of material possessions and personal gain, then God is ready to denounce us with his, "Thou fool".

As stewards, our first responsibility is to make sure our relationship with God is sure. Then, it becomes our responsibility to help our fellowmen. Christians must grow, and the fastest growth possible comes by winning another to Christ. As soon as the apostle Paul received sight, he was commissioned to tell others. This should be the experience of every Christian.

Let us reselve that we will not merely be content to teach and prac-

tice giving material possessions to God, but that we may first give our own selves and the other things will follow in proper sequence.

PAUL M. SORRELLS

Advancing for Christ Through Evangelism

35. Report of Evangelism Committee by Rev. W. A. Cloer.
Rev. Cloer also brought to us a message on Evangelism in the absence of the State worker.

Report on Evangelism

Evangelism is central in the teachings of the Scripture, and in the experience of Christians. The Bible teaches every Christian to herald the good news of Jesus to the lost.

In 1958 there were 153 Babtisms in the Macon Baptist Churches, or a ratio of one for every 45 church members. There were only four associations in the state with a lower ratio.

For the year ending June 30th 1959 our Churches have reported 42 revivals, 220 baptisms and 112 additions by letter of this number our Simultaneous revival reported 94 professions, 49 re-dedications, 67 baptisms, and 8 additions by letter. Eighteen churches participated. This gives the Macon County Baptist a ratio of 1 profession for every 30 church members.

In Luke 19:10 we read "For the son of man is come to seek and to save that which was lost", and in 20:20, "As the Father hath sent Me even so send I you".

Effective Evangelism can only come from a compelling urge within a burning, loving heart, the Power of the Spirit, the personality and influence of a praying Christian with vision, purpose and sincere effort. May God help us to satuate our hearts with the message and meaning of the word of God that we may win the lost of our great country to Christ.

36. Baptist Student Union Report read by Mrs. Charles Swafford in the absence of Miss Nancy Cable.

Baptist Student Union

What does the Baptist Student Union strive to accomplish on our College and University campuses? To help answer this question, let's

observe a few things that a freshman might encounter on his first registration day at college. New faces, questions being asked left and right, lone lines of students, some tired looking, some jovial, others indifferent. A voice might be heard saying, "Frosh, you lost?" "Jane, just one more year", or "Do get Dr. X for abnormal"! Abnormal you say to yourself, THIS seems abnormal to me, and rightly so, as it is not every day that one enters college for the first time. That first registration day will long be remembered.

The day may be remembered for another reason, also. Besides, all the questions and discussions heard about selecting the correct courses and the right professors, one might hear, "Did you go to the B.S.U. Pre-school Retreat?" The freshman answers, "No, but tell me about B.S.U."

The freshman is given this answer. The Baptist Student Union is the link which connects the Baptist students on our campuses with the local church. Through the Baptist Student Union the student is able to engage in activities which help him to grow spiritually and intellectually in the knowledge of Christ; to have fellowship with other christians, and to witness for Christ. There is a choir for those who like to sing, missions for those who like to teach and lead children, and offices to be held on the B.S.U. Council. Other activities are: Religious Emphasis Week, morning watches, vespers, pre-school retreat, retreats during the year and many other activities that students may enjoy.

The spirit of B.S.U. is shown through participating in these activities. The spirit is also shown in the program called LISTEN which is a mission program in addition to the regular missionary emphasis promoted through the Y.W.A and W.M.U. The meaning of the word LISTEN — "Love Impels Sacrifice to Every Need". Love does impel, particularly the love shown in the relationship of the B.S.U.'s churches and the work the two jointly promote.

Through B.S.U., students have come to know the depths of friendship, the adventure of a dynamic faith, and the thrill of an education under God. You can have it, too.

37. Baptist Literature Report by Mrs. Vernon Higdon.

Baptist Literature

Jesus once asked a lawyer, "How readest thou:"

I think if he were here today he might ask us, "What readest thou?" What kind of literature comes into your home? What do you read first—your Bible, your Sunday School and Training Union Lessons: Or do you crowd these out with the funnies, detective stories, and the like? Because what we read makes an impression upon us, and becomes a part of us, we must guard with care what we read. But we must be sure to do some good reading every day. The Christian who honestly wants to "increase in wisdom and in favor with God and Man" will spend sacred moments each day reading Christian literature.

Some three-fourths of the people of the world are still without God and without hope. The desperate need for our day is for consecrated followers of Christ to be aware of such awful conditions and so pray and study and commit themselves to God's service and help bring

these lost people into the Kingdom. Unless we read our Baptist periodicals and our Mission Magazines and keep informed on world conditions and up to date needs, we will lack the interest and enthusiasm and sense of responsibility that is so vital in Christian service.

MRS. JETER HIGDON

40. Christian Education Report by Rev. John R. Willis.
Rev. Lawson Allen, Vice President of Gardner-Webb College, and Rev. M. H. Kendall, head of the Bible Department of Mars Hill College were present to represent and discuss Christian Education.

Report on Christian Education

In this report we are considering Christian Education in terms of our seven Baptist colleges in North Carolina. In its broader meaning, the term includes many other educational and training activities in our local churches.

Chronologically we recognize our seven colleges as follows:

Wake Forest College	1834
Chowan College	1848
Mars Hill College	1856
Campbell College	1887
Wingate College	1896
Meredith College	1899
Gardner-Webb College	1907

It should be noted that progress in our North Carolina Baptist program of higher education has not been in the number of institutions, but in the changes made within the seven institutions which have been in operation for more than a half century. Fortunately, the geographical distribution of these colleges throughout our state makes one of them fairly close to all our Baptist young people. Time does not permit us to review the growth of each of these seven colleges, but we would remind you that as a group they now constitute a program of higher education second only to Texas among all the states

in our Southern Baptist Convention territory. In these seven colleges are enrolled each year nearly 8,000 students, or more than one-eighth of all college students in North Carolina. The annual operating budgets total more than $10,000,000, of which our Baptist people, through church offerings, provide approximately five per cent. Students, through tuition and fees, pay approximately 60 per cent and the remaining 35 per cent comes from endowment and gifts. If it were possible for the colleges to apply the total of approximately $1,000,000 given through our churches to their operating costs, the present five per cent would become 10 per cent of the operating costs. It is hoped that this will be possible in the near future through some long-range Convention plan for meeting the capital needs of all institutions and agencies, thereby leaving income from Cooperative Program and special offerings for current operating needs.

Perhaps the most significant development in the work of our colleges in this present year is the action of our Baptist people in adopting the report of the Convention Committee of 25 as it relates not only to the colleges but to all other Baptist institutions and agencies. We would urge all our people to read this report carefully as it relates to these colleges. It does not recommend the addition of any new college at present, but it emphasizes the necessity for our recognizing the increasing demands upon these colleges which can be met only through growth in all respects. The Committee recommends that consideration be given to the possibility of changing the status of some of the two-year colleges to four-year colleges, and already progress is being made in this respect.

These Baptist colleges will continue to be faced with the competition of all other colleges in both the quality of their work and the growing costs of operation and expansion. Our college young people must be convinced that academically they are as good as the best, and that these Baptist colleges also provide for them what present-day young people expect and demand in a college community. As Baptist church leaders and parents of these young people, we want our colleges to be Christian and to present a positive Christian witness at all times and in all respects; but we cannot stop here and expect to attract our young people. Such matters as costs, scholarships, athletics, etc., will be determining factors.

As Baptists, we must love our colleges to the point of understanding them and their importance in all departments of our work. If we love them and believe in them, we shall see that they are given sufficient money to become the kind of colleges that will attract our young people. We can't force young people to go unless they want to go. We must join hands with administration and faculty to make these colleges so attractive that they will be selected by our young people. As a denomination, our future will depend largely on the type of leadership we educate in our colleges.

For the third year our Christian Education emphasis was observed on Father's Day, Sunday, June 21. The response this year has been most encouraging, both in the wide use of the various promotion materials prepared and in the offerings made on Father's Day. It is our hope that the observance of this annual emphasis will result in a better understanding of these colleges and their importance in our work, as well as added financial aid sufficient to meet the ever increasing costs of operating these colleges. Every possible effort must be made to keep the charges to students as low as possible. Many of our finest Baptist young people are among our lower income fam-

families and find it difficult to meet the costs of a college education.

With all the progress we have made in enlarging the facilities of these seven colleges, we are providing for only one of ever four Baptist youth going to college; and it is doubtful that we shall be able to maintain this ratio with the coming tidal wave of college students, nearly one-half of whom will be our Baptist young people.

It is the earnest desire of our North Carolina Baptist Council on Christian Education that we be alert in all our Baptist churches to recognize and to direct promising young people into one of these Baptist colloges.

As pastors, parents, and church leaders, we should face these facts courageously and lead our people in meeting this great but not impossible challenge.

Respectfully submitted,
JOHN R. WILLIS, Jr.

48. Sunday School Report given by Mr. Bill Higdon.

Sunday School Report

Through the help of God, the Association Field Worker, Association Sunday School officers, pastors and co-workers.

The Sunday School has gone forward in the last year, but we cannot be satisfied with the accomplishments we have made, with all the great challenges that face us.

If we as Baptists are to continue to be strong on winning the lost, then we must protect and safeguard our churches from any organization—local, state, or national—which seeks to substitute cultural salvation for the new birth.

I think that right in our Sunday School department this work can be done and is being done, to safeguard our churches. Again, our association is reporting 43 Sunday Schools, with one being a mission from the First Church. We have had mass meetings each quarter, with wonderful meetings. It is also wonderful to know that so many of our churches have conducted Study Courses this year.

On closing, may I suggest a few things we can do next year to improve our Sunday Schools:

1. Secure consecrated Christians for our teachers.
2. Keep good records.
3. Plan at least monthly officers and teachers meetings.
4. Have a study course for Sunday School.
5. Put more evangelism into our Sunday School.

I thank God that he has led me into His service as your associational superintendent for the last two years. May we all look forward for a great year in our Sunday School work.

BILL C. HIGDON

49. Training Union Report by Mrs. Jack Powell.

Training Union Report

As we think of the many opportunities offered by the Training Union to the Christian, it is more tragic that a larger number of

people do not take advantage of them.

During the past year the Associational Training Union held four Executive Committee meetings where we made plans for the work and discussed the attainment of the Standard of Excellence.

"M" night was observed in November, 16 churches participated with a total attendance of 291. An Officers and Leaders conference, with discussion groups for the various age groups was held in February, with an attendance of 81 and 11 churches taking part. Also a Mass meeting was held in Febbruary.

During the year 8 churches had Study courses, with 233 receiving awards.

One new Training Union was organized during the year in the Mashburn's Branch Church.

Participation in the Training Union Tournaments was fair, and four Junior girls were State winners in the Scripture Memorization Tournament.

We are looking forward to a greater year and more people training for Church membership and Christian Service than ever before in our Association.

50. Vacation Bible School Report given by Mrs. C. T. Taylor.

Vacation Bible School Report

This has been a good year in Bible School work. We feel that the quality of our schools this summer has been exceptionally high.

Our Bible School Clinic was held in April. At this clinic there were conferences for all Bible School workers, the Joint Worship Service was practiced and free literature and catalogs for materials was given to workers from each church present.

29 Bible Schools have been held this summer. Of this number 16 churches held their own schools. Miss Josephine Roper, from Cowee Church, has helped Mr. Taylor with schools this summer. Penny Taylor also, has played and taught in nine of these schools. One school has not been reported.

The following statistics were compiled from the reports of the schools: Faculty enrollment 282, Pupil enrollment 1,297, Total enrollment 1,569, Professions 55, Mission offering $282.62, Cost of schools $544.30.

We are now holding a Bible School at the Bethlehem Church for the colored children and a Study Course for the Adults. Interest and attendance are good.

51. Woman's Missionary Union Report given by Mrs. C. T. Taylor.

Woman's Missionary Report

The Theme of this Annual Meeting "Advancing for Christ", strikes a responsive note in the hearts of all W.M.U. women present. We are all concerned in the forwarding of our Mission Program into all churches of our association.

The work of the Woman's Missionary Union is for the Missionary education of our women and girls—studying about conditions and needs of the mission work in our own association, in our state, in our homeland, and throughout the world. We do only seek to learn of the needs but we encourage sacrificial giving, that these needs might be met. Not only do we encourage material giving but young lives also, must be dedicated to God and the carrying of the message of Christ to those who have never heard.

We now have 12 active W.M.S. Organizations in our association with a membership of 365 women—4 Y.W.A.'s, 6 Intermediate G.A.'s, 6 Jr. G.A.'s, 5 Primary and 3 Beginner Sunbeam Bands with a total of 277 in our Auxiliaries. Making a total of 642 W.M.U. Members.

Last year the above Missionary organizations gave $319.13 to Home Missions; $1,071.52 to Foreign Missions and $128.05 for the Heck-Jones designated offering. Making a total of $1,518.70.

There were 48 Mission Classes taught, with 444 reading a mission book. There are 217 individuals subscribing to their mission magazines. 78 Seasons of Prayer were held. 19 organizations were active throughout the year in Community Missions. This year we have had 78 new W.M.S. members reported. 2 new Circles organized, 2 new Sunbeam Bands organized, and 1 new Intermediate G.A. organized. 1 Int. G.A. Group was promoted into Y.W.A. Several women, our Field Worker, and Mr. Standley attended the Regional and State Meeting at Murphy last fall.

Last October 17 we had our Associational Leadership Conference at First Church, Franklin.

Our Annual Meeting was held with the Cowee Church on Wednesday,, April 22.

In May three Associational leaders attended a State Workshop for Associational leaders at Fruitland. Those attending were: Mrs. C. T. Taylor, President; Mrs. J. H. Propst, Vice President; and Mrs. L. B. Oran, G.A. Leader.

We had both Intermediate and Junior G.A. girls attend Camp Truett.

When more of our churches become more Mission minded and educate their youth in Mission activity then, like Saul of old, we shall go forward.

8. Baptist Literature Report—Mrs. Vernon Higdon
   J. Marse Grant, Editor of the Biblical Recorder, told us of his duties of taking over as Editor of the Recorder. He discussed the churches of Macon County taking the Recorder, and related to us that only seven churches out of the forty-three in Macon County take the Biblical Recorder. Mr. Grant also discussed the importance of reading denominational literature.
   Report adopted.

Baptist Literature

In the beginning of this report I would like to give you this quotation from a report sent by the Biblical Recorder:

If religious literature is not widely circulated among the masses in this country, I do not know what is to become of us as a nation. If truth is not diffused, error will be, if God and His word are not re-

ceived, the devil and his works will gain the ascendancy, if the evangelical volume does not reach every hamlet, the pages of a corrupt and licentious literature will, if the power of the Gospel is not felt through the length and breadth of our land, anarchy and mis-rule, degradation and misery, corruption and darkness will reign.

This is most fitting with the topic "Baptist Literature". Baptist publications cover a wide range of good reading. Every age group is included in the preparation of good literature. We naturally think of the Bible first in the realm of religious reading. It is our authority from God and we should magnify it. It is sufficient in that it points the way to salvation. It is a charge to keep. As churches are individuals we are not completely faithful to the charge unless we mobilize all our resources through preaching, teaching, training, and witnessing to give all of the Bible to all of the people in all the world. Let's read our Bibles every day and pray, and as parents and leaders teach our children to read the Bible. God commanded us in Deuteronomy 6:7, "And thou shalt teach them deligently unto thy children and shalt talk of them when thou sittest in thine house, and when thou walkest in the way, and when thou liest down and when thou risest up."

Never have Christian people had so much to help them in their understanding of the Bible. For us the Bible is as up-to-date as tomorrow's news. God has preserved this wonderful book through many centuries and through it He speaks to our age. We will only hear His message, however, as we read His word.

What goes into our minds, what we learn about people and about God determines our attitudes and our appetites, and, hence, our actions. The reading of good literature along with the Bible will develop not only our minds but our whole lives. Reading good religious books will help us to become well-rounded and whole as Martin Luther said.

In our Sunday Schools we have a well-rounded program of teach ing. The Sunday School Board publishes quarterlies for everyone, from the beginner through the adult age. Even the shut-ins have their Sunday School through the Extension Department. Our Training Union provides the much needed training for all members. Our Woman's Missionary Union are the Brotherhood, together with the Auxiliaries give us a program of missions, and of fellowship and promotion from which no one should ever graduate. The Open Window, Biblical Recroder, Home Life, Charity and Children, and many other publications add to the rich abundance of Baptist Literature.

Perhaps the emphasis of this report should be on the use of Baptist Literature instead of on the content. How much of this do we read? Does Johnny have trouble on Sunday morning finding his quarterly? How many copies of Charity and Children are left on the table in the Church of more than twenty-five families? If you teach a Sunday School class how many of your pupils come with a prepared lesson? Who is responsible for the 80,000 men who can call the Atlanta Penitentiary their Alma Mater? And why were there over 3,000,-000 criminal cases on the dockets of the United States courts last year, with one and one-half million falling into the teen-age bracket? Have we neglected to supply Baptist Literature where it was needed? Perhaps it is the lack of parental guidance, but it is more. There has been a lack of the teachings of Christ in the formative years of many children. As parents and teachers we must accept the responsibility that is ours and "Study to show ourselves approved unto God" that

we may lead others to read the Bible and Baptist Literature.

TEACHING FOR CHRIST THROUGH MISSIONS

9. Report on Associational Missions by Rev. C. T. Taylor, our Field Worker.
Dr. Alton Morris, Director of Seminary Extension Center of Region Ten, told us the purpose and the work of the Center. The Macon Center is to be at the Franklin First Church with Rev. R. R. Standley, Rev. J. H. Propst, and Rev. Carl Poston as teachers. Dr. Morris made the statement that some people say, "what we don't know won't hurt you", but he said, "what we don't know is killing us". "Do you think people would be in hell today if they only knew?"

Report of Field Worker

In recent years Associational Missions has been recognized as a base for all other missions. This base is formulated when churches of a given area unite themselves together to propagate the gospel throughout the world. Today, as never before, we need to realize that the stronger and wider the base, the farther the outreach will be.

We are indeed grateful for the cooperation of the churches of Macon Association, and for the progress that has been made in our missions program. But when we stop to evaluate our program, we felt that we should "lengthen our cords" and strengthen our stakes."

Perhaps a more thorough understanding of what Associational Missions envolves, would help to enlarge and strengthen our work. What is Associational Missions? Associational Missions is a program of work of the district association. It is tht churches of the association united together, working together, seeking to carry out the Great Commission throughout the area of the association. It is the stronger churches helping to strengthen the smaller churches. It is the Executive Promotion Committee at work between the annual meetings of the association. Associational Missions is the associational Sunday School, Training Union, Brotherhood, and W. M. U. organization, seeking to help the churches to become more effective in witnessing for Christ. Associational Missions is the Committee on evangelism at work, seeking to stir the churches to reach more people for Christ. It is the Missions Committee, taking a census in a needy area, starting a new Sunday School or mission. And then, we feel that a part of Associational Missions is when churches reverently pray for the association, its officers, its committtes and organizations, and its missionary or field workers, and when the churches make contributions regularly to the associational budget.

Your field Worker is happy to have had the privilege of working another year with the fine leader of the association and churches. Through the help of the associational leaders, pastors and leaders of the churches, your Field worker has during the past year accomplished the following things:

1. Visited or worked in churches 208 times.
2. Supplied pulpit or preached 65 times.
3. Conducted two Vacation Bible schools.
4. Helped plan and promote V. B. S. Clinic.
5. Helped Missions Committee take census on west side Franklin.

6. Helped make map before the census, helped make plans for Vacation Bible school and revival. Was principal of VBS and led singing in the revival.
7. Helped promote Associational T. U. Central Training School.
8. Taught four study courses.
8. Helped ordain two young men to the ministry.
10. Conducted prayer meeting in three churches.
11. Spoke once at prison camp.
12. Conducted two funerals and attended many others.
13. Led conferences in two S. S. mass meetings.
14. Taught Sunday school class 10 times in as many churches.
15. Conducted Morning Devotions on Radio two weeks.
16. Engaged in 637 individual conferences and 22 group conferences.
17. Prepared and mailed the following: 2,227 letters, 441 post cards, and 2,435 copies of monthly bulletin.

Besides the above-mentioned work, your field worker has made many visits to homes and hospitals.

Work done and meetings attended outside the Association:

1. Supplied pulpit Bryson City First and North Catawba churches one Sunday, two services in each.
2. Directed music and was counslor at R. A. Camp, Camp Truett.
3. Attended Evangelistic conference at Charlotte.
4. Attended Brotherhood Training Clinic at Fruitland.
5. Attended Clinic on Evangelism at Hickory.
6. Attended Annual meeting of Southern Baptist Convention, Miami.
7. Attended State V. B. S. Clinic, Fruitland.

Besides these your worker attended several regional meetings at Bryson City, Murphy, Scotts Creek, and Sylva.

In all the above work your worker traveled 12,514 miles.

May we look forward to a fruitful year of laboring together for Christ.

C. T. TAYLOR

10. Report on State Missions—Rev. John R. Willis, Jr.

Report of State Missions

State missions is the missionary effort on the part of North Carolina Baptist to reach the unsaved for Christ, and teach, enlist and train the saved in giving, living, and serving through the churches throughout the world.

In order to carry out this effort, State Missions promotes the work of the Sunday Schools, Training Union, Brotherhood, Royal Ambassadors, Church Development, and Music Departments.

State Missions provide a necessary and significant ministry through aid on some church buildings and purchase of sites for new churches, and some one hundred or more salaries of pastors.

State Missions promote Pastors' Schools to help better train pastors, and also seeks to minister to colored races in our state through the Department of Interracial Cooperation.

There are other areas of need which are constantly challenging the resources of State Missions such as, The Allied Church League, The Silent People, our Camps and Assemblies at Fruitland and Caswell, Summer Student Work, Student Loans, Ministry Through Service Institutions, Separation of Church and State, and State Pastoral Care.

Let us do our best to meet the financial needs of State Missions through our churches this year, by urging our churches to give liberally on State Missions Day, September 18.

JOHN R. WILLIS, Jr.

11. Report on Home Missions—Miss Harriet Murray.

Home Missions Report

The very heart of missions and evangelism—YOU. The Home Mission Board exists because of your gifts and prayers and desires to reach souls for Christ. This is your channel of service in missions and evangelism in the homeland.

Evangelising the multitudes, ministering to the military, providing funds for buildings and equipment, surveying the field, increasing work with all groups in cities, in pioneer areas, and in every association, reaching the language groups and Negroes with a more effective message—these are your tasks that are accomplished through the work of your Home Missions Board.

As you view the tremendous campaign for 30,000 new missions and churches by 1964, you can feel that you have a part in each one. This co-operative effort by your Home Mission Board, Sunday School Board, Woman's Missionary Union, and Brotherhood Commission, strives to establish more and better preaching stations. Every church member is encouraged to see the needs around him and fill those needs.

Every home mission activity is centered in your church. Every home mission program is your responsibility. Your channel of service is extended throughout every association in the Convention. An effective church life is being established in rural communities, mountain areas, and large cities. New missions and churches are being established in places where they are dirly needed. Many people are reached through more than 68 City Mission Programs. These City Mission Programs have allowed for the expansion of work with Jews, juvenile delinquents, broken homes, and in rescue missions and Good Will Centers.

Southern Baptists are moving to western states and to the industrial North and East, presenting a challenging opportunity for pioneering in missions.

Southern Baptists chaplains are your way of reaching your church members and lost men and women in the military, people in industrial establishments, and other institutions.

So many must be reached: Over 15 million language people live in this country of which about five per cent have been evangelized. Indians living in the Southern Baptist Convention territory are extended a gospel message; deaf peopre are reached by missionaries and sermons on film in the sign language; migrants are reached as missionaries in mobile units travel from place to place with them. You are serving there.

You enable about 450 college and seminary students to work on home mission fields for ten-week periods during the summer through the Student Summer Mission Program. These young people help in revivals, Vacation Bible Schools, visitation, surveying, and other mission activities.

Statistics from the 1959 Southern Baptist Convention Annual show

that our Home Mission Board has 1,729 workers including summer students. We have 1,282 home missionaries, who report 41,859 professions of faith. They report 11,992 Prayer meetings held during the year. 124,658 sermons preached. 282,535 visits made. 67,519 Bible and Scripture portions distributed. 4,167 dedications for special service. 564 new missions started. 399 new churches constituted. 383 Chaplains on Active Duty who reported 11,203 professions of faith.

12. Report on Foreign Missions read by Rev. Carl Poston in the absence of Mr. Tom Rickman.

Report on Foreign Missions

The program of foreign missions is defined in the Great Commission. Missionaries must be sent into all the world bearing the gospel of redemption to all people. Their message must be communicated through preaching, teaching, and ministries of love that people may know Christ and find fellowship in New Testament churches. These churches relate themselves to associations and conventions and project ministries as the Holy Spirit leads. In such a labor the sending and support of missionaries is a primary responsibility. This can be regarded as the chief program of the Foreign Mission Board.

When the Advance Program in foreign missions was launched in 1948, there were 625 missionaries under appointment for service in nineteen countries. In 1959 there were 144 new missionaries appointed, bringing the total to 1,381. As of June 15, 1960, 66 more new ones have been appointed, bringing the total to 1,447. We now have foreign mission work in 44 countries.

God is leading an unprecedented number of people to volunteer as missionaries. The Personnel Department is being reinforced in order to cope with the increased number.

The Programs of work in which missionaries engage are as follows:

1. Evangelism and church development, including all phases of church and denominational life.
2. Schools, including kindergartens through senior colleges and theological seminaries. There are 1,002 schools with 151,276 students.
3. Medical work, including hospitals, clinics, and dispensaries ministering to more than 260,000 patients annually.
4. Publication work in which more than 14,000,000 pieces of printed materials are annually made available in many languages.

Under each of these categories are many subdivisions and varieties of work. Every ministry which is of value at the home base is needed in the countries served.

The operating budget of the Foreign Mission Board must be increased annually in order to sustain advance. The budget for 1960 was increased $1,086,825.97 over 1959. Request from the fields totaling $651,000 could not be included because funds were not sufficient.

The Foreign Mission Board for 1960 has a budget of $11,358,893.87, capital needs of $7,573,990, emergency recommendations of $500,000, and urgent items totaling $651,000 which were deleted from the operating budget, the Board has before it in 1960 needs in excess of $20,000,000. All available funds will leave unmet more than $3,000,000 of these needs.

The chief support of the Foreign Mission Board comes from the Cooperative Program and the Lottie Moon Christmas Offering. The Lottie Moon offering provides most of the money used for capital purposes. Gifts through the Cooperative Program and the Lottie Moon Christmas offering have been increased to some extent in our association for the past few years. It is hoped that all the churches will soon see fit to make generous contributions through each of these channels.

Sustained advance in world missions depend largely in prayer. Southern Baptist will do well to focus attention upon all possible ways to harness the prayer potential of every church and individual.

TOM RICKMAN

13. Cooperative Program Report read by Rev. W. A. Cloer in the absence of Mrs. Fred Jones. Rev. Tom Greene, Director of Ministers Retirement, and Member of the State Board, discussed what the Cooperative Program can do. Further comments were: "If you do four things you are doing what Christ commanded, if you are not doing them you are guilty of not keeping what He commanded. (1) Pray, (2) Speak personally to everyone you meet who is not a christian, (3) Give one-tenth of your income to the church that you are a member, undesignate, (4) Give part of that through the Cooperative Program." "You are at work the clock around, twenty-four hours a day if you give through the Cooperative Program."

The Cooperative Program

"Go ye therefore and teach all nations . . .". Matthew 28:18a

The Cooperative Program is the means by which we, as North Carolina Baptists, help to support the world ministry as committed to us by Christ. With our gifts through this great program we have a share in the witnessing, teaching, healing and preaching at home and to the four corners of the earth.

Cooperation is a wonderful practice especially if teamed with fellow CHRISTIANS and Christ. Much good can be accomplished through the leadership of Christ.

During the calendar year 1959 Macon Baptists gave a total of $12,-211.34 through the Cooperative Program. This was a substantial increase over the year 1958. However the disturbing fact is, 16 of our churches had no part in this giving—whereas in 1958 only 10 of our Macon Baptist Churches did not contribute through the Cooperative Program. Is your church failing to minister to the needs of millions? Is your church missing a blessing by not having a part in this great program?

Our goal for North Carolina Baptists for the year 1960 is $4,100.00. Let us encourage our fellow Christians to do their part to meet this goal. Then we will be using our money to teach for Christ.

Respectfully submitted,
MRS. FRED C. JONES

TEACHING FOR CHRIST THROUGH BENEVOLENCES

18. Report on Baptist Children's Homes—Mrs. Ruby Young.
Dr. W. R. Wagoner, Superintendent of Baptist Children's Homes, brought to our attention some facts and figures about Baptist Child Care, and also told us the great need of so many other children who were being neglected because of lack of means and space. He challenged the people to give one-dollar per member to help meet the needs of the Baptist Children's Homes. The need is great, the need is growing .

Baptist Children's Homes

The Baptist Children's Homes of North Carolina, Inc., are owned and operated by the Baptist State Convention. They render care to the dependent and neglected white children of the state in three types of child care, namely Institutional Care, Aid in the Home and Foster Home Care. These Homes are the responsibility of every Baptist of the state. According to the Bible reading, James 1:27, our way is defined clearly. It says: "Pure religion and undefiled before God and the Father is this: To visit the fatherless and widows in their affliction and to keep himself unspotted from the world." In other words help orphans and those in affliction or need. Can anyone of you deny that this is a definite part of Jesus' program?

Children of school age are admitted to institutional care—preschoolers must be cared for in the foster home unit. A person or agency wishing to make application should write Dr. W. R. Wagoner, General Superintendent, Baptist Children's Homes, Thomasville, N. C.

Children who have no one to pay for them are accepted without charge. Those with a responsible parent should make a contribution according to their means.

Parents, relatives and friends may visit children who live in the institution with the consent of the Administration. Children may visit parents, relatives, clothing sponsors and friends for two vacations yearly—one at Christmas and the other during the summer.

A child remains in the institution so long as the child may profit by the placement or until a better plan can be worked out.

The Baptist Children's Homes have been developing a foster home program because it recognized the needs of children differ. Some children can profit by the group experience; others need more individual services. Therefore, the Homes have incorporated a foster home program that provides home care for children. The homes must be licensed by the State Department of Public Welfare.

The foster home may provide the needed experience of a personal relationship for:

1. The child of pre-school age,
2. The child who has no family ties,
3. The child who needs more individual care.

Any married couple interested in having their home used in this way can secure a foster home application by writing Dr. W. R. Wagoner, General Superintendent, Baptist Children's Homes, Thomasville, N. C. The Baptist Children's Homes pay a basic board rate of $40.00 per month for the child, plus a clothing allowance of $2.00 per month for a child age 2-9, $5.00 per month for a child age 10-14 and $8.00 per month for a child age 15 and above. The Homes pay all medical expenses.

The Children's Homes receive their support through the following channels:

1. Directly from Churches,
2. Thanksgiving Offering, and
3. Cooperative Program.

Through the churches and Cooperative Program they are guaranteed $415,000 per year for all expenses at:

1. Mills Home, Thomasville, N. C.
   (with 311 children)
2. Kennedy Home, Kinston, N. C.
   (with 165 children)
3. Odum Home, Pembrooke, N. C.
   (with 24 children)

(Also 160 children in foster homes; 40 others are associated by Mothers' Aid and 30 college students receive case work supervision.)

The only way of getting an increase of funds for the steady growing expenses is through larger Thanksgiving Offerings.

The North Carolina Baptist have been caring for homeless and dependent children for 75 years. Appropriate observance of the 75th Anniversary will be made in November.

John E. Roberts became Editor of Charity and Children, June 1, 1960. We invision under his editorship, this paper making an increasing contribution to the total life of Baptist people.

Let us stand behind our wonderful Children's Homes. Pray for their leaders and financially support this cause.

Respectfully submitted,
MRS. RUBY YOUNG

19. Report on Homes for the Aging—read by Rev. C. T. Taylor in the absence of Rev. Judson Duvall.

Rev. William A. Poole, Superintendent of the Home for the Aging, inspired us to all work together toward meeting the needs of the aging. The crying need of the North Carolina Baptist Homes for the Aging right now is more space.

Report on Homes for Aging

The cry that came from the heart of David in Psalm 71:9, "Cast me not off in the time of old age," could well be the heart-cry of many lonely, elderly persons throughout North Carolina. For almost ten years, Baptist of North Carolina have been heeding this cry through the ministry of Baptist Homes for Aging.

We now have three homes in operation and a fourth one under

construction. Resthaven, our first home began operation in Winston-Salem in 1951, The Albemarle Home was started in 1953, and Headquarters, Winston-Salem, began in 1957. These Homes have a total capacity of 146 residents, and property value of approximately $1,000,000. The fourth Home is now under construction at Hamilton, in Martin County, in Eastern Carolina. $50,000 and 14 acres of land have been donated by Don G. Matthews of Hamilton, and an additional amount of $50,000 has been raised for the Hamilton Home. The home is estimated to cost $200,000 and to provide space for 32 residents in the first unit. So with the Hamilton Home completed, North Carolina Baptists will have homes with a total capacity of 176 residents, and a property value of $1,250,000.

Another great achievement of the homes is that a 40-bed Infirmary Annex has just been finished at Headquarters, Reynolda Road, Winston-Salem, which replaces the 15-bed infirmary that had long since proven inadequate to meet the increasing need.

Through the almost ten years of operation, the Homes have been blessed of the Lord in a financial way. Aside from the amount received through the Cooperative Program, donations have come from many sources, and the churches helped out in a great way through the special offering the third Sunday in February each year. May our churches be encouraged to make greater contributions to this worthy cause.

Respectfully submitted,
JUD DUVALL

20. Report on Baptist Hospital—Rev. C. T. Taylor.

Dr. W. K. McGee, Director of Denominational Relations of the Baptist Hospital, discussed the need for the special offering, which is taken on Mothers Day, the cost of medical care, the resources in which to meet the need and thus minister to the needs of your people.

Report on North Carolina Baptist Hospital

The Ministry of our Baptist Hospital touches every area of our state. Last year it served more than 17,000 bed patients, with 150,000 visits being made to the clinics and offices. They came for examinations, medical treatment, skilled surgery, and spiritual guidance. Many of our homes, most of our churches, and almost all of our communities have been served by this ministry of healing. It touches the family life of about a quarter of a million of our people each year.

Sickness is no respector of persons or pocket books. It strikes the rich and poor alike—the widow, the orphan, the aged. There are times when they need such specialized care as that available at our Baptist Hospital. The Mother's Day Fund provides money with which our Hospital gives assistance to those who cannot pay the full cost of their care. Our Hospital almost doubles our gifts with matching funds from welfare agencies and other gifts. In addition to this, the medical staff gives its services without charge to all service patients, except for available insurance payments.

Probably we should ask ourselves if we as Christians should provide such a ministry for our needy, sick neighbors. Jesus and the New Testament writers give us the answer. But do we really want such a ministry? It cannot be provided except at great cost. Our Hospital

receives about 3¾% of our Co-operative Program funds for payments on the buildings, purchase of expensive equipment, such as heart-lung machines, and for the Department of Pastoral Care. Our Mother's Day Fund provides the money to help pay the hospital bills of needy, sick persons. The amount of this fund determines for the most part the amount of help our Hospital can give.

If we are serious about this ministry which was so close to the heart of our Lord, and want our Hospital to give help when our people need it, we are going to gave to become serious about our giving to the Mother's Day Fund. Our Hospital is facing a grave financial problem, and if it is to give free service we are going to have to contribute the money to finance the program.

The only way we can support this work is to plan for it, to make somebody in each church responsible for it, to let our people know about the need, and to challenge them to give their means. Some of our churches over the state have been doing this, and our people have demonstrated that when this is done they will provide the necessary support. We come to ask you to do it in your church—not for the hospital, but for sick people who are in need.

Our churches are to be commended for their support of the Hospital through the Mother's Day Offering. In 1959, 35 of the churches gave $1,295.12; and this year, 40 churches have given $1,532.51. This is a good report, but in the light of the great need, and in light of the fact that so many from Macon County receive free service at the Hospital, we feel that our churches should do much more. May we, in the coming year, lead our churches to support our fine Hospital in every possible way, and if possible, lead them to make their Mother's Day offerings much larger on next Mother's Day.

Respectfully submitted,
C. T. TAYLOR

Report adopted.

21. Executive Promotion Committee Report—Rev. R. R. Standley.

Executive Promotion Committee Annual Report

The Executive Promotion Committee met, according to the requirements of the Constitution of the Macon Baptist Association, four times during the year. Relatively few actions were taken by the Committee: Mrs. Herman Mason was elected to fill the vacancy caused by Mrs. L. B. Oran moving from our County, that of Primary Training Union Leader. Mr. Jack Powell was elected as Associational Young People's Leader of the Training Union. Jud Duvall was elected to fill vacancy of Rev. Wyatt as Representative for Homes for the Aging. In the April meeting it was voted that we should hire a VBS worker who would be paid $10.00 per week of work by the church with which she might work and $20.00 by State Missions through the Raleigh office. A Calendar of Associational Activities was presented to the Committee in the January meeting by our Field Worker, and was accepted by unanimity of vote. Your Committee was pleased to hear at the last meeting (July 11, 1960) the best financial report which had been presented in many years. We had reduced our debt to $41.57.

The Chairman of your Committee would like to commend the various organizational leaders and the appointed committees for their excellent work during the year. Especially outstanding in iniciative and results was the work of the Evangelism and the Missions Committees. These committees conducted, under the direction of their chairmen

and our Associational Field Worker, a highly successful religious census of the area called "West Franklin." In response to the great need discovered there, a tent was acquired (at no cost to the Association) and a Vacation Bible School and Revival were conducted. Workers from several churches gladly helped in these endeavors. Rev. Lewis Howard of Holly Springs was the preacher. Again the results and the interest of the people were so outstanding that Sunday School and Sunday preaching services have been conducted in the tent since that time. Here is a fine and commendable example of our Association at work.

The successful cooperative work of our Association of churches this past year must encourage us to ever increasing efforts toward stronger goals for Macon Association. Let us, as Missionary Baptist Churches, strive for better attendance of our elected Executive Promotion Committee members at all the meetings of that Committee. (This past year was an average attendance of only 21 members, representing an average of only 11 churches.) We must have a wider cooperation among our 42 churches in all the activities of the Association. This widening of cooperation will include vigorous work on Committees or in the work of our organizations. It will include financial participation on the part of all our churches, and a greater participation of those which are already contributors. We must work toward the goal of a financially independent Association which will be strong in the work of the Lord. In such a way we can work with greater efficiency for the Kingdom, and with dignity and respect before our sister Associations. In such a way we can work together in love for a greater service to our Lord.

Respectfully submitted,
ROBERT R. STANDLEY, Chairman

24. Missions Committee Report — Mr. Fred Corbin.
Rev. Taylor showed some slides of the work being done in the new West Franklin Mission.

Report of the Missions Committee

The members of your missions committee are very grateful for having had the privilege of serving the Association during the past year. And, as we look back over the year, we feel very happy that some progress has been made toward establishing new work.

In the committee's first meeting on Sept. 3, 1955, Rev. Robert R. Standley, pastor of the First Church, Franklin, and member of the committee, informed the committee that the First Church's Mission Sunday school had been changed to the status of a Mission, with its own treasurer, clerk, and that it would take on some of the church-

organizations. Brother Standley also told of the mission's desire for a representative from the Association to work with them. Cliff Cook was selected by the committee to serve in this capacity. Brother Cook worked with the mission as director of the mid-week prayer service for several months.

In this first meeting the committee discussed the possibility of buying a tent, as we had been informed of a place where one could be secured at a reasonable price. The committee decided to buy the tent, but found later that it was too small.

In our next meeting on February 20, we voted to take a census in the area between Mt. Hope and Franklin First churches. We also discussed the possibility of using a prefabricated building in establishing new work. We soon found that the cost would be so great that it was not feasable to persue this idea further.

On March 14 the committee met to formulate plans to take the census on the west side of Franklin. Boundary lines for the census were decided upon and members of the committee were designated to make a map of the area to be covered. Sunday, April 10 was set for the census. About 20 persons showed up to help with the census. Several churches were represented. We only covered about half the area that afternoon. The census was finished on the Sunday after Easter. The results were alarming. We found well over 200 persons of Baptist preference who said they would like to have a Baptist Sunday school or church in their community.

Shortly after taking the census, the committee learned where a tent could be secured at a reasonable price. We were "tipped off" about the tent by a former pastor of Macon County, who said that we ought to have one to use in our work. The committee soon voted to buy the tent and outfit, which included 32 seats, poles and stakes, at a cost of $275.00.

Soon after the purchase of the tent, we set the date for a Vacation Bible school and revival in the area where the census was taken. In the Bible school, there were enrolled 47 boys and girls and 8 faculty members. Many of the children, even some of the Intermediates, had never been to a Bible school. More than half of them were not enrolled in Sunday school. Many of them were from Baptist homes but were enrolled in a Sunday school of another faith.

A revival was also held for two weeks, with Lewis Howard, pastor of the Holly Springs Church, doing the preaching. The people came very well to the revival, but did not respond as well as we had expected. There were two professions of faith. Our committee had Sunday school in the tent on Sunday at the close of the revival. There were 38 present, including 12 adults. A week later, which was last Sunday, there were 56 present for Sunday school despite the rain at the Sunday School hour. The offering amounted to $57.50. $25.00 of this amount was donated by a business man in Franklin. Without the donation, the offering would have been $32.50.

In our last meeting on August 9, our committee was well pleased with the results of the new work. In discussing what course of action should be taken, it seemed to the committee that since the interest is as good as it is and the possibilities as great as they are, that the work should be organized into a mission from the start, rather than just a branch Sunday school. So we voted to soon organize a mission in the area with the neculas that has already been formed, and then seek a church to sponsor the work.

In closing, I want to express appreciation for all who have had a part in helping this new work to come into being. We want to thank all who helped with the Bible school and the revival, those who helped with the census, and those who are helping with the Sunday school. And, too, we feel that the churches should support this new work with their prayers. May we pray that the new missions committee may be led of the Lord in its work during the coming year.

A letter was read from the Horse Cove Baptist Church, Highlands, asking for acceptance into the Association. The Pastor and messengers were present at the Association. A motion was made and carried that we receive this church under the watch care of the Association as designed by the Constitution.
Mashburn Branch Church had ten members present at the Association, and having met the qualifications of the Constitution for a year was extended the right hand of christian fellowship into the association by our Moderator. This fellowship was extended to Mr. Grover Sorrells, Sunday School Superintendent and Chairman of the Deacons, in behalf of the church.

Credential Committee Report

27. Rev. J. T. Gillespie, from Gardner-Webb College, was given time to speak about the college and the responsibilities of North Carolina Baptist to the colleges.
28. Civic Righteousness Report — Rev. Carl E. Poston.

Report on Civic Righteousness

Moral decay has been the downfall of great empires in the past. We have no reason to believe that America will escape a like fate if she continues in her increasing rate and manner of immoral behavior. The author of Proverbs has declared and history has proven

that "Righteousness exalteth a nation: but sin is a reproach to any people". (Proverbs 14:34).

Salacious literature continues to fill the newstands. In spite of the Post Office Department's vigorous efforts to enforce its regulations, increasing volumes of pornographic publications are getting into our American homes to pollute the minds of our young people. The divorce rate is at a high average of 15,000 a month. (Take notice that divorces due to the involvement of alcohol ranges from 63% to 90% of all the cases across our nation.) Illegitimacy is costing our Federal Government over a quarter of a billion dollars each year. Our society has rationalized and hypocritically approved immodest clothing designed to capitalize the natural sexual drive, and by perversion, to lead man to a downfall. Economic injustice, discrimination based on race and political corruption are other areas that should be covered by this report.

It appears that the alcohol situation is one of the nation's biggest, and one of its basic problems. J. Edgar Hoover has stated, "Liquor is the basic cause of eighty per cent of all crime". Dr. Thomas A. Bland recently said, "More than 65 per cent of the total adult population in America today drink. Nearly 22 gallons of beer are consumed each year per capita in the drinking age (fifteen years and over), while more than 1¾ gallons of spirits and 1¼ gallons of wine are consumed per capita in the drinking age population. Tnere are now more than five million alcoholics in America." In North Carolina, alone, we have over 50,000 alcoholics. Three million more American drinkers are on the border of becoming alcoholics. These missions are those who compulsively drink without control. Alcohol destroys the body, wrecks the home, corrupts society, dulls the brain, breeds immorality, and basically takes possession of the human personality. Christianity does not seek to condemn the alcoholic. Rather, it seeks for him, salvation. He needs help, and not religiosity!

Our theme for this association is "Teaching For Christ". We believe that Jesus taught principles that are applicable to each moral issue. Surely the gospel is pertinent to every area of life. The courageous Christian should examine even the most commonly accepted social customs in the light of the teachings of the New Testament to determine whether they would be approved by Christ. If the evidence shows that they are contrary to the spirit of Christ, the believer should immediaely seek to move toward the Christian ideal.

However, the answers to our moral problems are not to be found in Teachings of Jesus in a legislative or legal sense. Mankind must come to experience Jesus Christ as personal Savior. Mankind must be given a "New Birth" from above. (Matt. 12:33). It is the regenerated heart that seeks to build a society in keeping with the principles found in the Teaching of Jesus.

Respectfully submitted,
CARL E. POSTON

29. The Moderator read a letter concerning Truett Camp from the State Convention. A motion was made by Rev. Standley that we enter into the agreement with the Convention as stated in the letter. Motion carried.

AGREEMENT BETWEEN THE CHLRCHES OF REGION TEN AND THE BAPTIST STATE CONVENTION OF NORTH CAROLINA, RE-

GARDING A JOINT USE OF THE TRUETT MEMORIAL HOMEPLACE PROPERTY.

This agreement entered into by the Baptist State Convention of North Carolina through its agent, the General Board, which is the convention at interim, and the churches of Region 10, embracing the Cherokee, Macon, Tennessee River, Tuckaseigee, West Liberty, Cheoah, and Western North Carolina Associations, concerning the George W. Truett Homeplace, Hayesville, North Carolina.

Since the interest of the Baptist State Convention and the churches of the foregoing Associations are identical, i.e., the effective advancement of the Kingdom of God, and since the Baptist State Convention desires to help strengthen the Baptist witness in this area of the state in every possible way,

THEREFORE, the Baptist Convention of North Carolina and the Associations embraced in Region 10 enter into the following agreements:

1. **Ownership**

Ownership of the George W. Truett Homeplace, consisting of one dwelling, adjacent outbuildings, and sixty-five acres of land, more or less, located in Clay County near the town of Hayesville, N. C., is recognized as residing in the Baptist State Convention of North Carolina.

2. **Use**

The Baptist State Convention hereby agrees to allow the Baptist churches of Region 10 to make use of the George W. Truett Homeplace for the promotion of the Kingdom of God upon the following conditions and in the following ways:

a. The dwelling house and the adjacent outbuildings may be used as a residence by the missionary working in the Western North Carolina and West Liberty Associations on condition that the said Associations (1) keep the house, outbuildings, grounds, and approaches in good repair at all times; (2) see that the occupant and his family greet visitors to the Truett Home and permit them to see the house when they desire to do so.

b. The Associations embraced in Region 10 are to maintain at all times a responsibile committee whose duties it will be to supervise the use of the Truett property, and to deal with the Convention or its proper agents in matters relating to the use of said property.

c. The Baptist State Convention agrees, moreover, that the churches of Region 10 may build and maintain on the Truett property a camp to be known as the Truett Memorial Camp, and to be used for religious purposes related to the Baptist churches and/or the Baptist demonination.

d. The erection of buildings or other facilities in connection with the George W. Truett Memorial Camp are to be in each instance with the knowledge and consent of the General Secretary-Treasurer of the Baptist State Convention and of the Executive Committee of the General Board.

e. None of the natural resources on the George W. Truett Homeplace may be sold or removed from the premises without prior approval of the Executive Committee of the General Board.

3. **The Baptist State Convention**

The Baptist State Convention on its part agrees:

a. To lend every possible assistance in the promotion of an effective program of missions, evangelism and leadership training in the

Associations embraced in Region 10.

b. To give every possible assistance in the development, promotion and effective use of the Truett Memorial Camp.

c. The Convention agrees, moreover, that if other provision should be made for use of the Truett Homeplace, or if all or part of the said property should be disposed of, it will retain at least ten acres of land, including that part on which the Truett Memorial Camp is located, for continued use as a camp site in accordance with the provisions set forth above.

Finally, this agreement may be altered only by joint action by the Executive Committee of Baptist State Convention and/or the General Board and the Regional Committee on use of the Truett Homeplace.

30. Ministers Retirement Report read by Rev. Jack Lewis for Rev. Standley. Ministers Retirement was discussed by Rev. Tom Greene, who told us of the responsibilities of the churches to their ministers.

Ministers' Retirement Report

The Southern Baptist Convention has entrusted the Annuity Board with the responsibility of caring for our pastors and their families in the days of need and anxiety. This program of protection is called The Southern Baptist Protection Plan.

The Southern Baptist Protection Plan provides financial help in the time of death, disability, and retirement. The Board is there to serve in time of sorrow, if the church is in the Protection Plan. In case of the pastors death, his widow would receive an income from the Board as long as she lived or until she remarried. The Board is there to serve in time of sickness, if the church is in the retirement plan. In case of disability, the pastor would receive a monthly check from the Board as long as he was disabled. The Board is there to serve at retirement, if the church is in the retirement plan. At age 65, the pastor can receive his regular annuity as long as he lives. He can not outlive this protection. A church can have all of this protection for the pastor if the church is in the Southern Baptist Protection Plan.

We urge all churches to contribute to the work of the Annuity Board. The cost to the church is only 10% of the pastors salary. For instance: $400.00 a year is as much as this program will cost any church who is paying their pastor $4,000.00 a year salary. If all our churches con tribute, then all our pastors will be protected and all of our churches carrying out the command of our Lord.

At present, four churches in our association—First Franklin, First Highlands, Holly Springs, Iotla—contribute to this phase of our work. This is a denominational program and deserves the support of all the churches. The Baptist State Convention of North Carolina is launching an intensive campaign to enlist at least 300 additional churches this year. We recommend that our association adopt our share of this goal and that we urge all our deacons and Brotherhood members to present this program to their churches as soon as possible.

We also suggest that one of our monthly Associational Meetings or Brotherhood Meetings be given to the discussion of this phase of our denominational work.

Churches desiring further information should contact members of the Annuity Committee, the Associational Missionary, or Tom Greene, Baptist Building, Raleigh, North Carolina, who is the Director of the

Annuity Board work in North Carolina. He will be happy to present this matter to any local church desiring his help.

Respectfully submitted,
ROBERT R. STANDLEY

31. Historian's Report—Mrs. I. T. Peek.

Historical Report

We are very happy for the earnest enthusiasm shown by our churches in Macon this year; for their zeal in growth.

Space will not permit us to mention all the good things that have been done. However, most of our churches are continuing to make progress. We shall mention a few.

Ellijay has widened the driveway to the church and provided a large parking area in front, and to the right of the building.

Cowee has retired debt on new educational building and also pastor's home. Buck Creek has repaired road to cemetery and plan to gravel parking area soon. Talk among the members are to build class rooms in rear of building soon.

Rev. W. A. Cloer, Pastor of Ling View, recently purchased a new piano, also rock-veneered their new educational building, painted baptistry with a beautiful River Jordan scene. The pastor has also built a new home and lives in the Church community.

Rev. W. K. Shields, Pastor of Watauga Church, has just finished renovating inside their building. A smooth board material has been placed over the pine ceiling overhead and on the wall. Also a new flood has been laid.

Wells Grove paid cash for a new piano, covered their Church and have started a building fund.

First Church, Highlands, are now building a new educational plant, which will be adequate for their needs.

Mount Hope are building a new vestabule, belfry, and porch with columns. Pleasant Hill is now using their two new class rooms. Church now has four class rooms in use.

SECOND DAY

33. The second days' session of the Macon Baptist Association at the Ridgecrest Church was called to order by the singing of "All Hail The Power", led by Rev. Propst.
34. Our Vice-Moderator, Rev. W. A. Cloer, presiding, called on Rev. Taylor in the absence of Rev. Odis Orr for our opening devotion. Rev. Taylor had the body to read responsively in the back of the hymnal Romans 5:1-11, Justification.
35. Words of welcome were extended by the pastor of the host church, Rev. Paul Sorrells.

36. Report on Evangelism — Rev. L. A. Howard.
Rev. Howard also spoke to his report on the subject "The Walk With God", defining evangelism, and telling us how we are to carry out our individual parts in evangelism.

Report on Evangelism

Evangelism is the greatest work in the world. The goal of evangelism is to bring people, through Jesus Christ, to walk with God.

In 1959 there were 241 Baptists in the Churches of Macon Baptist Association. This was a ratio of 1 to 30 members.

For the year ending June 30th, 1960 our Churches have reported 36 revivals, 236 baptisms, and 128 additions by letter. This gives the Macon County Baptists a ratio of 1 profession for every 30 members.

There was a meeting called for all Pastors, and Sunday School Superintendents of the Association for the purpose of creating more incentive for evangelistic effort in our Church programs.

The committee on evangelism proposed and pursued an effort to honor and encourage the youth in places of leadership in our Churches by holding a special meeting for them. Information was sought from all the Churches, but response was so minor that the committee had to abandon the idea.

Let's make personal evangelism our highest aim this year.

37. Student Union Report — Miss Josephine Roper.

Baptist Student Union Report

Time has come and it's off-to-college again. Mr. College Student leaves home as he sets out on a new adventure in life. The college campus is teeming with faces—white faces, yellow faces, happy faces, troubled faces, full faces, thin faces. Each face has a name and each expresses a personality. As we look at the young people these faces represent, we see growth physical and social most plainly evident. We get our physical stature without thinking. Certain social adjustments are forced upon us if we move about in human society. What about the spiritual growth of these young people? Many graduates have gone to college devoted Christians and have returned not able to take a positive stand for religion. Their Christian lives have remained at the low level of a child. How many of these students are lead to see the Saviour's face?

Turn your eyes upon Jesus
Look full in His wonderful face
And the things of earth will grow strangly dim
In the light of His glory and grace.

The Baptist Student Union is the denomination's ministry to 24,000 Baptist students in fifty-eight colleges and universities and eighty professional schools. The Baptist Student Union attempts to link the college student to the local church. Its objective is to work with students to enlist them in Baptist Churches and to provide them with a program of Christian education. It seeks to lead the student to turn his eyes upon the face of Jesus Christ.

Of all our Baptist students enrolled in college, 16.1% are enrolled in non-Baptist colleges. On the non-Baptist college campus the Baptist Student Union is our only means of providing a distinctive Baptist ministry in the academic community. The Baptist Student Union strives to conserve Southern Baptist College youth for Christian leadership and the Kingdom of God, to minister to the spiritual needs of 250,000 Baptist college men and women in the states of the Southern Baptist Convention, and to extend the influence of the church to every campus and make college life Christian.

To meet these objectives the Baptist Student Union engages in a

variety of programs in the church and on the campus. They become an enlistment arm for the local church and seek to be a bridge between the church and the student on the campus. College young people are active, restless, and adventurous; therefore, it is imperative that the programs of the Baptist Student Union be adventurous but also programs of such depth and significance that the student may discover or re-discover Christ. The Baptist Student Union in its program of work provides special college departments in Sunday School and Training Union. The Y. W. A. enlists the girls of the college in mission study and actual service in local missions. Some other programs are evangelistic teams, youth revival teams, missionary bands, discussion groups, and service projects. Vespers, morning watch, prayer service, choir, and drama groups are all means to an end. The end objective being to provide those experiences which will make possible the production of mature churchmen who are prepared to make a significant christian contribution in their community, their state and their nation.

Yes, Mr. College Student must participate in the Baptist Student Union to experience the thrills of new friendships, sheer fun, increased perspective, and spiritual maturity which it offers.

A handful of Christian young people can make the difference between victory and defeat in today's spiritual warfare. Youth delivered our nation and many nations from bullies and their cohorts in World War II. Youth in Christ's service can deliver the community and campus from the enemies of its peace and health and true life now.

You as a local church and an association can help lead each college student to seek the Master's face by praying for your young people and for the ministry of the Baptist Student Union and by supporting the work with your gifts through the Cooperative Program. Do your young people have your loyal support as they attempt to "Grow in grace and in the knowledge of our Lord and Savious Jesus Christ . . .?—II Peter 3:18.

38. Church Library Report — Rev. C. T. Taylor gave an oral report and a motion was made that he put his words into a written report and be put into the minutes.

Church Library Report

Never before in the history of the world has there been so much reading matter thrust upon the American public. To be sure, much of the material is wholesome and helpful, but on the other hand, much of it is unfit for our people to read.

Realizing the power of the printed page, it would behoove us to place in the hands of our people reading material which would help them to live more useful lives for Christ. This can be best done by setting up church libraries in the churches.

It is encouraging to note, that in the past several years, some of our churches have started church libraries. Among them are: Cowee, Franklin First, Highlands First, Iotla, Liberty, and Tellico. Liberty is the newest one, having been started in the past year.

It is hoped that each church will eventually start a library. Certainly, there is a need for one in every church. Your Library Committee stands by, ready to help any church at any time, to start a

library service for their members. At the Field Worker's office, you may secure a free package of literature that will be of help in setting up a library and will tell of a free-book offer from the Church Library Service of the Sunday School Board, Nashville, Tenn.

39. Christian Education Report — Mr. Harry C. Corbin.

Report on Christian Education

North Carolina Baptists promote a program of education much wider in scope than that represented in their seven colloges. In the local churches there are numerous activities along with the Sunday school relating to education. All these activities are promoted through a special division known as Church Programs. Through the Southern Baptist Convention North Carolina Baptists share in the promotion and support of the seven seminaries which are administered through trustees elected by the Southern Baptist Convention.

Through a Division of Christian Education in the Baptist State Convention of North Carolina the work of seven colleges is promoted. These are Wake Forest, Meredith, Mars Hill, Gardner-Webb, Wingate, Chowan, and Campbell. In the last year there were enrolled in these seven colleges some 8,100 students. Their annual operating costs were above $10,000,000, with approximately $500,000 of this coming through our Cooperative Program plan of giving. An additional $600,000 was provided for capital outlay or plant improvement and expansion. Without the addition of new buildings it is not possible for these colleges to enroll many more students than the number taken last year.

In recent years there has been a marked growth in the interest of North Carolina Baptists in their colleges. For fifteen years the work of these colleges has been coordinated and studied through the Council on Christian Education, with offices in the Baptist Building at 301 Hillsboro Street, Raleigh, N. C. The staff consists of two employees—an office secretary, Miss Grace Yow, and an executive secretary of the Council and Director of the Division of Christian Education, Claude F. Gaddy. In the past three years three major Convention Committees have prepared and presented reports on the work of these colleges to the Convention, and a fourth committee was appointed in 1959 to report in 1960.

The first committee of 25 members was appointed in 1956 "to study the needs and possibilities of our existing institutions and such new institutions as may be needed." The report of this particular committee was presented to a special session of the Convention in May 1959. The relation of this report to the colleges will be considered later. In 1957 two special committees were named and directed to study two particular aspects of Christian education as follows:

1. A committee of nine members was instructed "to prepare a statement of permanent policy describing and setting forth the relationships of the Convention to the trustees, the trustees to the Convention, the trustees o he instiuutions, and the institutions to the Convention;

2. "to devise at the earliest possible moment a method of orienting, training, and instructing all trustees as to their duties, responsibilities, prerogatives, and relationships."

This committee brought its report to the Convention in 1958 and its recommendations were adopted. In compliance with the second part of the report the first Trustee Conferences were held in Winston-Salem, March 11-12, 1960.

3. In this same Convention of 1957 a committee of 17 members was directed "to make a study of ways by which the spiritual life of each of our seven colleges would be enhanced or deepened; (2) that its study include further an appraisal of any attitude, activities, or organizations on any campus which might be hindering the development of a genuinely spiritual atmosphere upon our college campuses."

The report of this committee was adopted also in 1958 Convention.

Let us return now for a further look at the work of the third committee of 25 members appointed in 1956, and reporting to special convention in May 1959. After a study covering nearly three years and with the aid of a professional firm of consultants—Booz, Allen and Hamilton, this committee presented a strong and comprehensive report with certain recommendations for each of the seven colleges. There was no recommendation for a new college, but for each of the seven existing colloges specific suggestions were made as follows:

1. Wake Forest—that provision be made as rapidly as possible for resuming graduate study for advanced degrees, both master's and doctor's.

2. Meredith—for growth to provide a student enrollment of 1,000.

3. Mars Hill, Campbell, and Wingate—that all three of these two-year colleges consider the possibility for becoming four-year colleges as soon as possible.

4. That Gardner-Webb and Chowan Colleges continue to serve as junior colleges with provision for becoming senior colleges "when it is the belief of their trustees and administration that the time has come when a change from junior to senior college status is advisable."

It was in the light of the work of these three special Convention Committees and the reports adopted by the Baptist State Convention that a fourth committee of 21 members was appointed in 1959 to give meaning to the work and recommendations of previous committees. This new committee was directed "to work with the Council on Christian Education and the General Secretary of the Convention to study the pressing needs of the seven Baptist colloges, and to bring to the Convention in 1960 a recommended program and plan for meeting the pressing financial needs of these schools." With this directive the committee of 21 members, with Dr. B. Norfleet Gardner as chairman, began its work with the Council and General Secretary Branch to prepare a recommended program of work for the seven colleges and a plan for securing the funds necessary for such a program. It is hoped that a tentative report will be ready for publication in the near future in order that our Baptist people may have an opportunity to study it carefully in preparation for final consideration in meeting of the Convention in November, 1960.

With this introductory statement of information on what Baptists of North Carolina have been thinking and doing about their colleges in recent years, let us remind ourselves of some of the rather disturbing statistics on our Baptist young people as follows:

Last year, 1959, there were graduated from our North Carolina high schools 42,954 students. Of this number there were 32,441 white high school graduates. It is safe to estimate that of this 32,441 graduates 15,000 were Baptist. Almost exactly one out of three enrolled in some college last September, leaving the other two out of three without

college training. So of our 15,000 Baptist youth graduating from high school in 1959, 10,000 never enrolled in college. Of this 10,000 ending their education with high school, one-fourth of them were in the upper third of their high school graduating class. Thus, we see that a majority of our Baptist young people will never become ministers, teachers, lawyers, doctors, nor any of the many other professions open only to those having an opportunity to go to college. Of the 8,103 students in our seven Baptist colleges last year, 5,000 were Baptist. There were some 13,000 Baptist students in other colleges.

It is believed that by 1970 we shall have in North Carolina not 15,000 white Baptist boys and girls graduating from high school each high school year but 30,000; and that we may expect a much larger percentage to go to college. It seems conservative to predict that at least 35,000 Baptist boys and girls will be in college within ten years. The question confronting us is where shall we provide for their college training? Shall we maintain the status quo in our Baptist colleges and ask the state to provide for them through increased taxes, or other denominations to provide for them in their colleges, or would it be better for Baptists to face the facts with vision and courage and provide Christian education for their future leaders? Let us not be afraid to think together and ask God to guide us to do His will in whatever we do.

HARRY C. CORBIN

40. Truett Camp Report—Rev. Mason Hudspeth, Manager of Truett Camp.
Rev. Hudspeth also told us about Truett Camp and what is has meant to the boys and girls who have attended it, and related some of the experience they have had. The challenge of the camp is more adequate facilities for use to administer to our youth. The plea of the Camp is three-fold: (1) To send our boys and girls to the Camp, (2) Leaders volunteer your services, (3) Need our support to increase facilities.

Report on the George W. Truett Baptist Camp

The George W. Truett Baptist Camp which is operated by Region 10 was open for six weeks this year from July 4-August 12 for the G. A.'s and R. A.'s. The camp had been open for four weeks in previous years, but because of overflow groups in previous years, the time was extended to six weeks. There were no overflowing groups this year, however. The largest group was 40 for the Junior G. A. week, and 16 for a Junior R. A. week was the smallerst. The total number of boys and girls was 161 for the year. Since the number of counselors and workers who were able to work with them was small in number, it was well that there were not large groups.

Sixteen boys and girls professed Jesus Christ as Lord and Savior while at the camp. Sixty said they felt God was calling them to special service. About $60 will be given to missions this year.

The financial status of the camp cannot be given with full accurcy at this time because the final week has not been completed and all bills paid. However, the approximate figure can be given. The Camp Manager received the camp books with $457 in the bank. When all bills are paid, there will be approximately $200 in the bank. The reason this figure is lower is because equipment desperately needed

was paid for out of this fund. The camp records are open to any who would like to check them.

H. E. Danielson, chairman of the building committee, says the camp's indebtedness is $ .50 at this time.

F. MASON HUDSPETH

Report adopted.

Mr. Claude Gaddy, Executive Secretary of Christian Education, presented some facts and needs of college students. Macon County has an above the average and possibly the highest percentage of any other county in North Carolina, of high school students entering college. Mr. Gaddy urged Macon County to adopt a project to have a council to personally interview every boy and girl from our Baptist Churches when they are a senior in High School and see if they desire to go to college and help them with securing the necessary information. Mr. Gaddy asked for questions from the floor, and he, and Dr. L. H. Hollingsworth, Chaplain at Wake Forest College, and Rev. Fred Brown of Mars Hill, answered them. Mr. Gaddy told us of the improvements that are constantly being made at the Fruitland Institute, and that the Pastors School has made a great contribution to the kingdom of God by providing help for our many pastors who go to Fruitland. He urged us to support Fruitland in any way we can.

41. The Hymn "Guide Me, O Thou Great Jehovah" was sung by the congregation after which Rev. George Cloer was called upon to lead in prayer.

42. Mrs. Mildred Williamson, from the Holly Springs Church rendered the special music, singing "How Great Thou Art".

43. Rev. Thad R. Dowdle delivered the Doctrinal Message using John 3, Hebrews 6, and Colossians 1 for his scripture. His subject was "A Gleam of Hope In a Dark World." "What is the trouble with the world? Rebellion against God. Christ came to give hope to the hopeless and help to the helpless. Christ in you is the hope of glory, and you must share Him."
Rev. Paul Sorrells gave thanks for the noon meal.
Adjourned for lunch.

48. Sunday School Report — Mr. Robert Parker.

Sunday School Report

"Teaching and Training" was our theme for the year.

We had our Sunday School officers training school early in the year with the district Sunday School Superintendent, Rev. Bob Abrams, in charge. He discussed the importance and benefits of the mass meetings to the Sunday Schools of the Association and encouraged us to hold meetings more often than once a quarter. It was decided to hold them every two months and more ofter if interest picked up.

We had some very helpful and interesting group conferences on the subjects of: "Stewardship", "What is teaching", "Aims in Teaching", "Methods in Teaching", "Evaluating Results", and "Enlargement".

These conferences could have meant much to the teachers and teaching programs of our Sunday Schools had there been more interest shown.

Of the 43 Sunday Schools in the Association there were only ten to twelve represented in each meeting. Of these churches there were from six to ten pastors, two to five superintendents, and twelve to twenty teachers.

If we are going to do the vital job of teaching and training our new converts and children we must have more interest and cooperation of the churches in these group studies and discussion.

With Sunday School the most vital part of our church enlargement program and Christian training, every christian and certainly every teacher should have a deep interest in these very helpful discussions and inspirational messages.

I urge those selected, and elected to the Associational Sunday School to give of their best to God and the duty entrusted them.

Respectfully submitted,
ROBERT PARKER

50. Vacation Bible School Report — Mrs. C. T. Taylor

Vacation Bible School Report

Bible Schools this year have been good. Churches and faculty members have taken pride in holding high type schools.

Our Bible School Clinic was held in April. We feel this was the best Clinic we have had. Mrs. Myra Motley, State Bible School Director, was with us for the Clinic and brought two approved workers. We had good conferences in this all-day meeting and feel that the Clinic was instrumental in helping the individual churches have better schools. Fourteen churches were represented at the Clinic.

Twenty-six Bible Schools have been held this summer. Of this number 17 churches held their own schools. Miss Ann Stafford was secured through the State Office to help Mr. Taylor with Bible Schools this summer. Our summer worker usually works ten weeks during the summer but due to illness in Ann's family, she was forced to return home after working only 6 weeks. She was a very efficient worker and had excellent schools where she worked. Penny Taylor, as in the past, has played and taught in several schools this summer. Of the 26 schools held, 4 have not been reported.

The following statistics were compiled from the reports of the

schools reporting: Faculty enrollment 268. Pupil enrollment 1,165. Total enrollment 1,433. Professions of faith 36. Mission offering $253.56. Cost of schools $537.20.

A Mission School was held in the West Franklin area. This school was taught in a tent. There were 50 enrolled with an average attendance of 43.

51. Woman's Missionary Union Report — Mrs. C. T. Taylor

Associational WMU Report

Prayer and **mission** go hand in hand. Prayer has sent out missionaries and supported them. Prayer has built schools and equipped hospitals. Prayer has opened doors into never-before-entered fields. Prayer has given entrance into the hearts of men everywhere. Without prayer there is no advance in missions.

Not only does prayer and missions go hand in hand but **knowledge** and **prayer** are linked together. Unless we are aware of the need, how can we pray intelligently? In the early days of Woman's Missionary Union, letters from scattered missionaries were the only facts for study the women possessed. These were eagerly read and passed from friend to friend. Today the four magazines published by the Woman's Missionary Union, in addition to The Commission and Home Missions, and books and visual aids help to develop a world vision among Southern Baptists.

Our Missionary program topics for each organization follow designated areas of study, planned in cycles so that all areas of the Southern Baptist world mission program are covered. One area is presented in our program material each month with the exception of December and March when the weeks of prayer programs are used.

The missionary message of the Bible reveals God as the loving Father who has made salvation possible for all by the death of his Son. With a realization of God's world-purpose and the desire to share Christ with others, WMU attaches permanent importance to the study of missions. Someone has said that the Bible tells us God's plan for the redemption of mankind; mission study tells us how far we have progressed with the plan.

As important as **knowing** and **praying** are, that is not enough. We must **give,** also. Giving has a way of lifting the horizons of those who share material goods for the work of the kingdom. Through the tithe one becomes a partner in teaching the gospel in Africa, in healing the sick in Indonesia, ministering to the war orphans in Korea, building a new house of worship in Alaska, and sharing in the work of the Lord in thousands of places in America and beyond.

Today as our pastor calls on us to tithe he is not setting forth some new and strange doctrine. Instead, he proclaims God's way of giving. Our world in its need, our churches with their challenge, and our lives with the open doors of growth and service before them unite in re-echoing the ancient command of God: "Bring ye all the tithes into the storehouse."

Telling people everywhere how to be saved from sin is the business of all Christians. Across the seas the word is missions; in the homeland it is evangelism; in the individual churches the word is soul-

winning. All mean the same thing. Upon each member of Woman's Missionary Union rests the responsibility of witnessing in the community as well as overseas. The various avenues of service through which a person can witness here at home are the same the missionary has on his field. Long before the organization of Woman's Missionary Union, women in mission societies were sewing for the destitute, packing mission barrels, teaching the Bible to Negroes on the plantations, and arranging for "monthly preaching" in needy sections. Later were added each ministries as holding services in jails and hospitals, doing relief work, visiting for the church, and distributing good literature. As the years passed the vision of what could be done in the community was enlarged. Though the body was to be fed and clothed, the primary reason for these humane ministries was that "Souls might be clothed with righteousness, prisoners told of release from sin, the sick to be cheered and comforted, and strangers to be welcomed and led to Christ.

In our Macon Association helping to carry on this mission work at home and abroad, we now have 10 active WMS organizations, with a membership of 521 women. 5 YWA's, 2 Intermediate G.A.'s, 7 Junior G.A.'s, 1 ungraded G. A., 4 Primary Sunbeam Bands, 2 Beginner Sunbeam Bands and 1 ungraded Sunbeam Band. Making a total of 32 organizations with over 700 members.

Last year the above Missionary organizations gave a total of $1,-871.10 through special offerings to Home, State, and Foreign Missions.

There were 63 Mission Classes taught with 493 reading a mission book. There are 237 individuals subscribing to their mission magazines. 84 Seasons of Prayer were held. 21 organizations were active throughout the year in Community Missions. The last quarter, of the six societies reporting there were 258 giving through the Cooperative Program and 104 tithers.

This year we have had a new WMS organized at the Mashburn Branch Church. This organization is sponsored by Mrs. John Henry's Circle of the First Church, Franklin. A new Circle was organized at the East Franklin Mission and is sponsored by Mrs. John Jamison's Circle of First Church, Franklin. The Junior and Intermediate G.A.'s of the Holly Springs Church have reorganized. The Franklin YWA's have been helping the Cartoogechaye girls with a YWA.

On August 25th, 1959 the Associational G.A. Coronation was held at the Ridgecrest Church. Mrs. L. B. Oran, Associational G.A. Director was in charge of the program. 28 girls received awards for advancement.

On October 5, 1959 the Regional W.M.U. Meeting was held at First Church, Franklin. 169 were present, with all Associations represented.

On Tuesday, November 3 an Associational School of Missions was held at First Church, Franklin. The Foreign Mission Series was taught. All classes were well attended with 180 present.

In January we held a county-wide Home Mission Study for the WMS. The book was taught by eight ladies. There were 79 present.

On April 27th the Annual WMU Meeting was held at the Iotla Church. Highlights of the program were: A Missionary Message by Mr. Fred L. Hawkins, missionary to Brazil, and a message by the State WMS Director, Miss Kathryn Bullord, entitled "Teach Them." A covered dish luncheon was served. Attendance was good with several of our Pastors present.

Brotherhood Report

It is with thanksgiving to our Heavenly Father for his love and blessings, and with gratitude to our co-workers, that I submit this report of the Associational Brotherhood.

There are many aims and purposes of the Brotherhood but they may be summed up as follows: To reach the masses of men in our churches with a regular and definite message concerning the work of our churches and denomination and to enlist them in the promotion of the work of the Master.

GAINS

There are six active Brotherhoods, each sponsoring R.A.'s in our association. These Brotherhoods have a good enrollment and doing a great work in their church.

There has been one new Brotherhood organized, with enrollment of 18 men and 22 R.A. boys.

We are thankful to the Father for His guidance, and appreciate the great cooperation of beloved associational Field Worker, and Pastors for their great work in helping forward such a worthy cause.

ACTIVITIES

There has been four executive meetings held this year, with a good attendance at each meeting.

Also we have had four mass meetings, and a large number of men attended the regional meeting.

We believe that the Brotherhood has a great future in the Association. One great challenge we have is the organizing of new Brotherhoods.

We covet your prayers for the new leaders that will be working with you for the best interest of Brotherhood this coming year.

Christian Literature

Have you ever stopped to think that God chose to use "writing" as His means of self-revelation to the world? He made known His nature and will to men through writing. Where would the world be today were it not for the divinely-written revelation, the Bible? Since God Himself saw fit to use literature to reveal His will, as christians we obviously have a divine plan to follow. In 1961, this principle still holds true as we think of all the fine christian literature being written. When we are told that 78,000 copies of our Biblical Recorder are mailed each week we get an idea of its importance to our Baptist people and when we read it we realize we are using some of the best Christian literature. Our Associational W. M. U. President tells us that there are one hundred ninety-two of our Missionary magazines used in our as-

sociation. That number may be relatively small but it does show the tendency toward the use of christian literature.

To keep well informed and spiritually inspired we must read the literature that does these things for us—Daily Bible reading is a must for all Christians. The Bible gives us our pattern for christian living, the ground of christian belief, and the instruction for christian service. Let us make a special effort to show perservance and consistency in forming a daily habit of Bible reading, meditation, and prayer, and enlist others to do the same.

We have such an abundance of christian literature we never need to ask "What shall I read tonight, or what shall my children read?" And to say we haven't time to use some of this good writing does not put the Kingdom of God and His righteousness first. Pastors, Educational Worker, Sunday School Teachers, and Parents can render few services of greater worth than to encourage their members and families to use the right literature. Strong christians are the result of regular spiritual food, and strong christians make strong churches. What goes into our minds, what we learn about people and about God determines our attitudes and our appetites and hence, our actions. Study and solid reading will force us to relate our faith to the people and the world about us and help us grow in grace. The lack of hunger for knowledge can lead to an improverished mind. An absence of interest in spiritual goodness may cause one to ignore the Bread of Life, which produces in us strength of soul and health of spirit.

We, as christians, have Christ as our example and it is up to us to follow Him. We must grow more Christ-like and not more worldly minded. What our inspired writers tell us will help us gain the right convictions. Christ had convictions when in His Sermon on the Mount He stated His beliefs on divorce, anger, prayer, and other issues. He had convictions about the use of His Father's house when He drove out the money changers. In His denouncement of the Pharisees He was stating His convictions about hypocrisy. He had courage and so must we have if we follow in His steps.

Christ does not separate His disciples and say to some, "you ought to serve full time". Every Christian, whatever his vocation, is called to full time christian service. Many young people invest their lives in full time christian service. Others would, perhaps, if they had more encouragement and proper training. Our youth training really begins with the toddler in the Sunday School and Training Union. As they grow up and use the literature provided and are guided in wholesome recreation programs they will develope into fine leaders. Even is juvenile delinquency and youth crime increased from five to fourteen per cent in 1960 over the preceeding year the well trained young people were not involved. The conclusion of a Judge after studying hundreds of these case histories was that the lack of a home where there was love and understanding is the source of our youth crime. What did these young criminals read and what sort of T. V. programs did they watch? What type of comics did they enjoy One Southern Baptist minister allows his children to watch T. V. only thirty minutes a day and then under supervision. He also knows what his children read. Last year we paid two billion dollars on indecent liturature which was sold from news stands, under counters, and on college campuses. This corrupt reading led to a big per cent of the sex crimes. What a challenge to parents to know what your

young people read. Parents who set the right example in Christian living will reap a harvest of joy in the love their children have for the good things provided for them. Let us as Christian leaders strive to encourage only good christian literature for use among our people.

9. Report on State Missions—Rev. J. R. Willis, Jr.
Report adopted.

State Missions Report

There are approximately 4,600,000 people in the State of North Carolina. About 2,100,000 of these above the age of eight years are affiliated with some kind of church. About 2,000,000 above the age of eight years are unchurched. Perhaps 25 per cent of the affiliated church members are unsaved; then more than 60 per cent of the people of North Carolina above the age of eight years are lost. North Carolina, therefore, is not half Christian.

Since 60 per cent of the people in North Carolina are lost, they need the Saviour. State Missions provide a Department of Evangelism under the capable leadership of Dr. Julian S. Hopkins that seeks to inspire pastors and churches to evangelize their communities.

A more highly developed and intelligent congregation demands a better trained pastor. Through State Missions we support our schools of higher learning. Last year 160 pastors received better training at Fruitland. Refresher courses are offered at Mars Hill each year. Approximately 500 attended during this week of Christian study and fellowship last summer.

Other areas of need constantly challenge the resources of State Missions. namely:

1. Request for lot and pastoral aid in 1961 amounted to $170,000.
2. The Christian Action League (formerly, Allied Church League).
3. The silent people, 5000 of them beckon to our care, love and concern.
4. Caswell Assembly and Fruitland Camp are supported by State Missions. Approximately 8000 people attended these assemblies last summer.
5. Other ministries are summer student work, Ministry through service institutions, Separation of Church and State, and Seminary Extension Centers.
6. State Missions invested $65,000 annually in the development of Associational Missions.
7. We also have supported by State Missions the Department of Church Planning.
8. State Missions promote a Baptist Student Program among 24,000 sons and daughters from Baptist homes who are attending the many colleges, universities, business schools, and medical and nursing schools of our state.

We must see multitudes as Jesus saw them—doomed and damned. Remember we are Eternally committed to the challenge, "Go ye into all the world . . ." Remember State Missions offering the 17th of

September, the Third Sunday of September. The Budget for this year totals approximately $915,000. Let's meet this, yea, even more to advance the Kingdom of God in our State.

JOHN R. WILLIS, Jr.

10. Report on Home Missions—read by Mr. Jack Lewis in the absence of Miss Harriett Murray.
Report adopted.

Report on Home Missions

America is your mission field. Many millions of her people are lost. Multitudes of these live in remote areas or belong to minority groups where there is no Christian witness. Most of you will never go to "the ends of the earth" but the "ends of the earth" have come to you.

Every Home Mission Activity is centered in your church. Every Home Mission Program is your responsibility. The Home Mission Board exists because of your Gifts and Prayers and Desires to reach souls for Christ. You can magnify the Ministries of your church in missions and evangelism in the homeland through the Home Mission Board. Your church through the Cooperative Program makes possible the evangelism program. A Church-centered year-round program of personal witnessing trains church members in soul-winning. We are telling and training the Negroes through the National Baptists; the Soldiers through our chaplains; also reaching the Outposts of Cuba, Panana, Canal Zone. Your church is able to conduct Extensive Church Community Surveys all over our land through the Survey Department. These surveys pinpoint the lost, unaffiliated, reavealing where churches and missions are needed. The work with the City Missions shows to us the work we need to do with our Jews, juvenile rehabilitation and in rescue Missions. This Department has and does help in church loans in providing adequate buildings and equipment.

We are engaged in a tremendous campaign for 30,000 new Missions and churches by 1964. We are pioneering on to the Western States. There is work with over 15 million in the language group we also are helping with Indians in this territory, the deaf people are reached by missionaries, also by Sermons on film in sign language, then the migrants are reached by Missionaries in Mobile Units traveling from place to place with them. In the Summer there are more than 470 colleges and seminary students working for ten weeks. The rescue Mission is not a church, but rather it is church members working to win unbelievers to faith in Christ and to Christian living the ones who have wandered into sinful living. These are the churches responsibility and the rescue Mission is the Arm of Service through which these can be evangelized.

The Home Mission Board is 115 years old. About one-third of all Baptist churches in Southern Baptist Convention has been helped by the Board.

There has been 1,378,286 professions of Faith reported since the Board organized in 1845. For every $48.94 given for Home Missions there was one Baptist reported.

Of every Home Mission dollar, 96.5 per cent goes directly to mission service and only 3.5 per cent is spent for administration and office expense.

Other statistics from 1959 annual report shows 2,096 workers, in-

cluding summer students. We have 1,626 Home Missionaries reporting 47,793 professions of Faith. There was 118,362 sermons preached, with 184,456 Bibles and Scripture portions distributed. There was 6,752 dedications for special services. There was 672 new Missions started, 330 new churches constituted. There are 419 Chaplains on active duty with 13,193 professions of Faith reported.

HARRIETT MURRAY

11. Report on Foreign Missions—read by Mrs. Ed Brogden in the absence of Mr. Tom Rickman.
Report adopted.

Report on Foreign Missions

The Foreign Mission Board of the Southern Baptist Convention continues to advance as churches and individual Christians seek to carry out the Great Commission of our Lord. As of July 15, 1961, 1,539 missionaries are engaged in missionary activity in 45 countries. In cooperation with the Baptist Jubilee Advance, the Board expects to have 2,000 under appointment by 1964.

There are two outstanding factors in the work of the Foreign Mission Board. the first is **personel**. The Bible says, "How can they hear without a preacher; and how can they preach except they be sent?" The need for more missionaries is great. Constantly, the cry for more workers comes to the Board from many sections of the world. Let us pray the Lord of the harvest that He may send many more into the fields that are white already unto harvest. The second outstanding factor is **money**. If more missionaries are to be appointed, more funds will be needed to carry on the work. It has been said that only 5 cents of the offering-plate dollar from the churches go for Foreign Missions. Latest figures show that only 17 per cent of all gifts from the churches go for all missions and benevolences. The Foreign Mission Board is largely dependent on the Cooperative Program for funds to carry on its work. Many of our churches do not give through this channel, and many do not receive special offerings. During the associational year 1959-1960, 13 of our churches gave through special offerings the sum of $1,575 to Foregin Missions. It is hoped that more of our churches may see the need and lend a helping hand in this important phase of our work.

May I say in closing that there are a few things that each church can do to help strengthen and enlarge the work of the Foreign Mission Board. First, the churches should inform the members of the needs in all parts of the world. Second, churches should lead their members to pray for the missionaries, the work of the Board, and for more missionaries. Thirdly, each church should challenge some of its young people to enter some type of foreign mission work. Fourth and last, each church should place an amount for the Cooperatipe Program in its budget and also make designated gifts when the emphasis are given during the year.

Respectfully submitted,
TOM RICKMAN

12. Report on the Cooperative Program—Mrs. Fred Jones.
Rev. Harold Cole, who had been student worker with our Baptist Colleges, but taking the position vacated by Mr. Claude Gaddy, stated: "We will advance or we will die. Christianity and Com-

munism are the two forces vieing for out attention. The gospel has come to us only on its way to others. You must give the gospel away or you must give it up. The base of all missions is the local church and the channel is the Cooperative Program." Report adopted.

The Cooperative Program

The Cooperative Program, adopted in Memphis in 1925, has its roots in the Great Commission. It combines all of the resources of Southern Baptists into an economical organization for carrying out the commission Jesus gave to us to go into all the world. The Cooperative Program is a love line and a life line reaching from the church to the world.

In the Southern Baptist Convention, the Cooperative Program supports 69 seminaries and colleges, 40 hospitals, 34 children's homes and 3,500 missionaries.

North Carolina Baptists did not meet their budget of $4,100,000 for 1960. Not discouraged by failure, we have set a goal of $4,400,000 for 1961.

Macon Baptist gave $13,233.27—an increase of about $1,000 over 1959. An encouraging fact is that in 1959 16 of our churches gave nothing to the Cooperative Program, whereas in 1960 only seven failed to respond.

Some of us seem to agree with the man who was tired of making payments to the Cooperative Program every year and was in favor of finding out how much his church owed and paying in full. Our debt to God is never paid in full.

We need to educate our people concerning this great program. Its needs are manifold. Its work is limited by a lack of funds and not by a lack of fields. Thus, every church that increases its giving increases its efforts for Christ.

The Cooperative Program is money, people and work. It is dedicated money given by God's people to do God's work.

LENGTHENING OUR CORDS THROUGH BENEVOLENCES

17. Children's Homes Report—Mrs. Ruby Young.
Dr. W. R. Wagoner, Supt. of Baptist Children's Homes, told us

when we contributed to the Homes we are helping children who have no other means of being cared for. In all that North Carolina Baptist seek to do is the redemptive plan of God. Things we can do: Visit, pray, give, open our home for foster children, have visiting home on holidays and vacations, sponsor a child. Dr. Wagoner stated that there is a need for a Home in Western North Carolina.
Report adopted.

Baptist Children's Homes

The Baptist Children's Homes of North Carolina is a benevolence that should be close to the heart of every truly serving christian. Remember Christ's words, "Suffer little children, and forbid them not, to come unto me, for of such is the Kingdom of heaven", Matthew 19:14, And again in Matthew 18:3, "Except ye be converted, and become as little children, ye shall not enter into the Kingdom of heaven".

Therefore how can we love God and fail to have part in the ministry of Child Care that Jesus Himself expects us to do.

The Baptist Children's Homes of North Carolina are providing love and care for more than 800 deserving girls and boys, annually. These are neglected and dependent children that can be made into useful citizens of the world and of God's Kingdom.

Boys and girls live at Mills Home, in Thomasville, the oldest Baptist Children's Home in North Carolina, admitting its first child November 1885, at Kennedy Home in Kinston, opened in 1914, and Odum Home at Pembroke, taken into Associational work, January 1958. Also 125 children live in Christian Foster Homes throughout the state. Another phase of the work is financial grants given to mothers who have lost husbands and fathers in the home, to enable them to keep and care for their own children.

The past year it became necessary to reduce the number of children in Foster Home Care by 35 boys and girls because of lack of money. We now have 127 children in Foster Homes. Many types of service to children are being delayed for lack of funds.

The financial support for the past year came from the following services:

Thanksgiving offering	33%
Cooperative Program	32%
Once a Month Offering	18%
Special Gifts and Endowments	17%

Members of the Board of Trustees, of the staff and boys and girls, wish to thank each one who had a part in the support of these Homes. They have love, care, and the necessities of life because North Carolina Baptists believe in Christ's work.

One-third of the support of the Homes comes from the Thanksgiving offering. The goal this year is four hundred thousand ($400,000), Let us help this become a reality.

The newspaper keeping the public informed on the Child Care Program is "Charity and Children". It is published each week by the Baptist Children's Homes. Through this service we may really know what is being accomplished through this Christian agency.

Only through the Prayers and financial support of the many Bap-

tists throughout the state can our Child Care Program reach out to meet the ever growing need of dependent children.

MRS. RUBY YOUNG

18. Homes for tht Aging Report—Rev. Jack Lewis.
Rev. W. A. Poole, Supt. of Homes for the Aging, told us that additional space is in the making, and more aged people could be taken care of when the facilities are taken care of. He also told us the requirements for entering the homes.
Report adopted.

Baptist Homes for the Aging

How thrilling it is to minister to the aging in our midst! North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their three homes—Resthaven and the Hayes Home in Winston-Salem, and the Albermarle Home in Albemarle.

With 130 people waiting for admission at the present time, lack of rooms is one of our most acute problems. North Carolina Baptists, however, are definitely doing something about this situation. The Hamilton Home, now under construction in Martin County, is proof-positive. This, our friends, our fourth Home, will provide for 30 additional residents. It is hoped that the Hamilton Homes will be ready for occupancy no later than the first of January, 1962. A debt of $275,000.00 has been assumed on this Home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Saltm. There is no further expansion of desperately needed additional facilities anticipated until the major portion of this debt is paid. Special Day Offerings and gifts from the churches should, therefore, be increased greatly in order that we may go in the great task which is ours, and that we might meet the ever-increasing demands of the aging among us as quickly as possible.

We are now in the eleventh year of operation, and the past year has been a great one and a good one. Twenty-six new residents have been received and are now finding happiness and peace, love and security, in their new home.

The Special Day Offerings and special gifts are running 5% ahead of last year's contributions, and we are profoundly grateful to each church and to each individual for the liberal support to the wonderful cause which we represent.

The appointment of Mr. C. O. Weaver of Greensboro, N. C., as Business Administrator of the Homes has proven to be of the greatest blessings of the past year. This dedicated layman is striving with unusual ability and insight and is making a splendid contribution to the work.

The average age of our residents is around 80, and we rejoice in the fact that the life-span is incrtasing for them. We are exceedingly grateful that one of them, Aunt Fannie Drumwright, reached her 100th birthday on June 6. She is the first resident in our North Carolina Baptist Home to attain this remarkable milestone. She is the living example of the years that are actually being addtd to a person's life by the loving-kindness of North Carolina Baptists through the tender care of our Homes.

One of the most wonderful gifts ever made to the Homes is now

coming to fruition. It is the handsome duplex apartment, made possible through the generosity of Miss Roxie Sides of Winston-Salem. This new facility, now under construction on the Reynolds Park Road site in Winston-Salem, will be occupied in the fall, we hope, and will open an avenue for four additional people.

Along with our many blessings have been the moments of bereavement which have saddened our hearts, but we have soon been lifted up in the knowledge that God has called His own unto Himself. During the past year the following persons have been called to the Heavenly Home: Mr. Charles V. Pegram, Mr. Jack Stanley, Mrs. Bertha King, Mrs. Leona Wade, Mrs. Bertha Swindell, Miss Cora Byrd, Mrs. Lillie Scott, Mrs. Louise King, Mrs. Lillie Gilts, Miss Lucy Stout, Mrs. Mattie Owens, Mrs. Mary Clontz, Mrs. Ida Ayers, Mrs. Rose Blanton.

The happiest times in the Homes ever are when friends and members of our North Carolina Baptist Churches visit us. We extend a cordial welcome to come and see first-hand the things of great Christian significance that are being experienced daily in our Homes and that can never adequately be described on the printed page.

Pray for us, visit us, and continue the same splendid support in the future that you have so graciously given in the past. Remember that we cannot go on without the love, the fellowishp, and the help of every North Carolina Baptist.

Respectfully submitted,
JACK LEWIS

19. Baptist Hospital Report—Rev. L. A. Howard.
Dr. W. K. McGee, Director of Denominational Relations of the Baptist Hospital, discussed the needs of the Hospital. New Buildings for our schools—Nursing, Pastorial Care, Schools of Technology. Outpatient and Children's Departments are greatly overcrowded.
Report adopted.

Report on North Carolina Baptist Hospital

Our Baptist Hospital continues to try to serve our people in the fullest measure possible. Last year it provided its largest number of days of hispital care and saw the largest number of patients in the Clinics—78,000 visits to the Out-Patient Clinics, from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

SOME OF THE NEWER SERVICES

The New Progressive Care Unit was opened in March, providing 80 beds for patients who do not require the more expensive and intensive care of the regular hospital. This is a new and advanced step in hospitalization and patients are highly pleased with it. The Hospital's one regret is that at the present time it does not have money necessary to open it to Service Patients.

A new type of unit for the sterilization of surgical and other equipment by gas was recently installed. This is more effective than the older methods used in the fight against infection, which is a constant problem in all hospitals. In the X-ray Department a rapid film developer is now in use which greatly speeds the preparation of X-ray films.

One of the most recent additions is a Pastors' Library given by Mrs. Walter M. Williams of Burlington in memory of her noble

Christian husbands. All pastors and others are invited to ask about this excellent collection of religious books and to use it when they visit the Hospital.

THE MOST URGENT NEEDS

Among the many needs of our Baptist Hospital, there are some which are acute. One of the most pressing needs is a building to provide classrooms and other facilities for the eight schools operated by the Hospital. These schools are training urgently needed medical personnel and Christian workers in addition to doctors. They are badly limited and handicapped for lack of room.

The need for enlargement of the overcrowded and seriously limited Out-Patient Department, Children's Center, and Psychiatry section of the Hospital is urgent. The need is far beyond the present facilities in each of these departments.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more and more acute. We cannot emphasize too strongly the importance of this Fund and the need for our churches greatly to enlarge their Mother's Day Offerings.

A new opportunity to help meet this need is now open in the Service Patient Endowment Fund. This is a permanent endownment invested by the Hospital's Trustees with all of its proceeds being used for tht help of Service Patients. Gifts in any amount can be made at any time. A gift can be made in one's own name, in memory of a friend, as a memorial to a loved one, or the Endowment can be placed in one's will. All gifts will be gratefully received, appropriately acknowledged, and a permanent record kept of each one. We hope you will think and pray about this and that many will take advantage of this opportunity.

Respectfully submitted,
L. A. HOWARD

24. Finance Committee report—Rev. R. R. Stndley.
Report adopted.
A suggested budget for the coming year was presented by the Finance Committee.
Budget adopted.
A recommendation was also presented by the Finance Committee.
Recommendation accepted.

Report of the Finance Committee

During the year your Finance Committee has met several times. They have prepared and sent out to the churches three letters having to do with the financial affairs of our association. We are happy to state that the work of last year's committee has born good results in more generous giving this year by the churches, and that our own letters resulted in good responses from the churches. You will notice that for the first time in many years our Association has no outstanding debts and even has a small balance on hand. Your Finance Committee wishes to present its congratulations to the churches and to this session of Macon Baptist Associaion.

There are only three changes in the budget to be suggested by your Committee. A token increase of $100.00 per year in our Field Worker's salary and $25.00 in his retirement payment are small steps toward better standards and self-respect for our Association. They indicate, also, at least a recognition on our part of the importance of the work of our dedicated Field Worker.

The item for copies of the minutes which our Association distributes to other Associations and to State and Southern agencies is raised from $50.00 to $60.00. This is because the cost of the printing of these minutes is estimated at 70 cents rather than 55, as was the case last year.

The suggestions of your Committee for the extent of the churches' giving does not take the form of a statistical table this year. We make two suggestions, already presented to the churches through letters to their pastors and clerks. The first is to the churches which have contributed this year. It is that they increase their giving by 10% over what they gave this past year. If they cannot increase by that much, we feel that an increase, however small, would be of great value to our Association, not only because we need a larger income, but also because it would be a proclamation of support to the Association which would serve as encouragement to weaker churches.

The second suggestion is that the churches which have not given anything to their Association during the past year, should make their reasonable contributions to the Association of which they are a part this year. We would point out that to send money to our Associational treasurer for minutes is not, in any way, a contribution to the expenses of Associational Missions. It is only the **payment** for copies of

minutes purchased. In fact, this past year the Associational treasury paid a small amount on the minutes you received, because the cost of printing exceeded what we asked as payment from the churches. It is clearly not enough for the self-respect of a church that only participation in our Association should be to send messengers to the annual session, and not contribute any of its money (its money which is the Lord's) to the support of its Association. Your Committee feels that the churches which do not contribute any amount to Associational Missions do not do so only because it has not been brought to their attention that the first step in cooperation with other churches of the same faith and order is to cooperate with money, which is the symbol of all our efforts and desires. Therefore, may we strongly urge the pastors, church clerks, Church treasurers, deacons, Sunday School superintendents and teachers to return to your churches with the strong suggestion that each one which has not contributed this past year, do so this year. This is a step toward self-determination of our churches, and greater strength for our Association.

25. Report on Civic Righteousness—Rev. J. H. Propst, Jr.
Mr. Fred Dies, representing the Christian Action League, brought a message on temperance. He said there are three things of great concern: (1) The increase of indecent reading materials. (2) The number of increased narcotic addicts. (3) Beverage alcohol, 75% of adults in the world do not drink, but 62% in America do drink. He also said that we need to pray, stand up as a Christian, stand for what the Bible stands for and stand against all it stands against.
Report adopted.

Civic Righteousness Report

To bring a report on civic righteousness today may make one seem like a prophet of doom. As we consider this brief report, we may well take heed to the words found in Isaiah 50:22, "Now consider this, ye that forget God, least I tear you in pieces, and there be none to deliver." Let us, then, take heed to some facts of our time, and devote ourselves more completely to God to help transform a depressing situation into the paths of righteousness.

In the public schools in many parts of our land,, it has become fashionable to undermine respect for orthodox Christianity. The evolutionary concept of creation has found its way into nearly all the textbooks used for courses to survey human history. The onslaught of secularism continues unabated, with deliberate focus on young people in our land. Movie ads, paperback books and television flaunt violence and sexuality.

The year 1960 set a new all-time high in recorded crime volume, exceeding the rate for 1959 by 12 per cent in cities of more than 25,-000 population. Youthful criminality in rural areas for 1960 exceeded the previous year by 15 per cent. Juvenile crime in small cities increased by 5 per cent and in large cities by 7 per cent during 1960 over the previous year.

Alcohol continues to be a major blight on our nation. It is reported that there are currently 5 million alcoholics in America, including all the stages of alcoholism, and that 20 per cent of these are women. There are 65 million alcoholic beverage users in the United States, with drinkers crossing over into alcoholism at such a rate that in the foreseeable future there will be an alcoholic on the average of one per family. Alcoholics in the United States now number six times as many as there are cases of cancer, eleven times as many as there are active cases of tuberculosis, and one hundred fifty-five times as many as there were polio cases in the nation last year.

"Righteousness exalteth a nation: but sin is a reproach to any people" (Proverbs 14:34).

J. H. PROPST, JR.

ANNUITY BOARD
Of the
Southern Baptist Convention
1961 Associational Report

NAME CHANGE

The Relief and Annuity Board no longer exists—name-wise that is. The official name is now **Annuity Board of the Southern Baptist Convention.** Deletion of the words "Relief And" from the title was approved at the 1960 Southern Baptist Convention in Miami, and made official in March of this year, when trustees of the Board voted to change the Board's charter, incorporating the new name. Baptists over the Convention are urged to use the Board's new name.

NEW MEMBERS

Total new members in all the Annuity Board's plans in 1960 increased by nine per cent over 1959, with the largest increase, 2,053, being in the Southern Baptist Protection Plan. Total membership stood at 22,578 on January 1, 1961. More than 4,000 of the churches participating in the protection program are paying the full 10 per cent dues. This is an increase of 17 per cent over the previous year.

On April 1, 1961, six states had enrolled more than 70 per cent of their churches and pastors in the protection program. District of Columbia had the highest percentage, 94. Seven states were in the 60's, per centage-wise, and 11 showed a participation of between 50 and 60 per cent. The remaining three were above the 45 per cent mark. Average participation of all states was 63 per cent.

BENEFITS

Benefits amounting to $2,754,613.60 were paid to more than 5,200 retired and disabled ministers and denominational workers or widows during 1960. A little more than 4,200 of these were beneficiaries of one of the Board's retirement plans, and the rest were on the relief rolls. Four hundred forty-six were new annuitants, added in 1960. Since the Board's beginning in 1918, it has paid out benefits totaling, $34,425,100.55.

FIELD WORK

Fifteen field representatives now serve 22 states in the Convention. The continued increases in new members in the Board's protection program in recent years can definitely be attributed to the work of education and promotion being carried out by these men within the local churches and associations.

Rev. R. T. Greene, field representative for North Carolina, has his offices at the state headquarters in Raleigh, — mailing address, 301 Hillsboro Street. He will be glad to try and arrange a time when he can come to your various church or associational meetings to talk about the Annuity Board's ministry. Rev. Greene is available also for personal conferences with pastors or church leaders. Write him for arrangements.

OFFICERS OF THE ANNUITY BOARD

Administrative officers of the Board are: R. Alton Reed, executive secretary; Floyd B. Chaffin and L. T. Daniel, associate secretaries; Fred W. Noe, treasurer and investment director; Owen Henley, assistant director of investments and Mable H. McCartney, registrar.

Four churches in Macon County participate. They are Highlands First, Franklin First, Holly Springs, and Iotla.

27. Historian's Report—Mrs. I. T. Peek.

Report adopted.

Origin and Early History of Our Macon Association

Our Baptists were among the first comers to this area, and began to plant churches. It is believed that Three Forks Baptist Church in what is now Watauga County, was the first church established West of the Blue Ridge and East of the Smokies. This church was organized in 1790. The membership consisted of eight members.

In 1807 the French Broad Association was formed. At that time, there were about eleven Associations in Western North Carolina with 180 churches, and about 12,000 members.

In 1821 Cullowhee Baptist Church was organized with ten members. They met in a small log structure on the banks of the Tuckaseegee river. Cullowhee Baptist Church helped to organize other churches in the nearby neighborhood, among which were Scott's Creek, Savannah, Cany Fork, Oconee Lufty, and Tuckaseegee.

Other Baptist Churches West of Balsam were rapidly established. Franklin Baptist Church in Macon County was organized in 1822 with twenty members.

The next Baptist Church established West of the Balsams, was the one at the head of the Tennessee River in what is now Rabun County, Georgia in 1827, with twenty members. Soon other churches were established. Sugarfork was organized in 1836 with twenty members. Burningtown church was organized in 1839 with 19 members. This church grew rapidly.

In 1829 delegates from several churches in the counties of Haywood and Macon met at Colluwhee and organized the Association which was called "Tuckaseegee Baptist Association". The text of the sermon was Eph. 4:3. The preacher was Rev. Humphrey Posy. His subject was "Unity and Cooperation".

At this time Jackson County had not been formed. Cullowhee was then in Macon County. In 1930 there were 9 churches in the Association with 367 members, and 5 ordained ministers. In 1863 a committee was appointed to select a suitable location for a High School, to enable the young pastors to get a better education. Holly Springs was chosen as the most desirable place. Property was purchased and the building erected.

In 1886 the churches met and formed new Associations. There were 14 churches in Haywood County, 16 in Jackson, and 12 in Macon.

In 1828 Cowee Church was organized with 15 charter members. The new churches organized from 1830 to 1840 and admitted to the Association were Shoal Creek, Crabtree, Coweeta, Brush Creek, Savannah, Sugarfork, Lufty, Deep Creek, Cany Fork, Burningtown and Springs

Creek. These churches were all in the counties of Haywood and Macon. Jackson and Swain had not been created.

In 1879 there were 2959 members against 337 in 1829 with 28 ordained ministers, only 5 in 1829 when the Association was established. Cowee reported tht largest membership of 190. Tuckaseegee River was the line between Haywood and Macon County. In 1879 a full time Associational Missionary was appointed, Rev. W. Ensley was the first Missionary employed. There were 4214 members in 75 years.

"They builded better than they knew."

Today many Associations have come out of this Tuckaseegee Association. Macon Association consists if 44 churches with a total membership of about 7327 — 7025 in 1960.

This Association was organized in 1904. The Lord has greatly blessed our Association this year, adding many members to our rolls. Necessary buildings have been, and are being erected to make adequate space. Some of our churches have a sizeable building fund, others are beginning a building fund.

Some are adding new furniture, others landscaping their grounds, constructing driveways and parking spaces. Some are insulating their buildings and have, or will be installing modern hearing equipment. An acre of land has been purchased for pastor's home on Cartoogechaye. Bethel Hill church ordained Austin Jacobs to the Gospel ministry. Sugarfork ordained Jess Cunningham.

Macon Association enjoyed and benefited by a Seminary Extension this year. 43 churches gave to the hospital on Mother's Day.

On Dec. 1960 West Franklin Mission was organized. This Mission grew out of a Sunday School class that had been started in July. There are about 100 members enrolled and is sponsored by the First Baptist Church of Franklin. Our Field Worker, Rev. C. T. Taylor, organized and has cared for this mission to the present. Mr. Taylor is very active among the Associational churches, showing color slides of the building programs now in progress over the county, depicting missions in the Association. This mission will be organized into a church September 1, 1961.

East Franklin Mission is also sponsored by First Baptist Church of Franklin. They have an enrollment of 58 members, they have had 111 book study courses, 2 Bible Schools—grade B, and 2 revivals the past year. This Mission will be organized into a church September 10, 1961, they had 15 members 1 year ago.

Let us continue to move forward in the service of our Lord.

Respectfully submitted,
MRS. I. T. PEEK, Jr.

32. Report on Evangelism—Rev. L. A. Howard.
Rev. Howard also discussed Evangelism and asked this question, "What did you do as an individual in leading someone else to Jesus Christ?"
Report adopted.

Report on Evangelism

Evangelism is the purpose of the church of Jesus Christ in the World. The church is a lighthouse to guide those outside the Kingdom of God safely into its folds.

For the year ending June 30, 1960, the churches of Macon Baptist Association reported 36 revivals, resulting in 236 baptisms and 128 additions by letter. This is a ratio of 1 profession for every 30 church members.

For the same period ending June 30, 1961, reports reveal 39 revivals, with 217 baptisms and 136 additions by letter. This gives a ratio of 1 profession for every 33 church members.

During the associational year just ended, your committee on evangelism participated in the following: promoted a week of study in evangelism by each church prior to its revival. Good results were reported.

Dr. Julian Hopkins and Gary Harthcock led in a clinic on evangelism January 12 at First Baptist Church, Franklin. This was in preparation for the Baptist Jubilee revivals of 1962. Attendance was good.

There was a seminary extension course in evangelism taught one night each week from October 10, 1960 to March 13, 1961. The last four weeks of the course dealt specifically with "Personal Evangelism".

At the Pastors' Conference of April 16, 1961, the associational chairman of evangelism delivered a message on different means of evangelism.

May each church member in Macon Baptist Association resolve to lead at least one person to Christ this year.

Respectfully submitted,
L. A. HOWARD,
Chairman of Evangelism

Lengthening Our Cords Through Education

33. Student Union Report—Mr. Raymond Southard.
Report adopted.

Baptist Student Union Report

The Baptist Student Union of North Carolina is the ministry of our denomination to Baptist students on both Baptist and non-Baptist college campuses. The Baptist Student Union functions to remind each student of his responsibility to Christ, his church, and his denomination; and of his obligation as a Christian citizen to the world in which he lives. The Baptist Student Union also provides inspiration, information, and fellowship which create the spiritual climate essential for Christian growth while in college. BSU organizations in 28 North Carolina colleges and 13 schools of nursing seek to promote the religious growth and spiritual development of individual students—

through sustained Bible study, prayer, personal soul-winning, mission activity, meditation, workship, fellowship, and active church life.

These aims are put into action through several activities on the college campus. BSU'ers sponsor daily vesper services which encourage meditation and prayer. A yearly retreat brings together a group of students who love Christ, and who are interested in leading in His work. These retreats bring new ideas together, new and vital friendships are made; and vigorous plans for the betterment of Christian life on the campus emerge from these meetings. Also, BSU mission teams visit underprivileged people throughout the year, helping them to gain renewed life in faith through Christ. BSU'ers work in missions, in revival teams, in local churches. Students studying for the ministry and preparing for Christian education have excellent opportunities for Christian service and practical experience. Discussion groups, prayer services, and choirs are further examples of Baptist Student Union activities.

One BSU member has said "A deeper meaning for life, a realization of the true value of close friendships, a gradual understanding of how I might best serve my God, and a faith founded upon knowledge, understanding, and experience—such are the significant contributions of BSU to my life." And in like manner, such are the words of hundreds of other BSU'ers. However, there are many college students, non-Baptist as well as Baptist, who do not benefit from the Baptist Student Union. Why is this so? The college freshman is met with a great variety of activities and people during the first weeks of his college experience. He is faced with new decisions, and his faith and morals are often put to a strong test. This is the time when a student should be a member of the BSU group, meeting with those who have experienced his problems and who can provide valuable help and advice.

However, many students do not receive such help, because they are not acquainted with the BSU program. This, of course, is partly the student's fault, but I would like to take this opportunity to say that some of the blame can be placed on the home churches. Before a student leaves for college, he should have conferences with his pastor and other church members who can advise him on the problems he will be facing. The student should be acquainted with the BSU program and urged to participate in it immediately on his arrival at his college. Again, this calls for responsibility on the student, as well as the church. Our high schools have extensive programs to prepare students academically for college; the church should seek to develop more programs to prepare students spiritually for the trials and bewilderment of collegiate life. Before a student can successfully participate in the religious programs of the school, he must be acquainted with them and have a desire to continue his religious activities.

Each church can have a role in preparing young people for college life, and in supporting the BSU organizations across the state. Your church can help by supporting the Cooperative program, having an "Off-to-College" emphasis in the church; providing subscriptions to THE BAPTIST STUDENT for all young people away from the church; and, most of all, praying constantly for the young people and for the ministry of the Baptist Student Union.

Financial assistance, too, is needed in thousands of dollars for new centers and completion of BSU centers in schools across the state. Enrollment in colleges is increasing more rapidly each year; prepara-

tions must be made to expand Christian education and influence to meet these new students. The college students today are the people who in the not-so-distant future will channel the fate of the world into peace or into international chaos. The Baptist Student Union provides strong Christian leaders, and this is why the BSU ministry is so important.

Students and the Baptist Student Union need your prayerful support; they desire it; they must have it if they are to be better Christians and more steadfast followers in the path of Jesus Christ.

RAYMOND SOUTHARD

Report of Associational Music Committee

The Associational Music Committee sponsored two hymn sings during the past year, one at Franklin First, and one at Longview. Choirs, quartets, duets, and solos were furnished by various churches of the Association, and both were well attended. Only one church, Franklin First, participated in the Regional Choir Festival with three choirs. We would like to see more choirs entered next year and the Music Committee will be glad to help any choir which would like to participate. Please call on the Music Committee at any time we can be of assistance to the music program of your church.

36. Christian Education Report—Mr. Harry Corbin.

Report on North Carolina Baptist Colleges

You will note that in giving a title to this report it has been defined as "Report on North Carolina Baptist Colleges." Such terms as "Christian Education," "Christian Higher Education," and "Baptist Colleges" are in common usage today. They are not exactly synonymous. We usually refer to Christian education in the broader sense, denoting every type of training and activity which we provide in our homes, churches, communities, schools, colleges, and seminaries for the purpose of Christian growth. Our goal then should be to provide our children from very birth with an environment that is totally Christian.

Such a concept requires that we make the training in our homes and churches Christian in every aspect as we prepare our youth for college. Many difficulties and failures in college could be solved and overcome if in the earlier years young people were spiritually prepared. It is, therefore, imperative that the home, the church, and the college work in closest cooperation as a team, each fulfilling its particular responsibility.

But in this report we are more directly concerned with the role and ministry of our seven Baptist colleges—Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate.

We are not satisfied to be only a good college, nor even a good **Christian** college. There must be the added characteristics which are distinctive to the Baptist faith. Herein is our reason for being. Our colleges should offer opportunity for a thorough study of Baptist history and doctrine to all its students. Perhaps such courses should be required by those who are in training for church-related vocational service.

State colleges, by their very nature, work under certain restrictions which prevent them from doing this task. Of all people, Baptists do not expect the state to teach religion in any form. We have said throughout our history that this is the responsibility of the church. Our state colleges must deal with the so-called secular emphasis in life, having education for education's sake as their goal. Into this vast sea of secular education, Baptists with our homes, churches, and colleges must witness to our faith as it relates not only to the means but also to the ultimate ends of life.

The principal characteristic of a Christian college is to be found in the men and women who constitute its personnel—not in buildings and subject matter, or other non-personal features. These people in our colleges constitute the very fabric into which every worthwhile experience must be woven. These are the people who are determining largely the kind of Baptist denomination we shall have in the future. It is becoming increasingly difficult each year to secure these dedicated and well-trained people to work and teach in these colleges.

Now let's look at the young people who are living in these seven college communities for the greater part of each year. There are approximately 8,000 regular students enrolled, with another 2,000 who do special work and come for summer school. Two-thirds of these are Baptist young people and the other third young people of other denominations. We are happy to help this group from the other churches because three-fourths of all Baptist youth in college are in other than Baptist colleges. We must never forget that three out of every four Baptist youth in college must look to some college other than our seven Baptist colleges, and we are deeply concerned for their welfare also. This is why we must be careful to continue to provide a good ministry through the Baptist Student Union in all colleges along with and in addition to the work in our Baptist colleges. Also, we should never place requirements on those students of other denominations in our seven colleges which we would not want imposed on our Baptist youth attending other than Baptist colleges. These are important matters which are often overlooked by critics of our Baptist colleges. Of the Baptist students attending one of our seven colleges, **one out of eight** students is preparing either for the ministry or some other church-related vocation. Here we find our Baptist seed corn for the kind of Baptist harvest we may expect to reap in the future.

The annual operating budgets of these seven colleges total between eleven and twelve million dollars. Students pay some over half of this total and Baptists through the Cooperative Program this last college year paid about five per cent of the operating costs. In addition to these two sources, students and Baptists, other sources provided nearly one-half the operating costs. Other sources include endowment income, net earnings from such auxiliary enterprises as dormitories, dining room, student centers, etc. In addition to these costs for operation, the seven colleges are spending several million dollars each year

in expanding and improving their physical plants and equipment. For the last ten years our Baptist people have provided an average of $500,000 each year to help with these capital outlay costs.

In these financial matters we have heard much discussion in recent years. The special Convention Committee of 21 members brought its report to the special session in Greensboro on May 4, and all the report and actions taken relate to this matter of trying to help these seven Baptist colleges meet the growing needs of these young people. The proposals of the Committee and the recommendations adopted by the Convention are aimed at helping in both operating costs and capital outlay or plant costs. The operating needs would be helped by freeing all the regular Cooperative Program funds for operation only, which would almost double the present five per cent, or give the colleges some $1,200,000 each year to aid in operation. The special Convention approved this idea by adopting a Program of Advance for the next three years, 1962-64, through the Cooperative Program. The carrying out of the proposed program in full will give the colleges in the next three years more than $8,000,000 for plant expansion and improvements and nearly $1,000,000 for new student centers in other colleges for our Baptist youth. Also, the colleges are urged to continue their special fund raising efforts from every source other than in the Baptist churches. At no time in their history has there been greater interest in the importance of the work of these colleges among our Baptist people and all of us should join in this significant undertaking. As Baptists, we have different opinions as to how we may best proceed to do our work, but of greatest importance is the fact that we recognize the needs and set about doing something to meet them. Now what can you do to help?

(1) Be informed and concerned. Read about our colleges, visit them, become acquainted with the administration, faculty, and students.

(2) Encourage your best students to attend.

(3) Pray for these schools.

(4) Support the Cooperative Program, especially the Program of Advance.

(5) Promote and support Christian Education Day in your church.

For fifteen years North Carolina Baptists have coordinated the work of their colleges through a Council on Christian Education in our Baptist State Convention. This Council consists of representatives of our colleges, the General Board, and our Convention officers. Throughout these fifteen years Mr. Claude F. Gaddy has been the executive secretary. Last January he announced his plans to retire from this position and did so on July 31, 1961. In its July meeting, the Council on Christian Education recommended the election of Mr. A. Harold Cole as its executive secretary and the General Board officially elected Mr. Cole. For four years he has served as director of our Department of Baptist Student Work in our Convention and comes to this position well prepared and as no stranger to North Carolina Baptists.

37. Seminary Extension Report—Rev. J. Alton Morris, Director of the Seminary Extension work in this area.

Report adopted.

Macon Baptist Seminary Extension Center

The Macon Baptist Seminary Extension Center, meeting with First Baptist Church, Franklin, N. C., enrolled 45 persons, 16 ordained ministers, 11 laymen, and 18 women. New Testament 112 was taught by J. H. Propst, Jr., pastor Highlands Baptist Church, 30 completed the course. Evangelism was taught by Robert R. Standley, pastor First Baptist Church, Franklin, 26 completed the course. Carl Poston, pastor of Iotla Baptist Church, served as director of the center and Jack Lewis, Mission Pastor Franklin First, served as registrar and treasurer.

The Macon Center was one of twelve centers in Region Ten. This is a pilot project of the Home Mission Board, the Seminary Extension Department, and the Baptist State Convention of North Carolina, working directly through the Missions Department of the State Convention.

The origional plan was to open four centers. Instead of four centers, seven were opened last October and five later. Of the total, four were in white Baptist Churches, one in Indian and five in Negro Baptist Churches, with a total enrollment of 388 persons, 279 in the white and Indian centers and 109 in the Negro centers. There were 155 ordained ministers, 164 laymen, and 262 women in all the centers. Sixteen well qualified and deeply consecrated ministers assisted in the teaching. Twenty courses were taught with 575 enrolled in all courses, some taking as many as three courses, and 447 credits were given for completion of the courses. Two hundred fifty-eight scholarships of from five to ten dollars were given. The Woman's Missionary Union of North Carolina made 100 of these possible.

This fall we are making plans to open at least eleven centers. These centers promise to be larger and better than last year. This year the Woman's Missionary Union is planning to furnish teachers for eight of the centers. The teachers will teach, contact and give information, particularly to those who are not trained, in the work of Woman's Missionary Union. Also we plan to open as many "Learning-to-Read" centers, or classes, as we are able to enlist pupils to attend. Enlisting non-readers to participate, is our biggest problem.

God has richly blessed our beginning. Pray for a great year this coming year. Plan now to enroll in the center nearest you. Also plan to enlist and enroll others who need this important training.

J. ALTON MORRIS,

38. Truett Memorial Camp Report—Rev. Mason Hudspeth, Manager of Truett Camp.
Rev. Hudspeth stated that the three great needs of the camp are as they have been in the past, namely—Workers—Facilities—Campers.
Report adopted.

Report on the George W. Truett Baptist Camp

The George W. Truett Baptist Camp was open for six weeks from July 3-August 11 of this year. F. Mason Hudspeth was the director. There were a number of other workers from different areas of Region 10.

152 boys and girls attended the R. A. and G. A. camp weeks from 18 churches of the Eegion. Five made professions of faith in Christ; while 71 made professions of fuller commitment to Christ. Offerings of $32.13 were sent to the Foreign Mission Board.

There were $125.76 in the Camp Operating Fund at the beginning of the year. There was an income of $1266.25 during the camp season. The expenditures were approximately $1340.68. (The reason for this approximate is that all of the bills have not been paid since camp is not completely over.) There will remain in the camp fund between $50 and $75 for next year. The reason for this decrease is found largely in the size of the camps. Basic expenses make a week of less than 20 campers come up with a deficit. Also, expenditures for needs such as athletic equipment, bulldozing, stamps, books, health needs, and off-season eletrictity come out of this fund.

Camp improvements consist of cleaning the ground in some areas with a bulldozer. The barracks building was screened with 46 window screens and 3 doors as a gift of Mr. James Penland of Asheville at a cost of about $175.

Respectfully submitted,
F. MASON HUDSPETH

Rev. Standley stated that a mission could not come under the watchcare of the Association, because they were already in the Association through their sponsoring church. Sunday School Report

Our theme for the year was, "Outreach for the Unreached." Rev. Bob Abrams, the district Sunday School Superintendant, held the officers training school in early October. Giving the duties of the officers and stressing the importance of Sunday School in its role as winning the lost, teaching, and training these new converts in Christian opportunities and duties.

We continue to hold Associational wide meetings bi-monthly, after changing from group conferences to panel type discussions interest and attendance picked up.

We had some very good group meetings on the following subjects: "Outreach for the Unreached", "Training", "Visitation", "The Sunday School Roll", Teaching Helps", and "Missions Waits on Stewardship." In addition to these helpful discussions there was always a very inspiring message from our different Associational pastors.

There are still several of our Sunday Schools that are not taking a part and attending these meetings that we feel could benefit and grow by taking part in them.

Let us urge all churches, and certainly all Sunday School Superintendats and teachers to take advantage of this organization to help carry out the mission, "Reaching the Unreached", that God has given us as Christians and church leaders.

Respectfully submitted,
ROBERT PARKER

56. Training Union Report—Mr. Don Seagle read the report in the absence of Mrs. Jack Powell.
Report adopted.

Training Union Report

Three Executive Committee meetings were held during the past year with exceptionally good interest and participation.

The attendance "M" night reached an all time high, with 325 in attendance, however, churches participating and pastors present remained the same, 16 and 8 respectively. Youth Night had 114 in attendance, with 14 church represented and 6 pastors present.

Study Course awards in Category 18 are below what they should be; also participation in the Tournaments. Several from the county attended the Regional Training Union Convention in Andrews and two young people made dedications to Church Related Vocations, should the Lord lead.

Training Union work in the association is far from ideal and more interest can and should be shown by both pastors and laity. Let's work together to make the coming year the very best ever in "Training in Church Membership".

MRS. JACK POWELL

57. Vacation Bible School Report—Mrs. C. T. Taylor.
Report adopted.

Vacation Bible School Report

Four from our Association attended the State Bible School Clinic held at Fruitland February 1-3. Attending were: C. T. Taylor, Mrs. Clyde Collins, Rev. Jack Lewis, and Rev. Lewis Howard. Not only did they attend the State Clinic but they helped with our Associational Clinic.

Did your Bible School workers attend the Associational Bible School Clinic held at First Church, Franklin on Friday, April 21? If not, they missed a great opportunity for know-how in carrying on your school. Those of you who came know the value of these clinics.

Again this year, Mr. Herman Ihley, State Sunday School Supt., Mrs. Myra Motley, State V.B.S. Director, and three State approved workers helped us with our Clinic. It was an all day meeting with lunch served at noon. There were 16 churches represented at the Clinic with 73 present. Excellent conferences were held for workers of each department, the Joint Worship Service was practiced, and many questions clarified.

Twenty-five churches in our association have had Bible Schools this summer with twenty-four reporting. Sixteen churches held their own schools. Six were under the direction of our Summer worker, Miss Alfa Carter, and Mr. Taylor, our field worker, was principal in three schools.

Reports from the 24 churches reporting show a faculty enrollment of 239, pupil enrollment 1,323, professions of faith 58, Mission Offering $299,35, and cost of schools $651.45. We would offer a word of caution

as to the cost of our schools. They are not to be a burden on our churches financially. Especially should care be exercised in the field of creative activity materials. Textbooks and pupil work books are a necessity.

We offer a special word of encouragement to churches who are not providing Vacation Bible Schools for your boys and girls. All churches are reminded each year regarding these schools and we look forward to the time when all churches in the Macon Association will adopt the Bible School as a part of their church activities.

Respectfully submitted,
MRS. C. T. TAYLOR,
Associational VBS Supt.

Woman's Missionary Report

All of us, I suppose, are familiar with the account of the "Good Samaritan," as told in Luke 10. And no doubt, we all have great respect for this good man because of his compassion for one he did not know other than his enemy. There is no doubt in our minds as to how he would have reacted to the need of a loved one or a friend. When we read this beautiful illustration of a man who loves people, who stops during his busy day, reaches out a helping hand to one in need, and helps to relieve pain and want, even to a stranger, it creates a warm spot in our own hearts and we say, "that is the kind of a person I want to be."

On the other hand we are sad, and our hearts are anxious for the two who turned their heads to keep from seeing the need and pain of the poor man who had been left for dead. Even though they were leaders of their church, they did not have time to minister to one in need.

At the conclusion of this story Jesus asked the question as to who was this man's neighbor. And received the correct answer, "He that showed mercy on him." Then Jesus said, "Go, and do thou likewise.

Today, we are told that millions of people go to bed each night hungry, they are physically ill, mentally ignorant, and spiritually blind easy prey for communism, doom, and destruction. They need a good neighbor to bind up their wounds, care for them, and point them to Christ. That is missions. Not only do these conditions exist in foreign countries, but America is a great mission field. We all have friends and loved ones living around us who are lost.

The specific purpose of Woman's Missionary Union is to promote Christian missions through Woman's Missionary Societies, Young Woman's Auxiliaries, Girls' Auxiliaries, and Sunbeam Bands. The plan of work in all of these organizations includes mission study, prayer, stewardship, and community missions.

We would not think that any church whose women do not have a missionary organization are deliberately "going by on the other side." However, it is true that if we are not interested enough in missions to want to find out about these people, who they are, where they live, and under what conditions. If we do not pray for them

specifically, if we do not help them physically, mentally, materially, and spiritually, then certainly we are not like the commendable person used in this illustration.

In the Macon, consisting of 43 organized Missionary Baptist Churches we only have 9 churches with missionary organizations. The 9 WMS organizations have a membership of 294 women. We have 11 Sunbeam Bands with 98 members, 8 Junior G.A.'s with 82 members, 5 Intermediate G.A.'s with 45 members, and 3 Y.W.A. organizations with 13 members. Making a total of 36 organizations with 532 members.

Last year the above organizations reported 74 Mission Classes with 604 Mission Books read. 88 Seasons of Prayer were held for State, Home, and Foreign Missions. Special Offerings given were: State Missions $133.95, Foreign Missions $1,592.89, Home Missions $636.22 and Heck-Jones Memorial Offering $104.50. Making a total of $2,467.56.

During the year there were 4 Associational Executive W.M.U. Meetings held.

Mrs. C. T. Taylor, Assoc. President, attended one session of the State Leadership Course taught by Miss Kathryn Bullard, State WMS Director, at Andrews.

On October 20, 1960 an Associational WMU Leadership Conference was held at First Church, Franklin. Conferences were held for all WMS and Auxiliary workers.

In October 1960 a large number of our Macon WMU Leaders attended the Jubilee Conference at Canton.

The Macon was well represented at the Annual Regional WMU Meeting at Sylva on October 24, 1960.

On November 10 the WMS Foreign Mission Book was taught at First Church, Franklin for all WMS Organizations in the Association. Attendance was good.

A number of girls from the Macon attended Camp Truett last year. Others attended State Camps.

The Annual W.M.U. Meeting was held at the Mt. Hope Church on Wednesday, April 26. It was a good meeting. However, we would like to see more of our women attend the Annual Meetings. Miss Sara Ann Hobbs, State YWA Director, and Miss Vivian Wilson, Home Missionary working in our Good Will Center in Alabama, were our great speakers.

Plans are in the making for the State Jubilee Conference, for the training of local workers to be held at First Church, Franklin on September 12 beginning at 10:00 a. m. All WMU workers are urged to attend.

MRS. C. T. TAYLOR, President

Brotherhood Report

It is with thanksgiving to our Heavenly Father for His love and blessings and with gratitude to our co-workers that this report of the Associational Brotherhood is made.

The purpose of the Brotherhood is to reach our men with a regular

and definite program of work in our individual churches and in the Association. We also strive to enlist them in the promotion of our denominational work.

We have six active Brotherhoods in our Association. These organizations also sponsor the R. A.'s in their churches.

There have been three executive meetings this year with good attendance at each meeting.

Also we have had three mass meetings which were well attended.

We have a great challenge in our association as we think about the number of churches that do not have a brotherhood organization. We pray that during the new year we will see a number of new organizations.

We ask your prayers for our leaders as they face their tasks.

60. American Bible Society Report—Rev. C. T. Taylor.
Report adopted.

Report of the American Bible Society

The American Bible Society has as its single, simple purpose to encourage the wider circulation of the Holy Scriptures without note or comment and without purpose of profit to every man on earth in whatever language he may require.

It is the sole American national and international society organized for this purpose. More than 55 denominations are represented on its advisory board. Its work in the United States and overseas serves hundreds of missionary societies and national church bodies.

Founded in 1816, it is one of the oldest missionary societies in America. The American Bible Society employes four processes in accomplishing its purpose: Namely, translation of the Scriptures, publication, distribution, and promotion of the use of the Bible. This work is done in about 75 countries and territories on 5 continents. In 1960 the Society circulated over 23 million volumes of Scripture, an increase of 5 million over any previous year.

The American Bible Society receives its support from individuals, missionary societies, churches, denominations, and otherwise. About 23.5 of its support come from the churches. It would be well for the churches of Macon Association to have a part in this important work. May we all pray daily for the work of this great work and give as the Lord leads.

FIFTH, to all who helped make this annual meeting successful, again we say thank you. As we return to our homes and places of service, let us go fully determined to use every opportunity in "Lengthening Our Cords".

63. There was a discussion about the heads of our organizations, such as Sunday School, Training Union, etc., be elected ahead of time and they in turn work with Nominating Committee to elect the other officers.
There was a motion that the Committee that nominates the other general officers nominate these officers also.
After discussion that these officers are elected, not approved, by the Association, and could not nominate others before they have elected themselves, there was a substitute motion that we appoint a committee to study and bring to the next Executive Promotion Committee their finding, and if there is any way this can be done then present it to the next annual meeting. The substitute motion carried.

64. There was a discussion about having a separate organization for evangelism; headed with all the officers to have a full pledged organization. It was stated that all organizations have a leader of evangelism, and if they would do their work the results would be the same.

65. Installation of Officers—Rev. R. R. Standley called the group of in-oming officers to the front of the church for a prayer of dedication.

66. There was a move that the fifty-eighth annual session of the Macon Baptist Association of North Carolina be adjourned.

PROCEEDINGS OF THE FIFTY-NINTH ANNUAL SESSION of the MACON BAPTIST ASSOCIATION

Theme: "Growing In Stewardship

Scripture: "Moreover it is required in stewards, that a man be found faithful." I Corinthians 4:2

1. The first day of the fifty-ninth annual session of the Macon Baptist Association was held with the Sugarfork Church. The moderator, Reverend W. A. Cloer, called the Association to order at 9:30 a. m.
2. Reverend C. T. Taylor led the group in singing "Come, Thou Almighty King" with Miss Betty Stamey at the piano.
3. The devotional period was led by Reverend R. C. Bailey, pastor of Highlands Church.
4. Reverend J. S. Cunningham, pastor of the host church, gave words of welcome to the session. The moderator recognized all pastors and visitors present.
5. The report on Enrollment and Statistics was submitted by Mrs. Fred C. Jones. Copies of the statistical summary were distributed, which showed 45 church letters received, representing 189 messengers. The report was accepted as information. A roll was called of the churches with those who had been elected by their church as messengers standing to constitute the governing body of the Associational meeting.
6. The printed program was adopted with necessary modifications to me made.
7. Reverend R. R. Standley gave the report of the Committee on Committees (See Directory).
8. Mr. Gordon Madry, executive secretary of the Baptist Foundation spoke briefly on the purpose of the foundation.
9. Report of Baptist Literature—Mrs. Jeter Hidgon.
   J. Marse Grant, editor of Biblical Recorder declared that Baptist publications must go deeper than secular press. The slogan of the Recorder is "A free voice for a free people."
   Report adopted.

Baptist Literature

Baptist Democracy has long depended on informed enlightened people for progress. Informed people must be reading people. Baptist must read in order to understand the magnitude and the glory of Baptist growth. We must know if we are to grow. Information about kingdom building brings greater inspiration for Christian action. Paul advised the young preacher Timothy to continue in the Holy Scriptures, "which are able to make the wise unto Salvation through faith which is in Christ Jesus". This is good advise for everyone. The passing of centuries have not diminished the appeal or the power of God's Book which has a message for today's man in today's world.

Today from our Baptist publishing houses we get more good reading material than has ever been known. From our Sunday School Board there are quarterlies for every age group. And there are more people engaged in Bible study through the Sunday School than ever before in Baptist history. There are 7,382,550 people enrolled in Sunday School in Southern Baptist Convention states. But there are over 50,000,000 people in this area unenrolled. They miss the blessing that reading of this fine literature would bring. They are Southern Baptist's responsibility. Unless some one reaches them for Bible study many of them never become Christians. Reaching people has always been dependent upon sufficient workers.

In all churches there is need for trained workers; therefore we have Training Union. The variety of Training Union publications leave no one without his source of learning and training. The Training Union magazine is without equal in its information to Training Union leaders. The assembly programs, the quiz, Bible drills, and program plans, if prayerfully and carefully followed will stimulate an interest in any Union. We knew the heart of Jesus must rejoice as He sees Young men and Young women develop in training so they may shoulder the cross of service and bear it courageously and happily because they love Him and are training in His service.

We have been greatly blessed materially and spiritually. We have freely received, but have we freely given? It must be that we have failed to lift up our eyes and look on the fields as God commanded. Our Home Mission Magazine will help us to look on our Home fields and see the great service rendered by over 2,035 Home Missionaries. The **Commission** gives us thrilling news of our 1480 Foreign Missionaries in 45 countries. These also tell us dire needs both financial and personnel on the fields. These needs present a challenge to every Baptist to give and pray that more people will be called into missionary service. Our young people need to read more of Baptist literature.

And we must not forget our state Baptist paper, the **Biblical Recorder.** It keeps us informed about our denomination in our state and should be in every home. We need to keep up to date about facts and figures told in **Charity and Children.** There are many other valuable publications in our Baptist literature.

Respectfully submitted,
MRS. JETER HIGDON

Growing in Stewardship Through Missions

10. Report on Associational Missions—Rev. C. T. Taylor.
Report adopted.

Field Worker's Report

The past associational year has been a good one, although we come to its close with many things yet to be accomplished to help win Macon County and the world for Christ. According to reports which will be given today and tomorrow, you will see that gains have been made in many phases of our work. Then, too, we shall see that there is need for an enlarged program which will help the association and the churches in carrying out the Great Commission of Christ throughout Macon County and the world.

At this point I want to thank all the pastors, church leaders, and all the associational officers and leaders for the fine spirit of cooperation during the past year. Through this fine cooperation and the prayers and support of the churches, your field worker has been able to accomplish the following:

11. Report on Home Missions read by Reverend Jack Lewis in the absence of Miss Harriet Murray.

Report adopted.

Report on Home Missions

The promotion of Christian Missions at home according to the Southern Baptist Convention Constitution, is the task of the Home Mission Board. Missions and evangelism are the Siamese twins of Christian growth. Giving the gospel witness to the lost and enlisting those who accept Christ in winning others is the task of every church. The Home Mission Board is the agency of the Southern Baptist Convention to assist the churches in this primary task of Missions and evangelism. Home Missions are designed to meet spiritual need. Each church and member through mission and evangelism activities share in the ministry of these programs. Gifts through the Cooperative Program and the Annie Armstrong Offering for Home Missions make each giver an active participant in world Missions at home. Most of the seven Home Mission Programs are carried out in cooperation with state Mission Boards as the Home Mission Board aids in the establishment, support and administration of the work. As you look at the program, you can see they are people-centered for there is a ministry for every person in the fifty states, Cuba, Panama and Canal Zone. Missionary Personnel, budget and your participation determines how many souls will be won to Christ and led into His service.

There are seven Programs: 1—Associational and Pioneer. 2—Chaplainey. 3—Church Loans. 4—City Missions. 5—Evangelism. 6—Language Groups Ministries. 7—Work with National Baptists.

The Home Mission Board organized in 1845 has been serving more than 117 years. The Board has constituted more than one-third of all Baptist Churches in Southern Baptist Convention. An average of more than 534 missionaries have been on the field every day since it was organized. This is equal to more than 32 workers in the field continuously since the resurrection of our Lord. There has been more than four times the number of professions to faith this past year than 1945 year of organization.

The church Building Loan Department was established in 1883. There has been 3,695 churches helped. For every Home Mission dollar 95.3 per cent goes directly to mission services, and only 3.7 per cent is spent for administration and office expense. For every $100.00 given in 1961 the Home Mission Board received $1.11. There are 83 per cent of our Southern Baptist churches now have full time services compared to 38.3 per cent ten years ago, only 2.2 per cent are quarter-time. There are many ways to learn more about your witness to millions in the homeland: Attend conferences at assemblies, subscribe to and read Home Missions Magazine published by the Board, and participate in Schools of Missions.

The workers of Home Mission Board accepts the Bible as the inspired word of God, Jesus Christ as their Saviour and Lord, the Great Commission as their marching orders, and the Holy Spirit as guide and companion and they rededicate themselves to this great Mission task as they face the challenge presented by these needs. The Home Mission Board would like to call on Baptists throughout the Convention to recognize the size and urgency of our Home Mission task, and to pledge anew their prayers and support in meeting the

challenge of this crusade in Home Missions.

12. Report on Foreign Missions read by Mrs. Fred C. Jones in the absence of Mrs. Fred Vaughn.
Report adopted.

Foreign Mission Report

Any kind of a report should tell us how well we are doing and how we can improve. As of July 15, 1962 the Foreign Mission Board has 1,548 missionaries serving in 46 countries. The total Foreign Mission Board receipts were $18,391,128.11; $8,294,887.19 was Lottie Moon Christmas Offering. We have had Foreign Missionaries visiting Macon County this past year who have directly benefited from the Lottie Moon Offering and have told us how much they depend on it.

As for places and ways of improvement, I believe we should concentrate on sending more missionaries into Europe as we have only 46 serving there, the fewest in any part of the world. I am thinking especially of Germany with its divided capital and the threat of communism. Our best hope for enlarging our missionary efforts lie in our young people. In July of '63 the Baptist Youth of the world will hold their 6th Baptist Youth Conference in Lebanon known as the "gateway to the Holy Land." They will use as their program theme "Jesus Christ—In A Changing World." Let's start now to use this theme at home reminding the youth in our local churcces that we not only need **more** missionaries on foreign soil but that the ones now serving will have to be eventually replaced. Let's strive to create an attitude among Macon County Youth of, "Here am I, send me."

13. Report on Cooperative program—Mrs. John Campbell.
Report adopted.

Cooperative Program Report

The Cooperative Program is the door through which we, as Southern Baptists, can help minister to the needs of people and send the gospel of the Lord Jesus Christ to the ends of the world.

It is just as important for a church to see her need to give a tithe of her income outside the local church as it is for her individual members to give his tithe to that local body. There is no better way to give this than through the Cooperative Program. Also we as members should give our tithe to the church before we give to special offerings, and our churches should give at least a tenth through the Cooperative Program then give over and above this to our special offerings.

Macon Associations' gifts through the Cooperative Program was less in 1961 than in 1960. In 1961 twenty-five churches gave $6,352 to the Cooperative Program; this does not include special gifts, and according to the church letters received to date for 1962 only twenty-two churches gave, and they have given only $3,914. Our Association will have received, at the end of the 1962 calendar year, $5,120 from the Cooperative Program for Field Workers supplement, Pastors' supplements, and church lots. According to this Macon Association is a mission field instead of missionaries.

A single church cannot do very much alone, but the Cooperative Program enables the smallest church to have a part in world missions. It develops greater Baptist unity. "You cooperate with the Holy Spirit in the preaching of the gospel to every creature. It helps every Baptist who cooperates to give food, clothing, and a home to a destitute boy or girl. Jesus said that you are feeding, clothing, and ministering t Him as you do this work through your orphanages around the world. As a cooperating Baptist, you give hope to a leper in Nigeria, life to a dying child in some remote mission area, or help to a man here inNorth Carolina needing heart surgery. Through the Cooperative Program you are obedient to Christ's command to heal the sick. You help to provide a bed, food, and a home for an aged man or woman in our Homes for the Aging. It gives us the opportunity to preach the gospel through our more than 7,000 missionaries; to teach all nations and people through our more than 1,000 colleges, children's homes or orphanages, hospitals, seminaries, and other schools."

Messengers and Pastors if your church does not participate in this great program, I urge you to challenge her to do so, and if you do participate I beg you to urge them to give more and feel the greater blessing that the Lord will bestow upon them. You have heard it said, "give until it hurts," but I say unto you to give until you stop hurting. Then you will feel good about it because you will be a cheerful giver as commanded in God's word.

"God so loved the world that He gave His only son." What are you giving?

Respectfully submitted,
MRS. JOHN H. CAMPBELL

19. Report on Children's Home—Mrs. Ruby Young.
Reverend Roger Williams, pastor at Mills Home, says that Baptists have an obligation to tell children that God loves them and can use them in His work. Thirty-seven children living in our

Baptist Children's home were baptized last year.

Report to the Association's Baptist Children's Homes

There is widespread recognition of the fact that North Carolina Baptists have one of the outstanding programs of child care in the nation today. This is made possible by a strong and dedicated Board of Trustees, a well trained and consecrated staff, and fine people with whom to work and serve.

It is the purpose of those who direct your child care program to keep it child centered, Christ centered and church centered. Better and more effective ways are being sought at all times to meet the needs of homeless and dependent children. New types of programs and services are under constant study.

During the past year 848 boys and girls were provided care by the Baptist Children's Homes. Applications were received for the admission of 529 children. Of this number 172 could be admitted. Through the work of resourceful case workers plans were made for 210 children to live with relatives, friends or in other agencies. A long list of urgent applications is carried at all times. Case work and family counseling services are afforded many families from which no placement was made.

Financial support this year has come from the following sources:

Cooperative Program	33 Per cent
Thanksgiving Offering	30 Per cent
Once-a-Month Offering	16 Per cent
All other	21 Per cent

The Thanksgiving offering remains a most important source of income—approximately one-third. With an increase in the Thanksgiving offering of $100,000,000.00 this year we can provide a home and care for 125 children. The need is pressing.

Members of the Board of Trustees, members of the staff and our boys and girls are deeply grateful for the generous support which you have given the Homes. You have afforded hundreds of children opportunities and privileges which they otherwise could not have had.

Charity and Children, our official publication, which this year celebrated its 75th anniversary of service to North Carolina Baptists, continues to grow in popularity and circulation. Each week 55,000 copies are sent to churches and individual subscribers throughout the state and beyond. You are invited to be among these readers and thus stay informed of our child care ministry and other denominational endeavors through the year.

Respectfully submitted,
MRS. RUBY YOUNG

20. Report on Homes for the Aging—Reverend Jack Lewis.
Reverend W. A. Poole, Superintendent of Homes for Aging, reported that the Homes had had a good year with a seven and one-half per cent increase in gifts from churches. A new unit, Hamilton Home, has been opened.
Report adopted.

North Carolina Baptist Homes for the Aging

The past year in our N. C. Baptist Homes for the Aging has been one of great blessing, Of unusual significance has been the opening

for our fourth Home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years we have increased by 8 times our ability to minister to the aging in our midst. In the beginning, there were 20 residents, and now we are able to give loving care to 160 persons in our four Homes—Resthaven, and the Hayes Home, in Winston-Salem, the Albemarle Home, at Albemarle, the Hamilton Home, at Hamilton.

The need for more space is more urgent and pressing. Today there are 138 applicants on the waiting list. We will want to move forward, therefore, as rapidly as funds will permit in meeting the crying demands of our ever-growing population of aging people who need our care.

The Special Day Offering from our churches are at an all-time high and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings, and we would urgently appeal to each church to continue giving as liberally as possible through this vital medium. Ninety per cent of the residents who live in our four Homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age!", is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

Respectfully submitted,
REV. JACK LEWIS

21. Report on Baptist Hospital—Read by Mr. J. H. Stockton, in the absence of Mr. Bruce Bryant.
Reverend Ben Patrick, chaplain at Baptist Hospital, told us a minister is on call 24 hours a day. He says the Baptist Hospital is a mission enterprise—finding health for body, mind and soul.
Report adopted.

Report on Baptist Hospital

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastory Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. **We must remember that the help given is limited by the Mother's Day gifts of our churches.**

The Hospital has prepared a full and attractive Information File Folder covering all of these matters in our relations with the Hospital. A copy is being mailed to all our pastors and associational missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the Hospital.

BRUCE D. BRYANT
Hospital Representative

The second item of business: was a request made by the West Franklin Baptist Church to the State Baptist Convention for $100.00 per month pastoral supplement, and $1,500.00, to purchase a Church lot. The motion was made by the Rev. Jack Lewis and was approved by the Committee.

Second Meeting January 26, 1962, the Advisory Steering Committee presented a recommendation that the Rev. C. T. Taylor be approved as Chairman of a Cooperative Program Committee. There was also a

recommendation that the October meeting be changed to November so that the calendar of Activities could be approved earlier than before.

Fourth Meeting July 12, 1962. This was the last meeting before the annual Association would meet in August. The Rev. Robert Clark was recognized as the new pastor of Cowee Baptist Church.

At this meeting there was a recommendation by the Advisory Steering Committee that a committee be appointed to study the possibility of changing the present program of meetings held during the year. This Committee was to include the Associational Missionary, Chairman of the Executive Promotion Committee, Moderator and Vice Moderator of the Macon Association, presidents of the Sunday School, Woman's Missionary Union, Training Union, and the Brotherhood. This was approved by the Committee.

At this meeting the treasurers report was given showing that we are out of debt, with a balance of $201.47. I am grateful to the Churches for making this possible. As Chairman, I want to say I appreciate the work that the various leaders, and the appointed Committees have done during this year, and for your attendance at these meetings.

24. Finance Committee Report—Reverend R. R. Standley.
Report adopted.
A suggested budget for 1962-63 was presented and adopted.
A recommendation was made by this committee and accepted by the body.

Finance Committee Report

Your Finance Committee takes great pleasure in bringing its report to this annual session of the Macon Baptist Association, because we are able to report financial and cooperative growth among our churches. We have had a wider participation in Associational Missions this year than ever before: 29 churches gave to Associational Missions. (Let us point out here that this does not count payments made by the churches to VBS workers or for copies of minutes received, for these are only payments for services or goods received and are not an offering for the work of the Association.) Three of these churches are new givers: Clear Creek, Tesenta and White Oak Flats. To these we give our heartiest congratulations as we welocme them into the true significance of Christian fellowship—to work together for the Glory of our Saviour. Our warm words of praise and congratulations go, also, to Burningtown and Oak Grove which made contributions to Associational Missions. These two offerings were received by our treasurer in July, after the closing of the books and will only appear on next year's records. But the spirit of fellowship is there, and we welcome these two new churches to our work. To those churches which give regularly and over the period of many years your Committee acknowledges, with thanks, that it is these contributions which make possible the identity and the work of Macon Baptist Association.

There are only two changes in the suggested budget for this year. Your Committee suggests an increase of salary for our Field Worker to the amount of $100.00 to bring his total salary to $2,800.00, and that our Missions Committee be given the amount of $25.00 to permit it to become a more efficient working committee. We would remind our churches of the constant need of Truett Camp for financial assistance. Gifts to this camp should be designated and sent through our Association's treasurer.

One of the most important steps of growth that our Association could take is that we should become 100% in financial participation in the Association's work. The Finance Committee takes this oppor-

tunity to urge all pastors, church clerks, treasurers, deacons and Sunday School workers to return to your churches with the strong suggestion that the churches which have not yet joined us in the work of the Association should become regular contributors this coming year. This is a step toward self-determination of our churches and greater strength for our Association.

Special Request of Finance Committee:

Your Finance Committee recommends that Macon Association request from the Baptist State Convention of N. C. that through its department of State Missions, it assist us with the expenses of our association as set forth in this budget, to the extent of $1,380 for the year 1962-63.

Report of Committee on Association Night

The committee on Association Night, which was appointed at the last Executive Promotion Committee meeting, July 12, met Monday night, August 6 to discuss the matter of changing the pattern of associational meetings by having what is called "Association Night" once a month with a different emphasis each month, such as Sunday school, Training Union, Brotherhood, etc.

After prayerful consideration, the committee voted to recommend to this body the following:

1. That the association have Association Night, beginning with the first month in the calendar year, 1963.
2. That the Calender of Activities Committee determine the date and the emphasis for each month as they made up the 1963 calendar.

26. Report on Civil Rightenousness—Reverend Horace Falls. Report adopted.

Report on Civic Righteousness

"Upon this rock I will build a church, and the gates of hell shall not prevail against it." These words of the Master must move us to want to reach greater height in the areas of civil morals and righteousness. The church militant should tear down the strongholds of entrenched evil. The promise is that "if God be for us, who can be against us?"

To make a report on the statistics of the crime rate, the rise in

divorces and juvenile delinquency, alcoholism and dope addiction, would make one sound like a prophet of gloom and preacher of doom. The racial situation with the violent outbursts of physical violence throughout the nation contains no new hope.

In some areas we are fighting and winning. In some areas we have pitifully and shamefully compromised. In some areas we have not dared to make our allegiance and stand known. Until and unless we make a new evaluation of the clear, concise, unmistakenable teachings of the New Testament we shall never do that for which we were called to do.

Far too many church members have compromised with the world in observance of the Lord's Day, in immodesty of dress, in social drinking, and other un-christian activities. A tired, crippled soldier cannot fight in the front lines. He must be taken back to the hospital to recuperate and be strengthened again.

The Gospel, and Christ-like living, is the need of the day. Our morals will improve, the battles against sin in all its ugly forms will be won, when we put on the whole armor of God, and have the power of His presence. Let us determine that we shall seek His guidance and strength in the days ahead.

1962 Associational Report

BENEFITS PAID

A total of $2,879,816.21 was paid in benefits by the Annuity Board during 1961. More than $2,654,222 of this went to approximately 4,500 ministers, denominational workers or their families who participated in one of the Board's retirement plans. The remaining amount was paid in relief benefits to 826 aged ministers and widows. During the Board's 43 years of operation, it has paid out benefits totaling more than $37,304,916.

NEW MEMBERS

Total membership in all plans of the Annuity Board was 23,214 on January 1, 1962. In 1961, 1,808 new members were enlisted in the Southern Baptist Protection Plan and 789 churches were enrolled. At the end of the year, 64% of the churches in the Convention were participating in the Board's program. Of this number, 43% were paying total dues for both church and pastor. The Institution Protection Program, for employees in colleges, hospitals, orphanages and other institutions of this type, enlisted 32 institutions in 1961. Five were new accounts. The others transferred from another plan to the new program.

DELAY PENALTY IS "WAIVED"

In their April meeting, the Executive Committee of the Annuity Board voted to waive the penalty for delayed participation in the Southern Baptist Protection Plan for those who join before January

1, 1963. This action was made possible because of the continuous increase in the number of churches and pastors who have joined the Plan in recent months. At the end of the first quarter of this year, some 67 per cent of all churches in the Southern Baptist Convention had enrolled.

According to the Protection Plan certificate, a person must join within a year after he begins denominational service or after his 25th birthday, whichever is later. For each year he delays joining the Plan, his widow and disability benefits are reduced. Now, because of the trustees' action, anyone joining the Protection Plan before January 1, 1963, will have this penalty removed. The waiver affects only the Southern Baptist Protection Plan.

The waiver also removed the penalty from any person currently in the Protection Plan who may have been affected by it, and it allowed the Annuity Board to make adjustments in annuity checks to widows and disabled persons who were penalized because of delayed entry into the Plan. This adjustment was made effective with the May 31st checks.

After January 1, 1963, any person who delays joining will penalize himself according to the participation clause.

FIELD WORK

The Annuity Board now has 14 field men working in 21 state conventions. Their program of education and promotion is conducted through state and associational meetings, on college and seminary campuses, in local churches and through conferences with laymen and pastors.

Guy Cain, field representative for North Carolina, has his offices, at the state convention headquarters, 301 Hillsboro Street, in Raleigh. Contact him for meetings in your church or association or for personal conferences. He will be glad to come and talk about the Annuity Board's ministry.

OFFICERS OF THE ANNUITY BOARD

Administrative officers of the Board are: R. Alto nReed, executive secretary; Floyd B. Chaffin and L. T. Daniel, associate secretaries; Fred W. Noe, treasurer and investment director; Owen Henley, assistant director of investments and Mable H. McCartney, registar.

28. Historian's Report—Mrs. I. T. Peek.
Report adopted.

Association Historical Report

The world's first enterprise communications satellite is now being used in relaying telephone calls and television internationally. It is called "Telstar" and receives signals beamed to it from a ground station, amplifies them and transmits them to another station on the ground below — perhaps an ocean away from the first one. Organizations abroad have built stations in England and France. A receiving station in Italy will be ready late this year and another in West Germany next year.

How soon will our Christian religious communications be able to compare with this system? God has blessed America. He has showered blessings upon our Association. Most of our churches have made splendid records. We will mention only a few things.

Bethel Hill—Rev. Carl Denny, Pastor—has recently finished four nice classrooms with other improvements.

Calvary—Rev. T. A. Slagle, Pastor—has made improvements on their church building.

Coweeta—Rev. Claud Ledford, Pastor—is proceeding with their new building. Four classrooms are in use now and more are to be finished soon.

Oak Grove—Rev. Jud Duvall, Pastor—has voted to build four more classrooms which will give them 12 classrooms. Funds are being raised for this project.

Black Mountain—Rev. Bennie Haire, Pastor—dedicated their new building June 24. The building is of cement block construction and has several classrooms.

Newman Chapel—Rev. W. K. Shields, Pastor—is erecting a new educational building which will be two stories high and will have eight classrooms, rest rooms and a baptistry.

Cowee—Rev. Robert Clark, Pastor, succeeds Rev. Clyde Collins who accepted the Sand Hill Church in West Asheville. This church has a building fund of $6,000 and expects to erect a new sanctuary sometime in the future.

Holly Springs—Rev. Otto Parham, Pastor, succeeds the Rev. Lewis Howard who resigned to accept Center Church near Wade, N. C. Work has been resumed on their new building and is progressing well.

Flats—Rev. A. J. Nix, Pastor, succeeds the Rev. Jim McCall of Highlands. They dedicated their building this spring.

Highlands—Rev. J. H. Propst succeeded by Rev. R. Clinton Bailey, present Pastor. A $65,000 educational building was erected during Mr. Propst's pastorate.

White Oak Flats—S. J. Waters ordained on August 20, 1961, and elected Pastor of the church. Harley Younce was ordained on the same day.

Tessenta—Rev. L. E. Angel, Pastor, ordained to the ministry December 1961 by the Mashburn Branch Church.

Cartoogechaye elected Rev. Gene Southards to serve as Pastor on half-time basis. He succeeds the Rev. W. A. Cloer who served the church for 11 years. Mr. Southards is also pastor of Mashburn Branch.

Longview—Rev. W. A. Cloer, Pastor—is finishing the educational building.

Ellijay—Rev. Lee Crawford, Pastor, succeeds Rev. Lawson Snyder who recently resigned to give full time to the Ridgecrest Church. Mr. Crawford is also pastor of Prentiss Church.

Sugarfork recently elected Rev. J. S. Cunningham to serve as pastor on half-time basis. He succeeds the Rev. Clarence Farmer who resigned because of ill health.

Clear Creek—Rev. Earl Dendy, Pastor—has recently dedicated their new building. Rev. J. O. Nix, former pastor, brought the dedication sermon.

Watauga—Rev. Earl Dendy, Pastor, succeeds Rev. W. A. Shields who resigned.

Pine Grove—Rev. Clarence Farmer, Pastor, resigned and was succeeded by Rev. Howard Willis who is also pastor of Liberty Church. Mr. Willis was ordained August 27, 1961.

Mount Hope—Rev. John Willis, Pastor, resigned to accept Oakley Baptist Church in Asheville, N. C.

Iotla—Rev. M. I. Brock, Pastor—has plans for building an addition to their educational plant in the near future.

Buck Creek—Rev. Harold Cabe, Pastor—has build an educational plant.

Three Baptist churches in the Town of Franklin are under construction this year. The West Franklin Mission was organized into the West Baptist Church at the Mountain Eagle Lodge Hall in West Franklin September 3, 1961, with a charter membership of 45. The Rev. Horace Falls was elected Pastor. Today the membership numbers more than 100 and progress is being made on their two story educational building.

East Franklin mission was organized into the East Franklin Baptist Church on September 10, 1961, with the Rev. Jack Lewis as Pastor. Several of our Associational officers took part in the service. Rev. J. V. James from our Home Mission Board gave the organizational message. Mr. Lewis states that God has abundantly blessed them during the past year. The membership has grown from 45 to 60 members. A standard Bible School with four professions of faith was one of the highlights of the year. Sunbeams, G. A., R. A., and Y. W. A., work has been rganized. Some new classes have been provided. On August 11, 1961, plans were adopted for a four-unit educational and sanctuary plant to care for over 400. The first unit of this plan is near completion.

These two missions were sponsored by the First Baptist Church under the leadership of the Rev. Robert R. Standley, Pastor.

In August 1961 the First Baptist Church of Franklin accepted the plan recommended by the Finance Committee to finance the new auditorium by the issuing of $140,000 in church bonds. The interest rate to be paid on the bonds would be 6% and the debt would be paid off over a 14½ year period by the church depositing a weekly sum in a special "sinking fund account" in the Bank of Franklin, which bank was accepted as paying agent for all interest and principal on these bonds. In the same business meeting the church voted to approve the organization of the East Franklin Baptist Church and to transfer the mission property held by the First Church on a deed of trust to the new church upon the occasion of its organization. The East Franklin Baptist Church was organized and the property transferred. On October 4, 1961, the church voted to accept the bid of Mr. J. C. Crisp to raze the old auditorium and accepted the responsibility to remove the memorial windows to keep them for future use as might be possible.

On Good Friday, the church sponsored a concert by the Wake Forest College Traveling Choir. This concert was held in the First Methodist Church by the cordial good will of our Methodist brethren.

At the conference of May 2, 1962, the church voted to contract the building of the new auditorium to the L. B. Callimore Construction Company, of Greensboro, N. C. Our architect would be Foy and Lee of Waynesville, the engineer in charge of construction Worth Baldwin, who built the splendid auditorium of Mars Hill College and other large buildings in WNC, and the foreman on the job, Albert Ponder, who also has worked on these other construction jobs. Mr. Ponder is a deacon of the Calvary Baptist Church of Mars Hill, N. C. As of the

date of this report, July 18, the work on the new auditorium is progressing well.

The First Baptist Church did not hold a preaching revival in the Spring of 1962 because of the inappropriateness of its meeting hall. However, a special evangelistic effort was made through the regular sermons of the pastor and through the Sunday School. A large number of people made their professions of faith at this time of extended evangelism in the spring by Sunday School superintendents, teachers, personal evangelism takls given by laymen, and the regular sermons of the Pastor.

In 1904 the total membership of the First Baptist Church was 144; today it is 932.

Our Association has grown to 46 churches. Let's continue to attempt great things for God and expect great things from God.

May the blessings of Him who has done so much for us still be upon our labors.

Respectfully submitted,
MRS. I. T. PEEK, Historian

29. There was a motion to adjourn the first day's session to meet with Coweeta on the second day.

SECOND DAY

30. The second day's session at Coweeta Church was called to order by Reverend C. T. Taylor in the absence of the moderator. Reverend Bailey led the group in singing "All Hail the Power."

31. Reverend S. J. Waters, pastor at Briartown, gave the devotional using Psalm 103.

32. Words of welcome were extended by Reverend Taylor. Pastors and visitors were recognized.

Growing in Stewardship Through Evangelism

33. Report on Evangelism—Raymond M. I. Brock.

Reverend R. C. Bailey, pastor at Highlands, urged us to "hide His word in our hearts" and be messengers for God. Every pastor should be an evangelist.

Report adopted.

Report on Evangelism

Christians find the matter of evangelism facing them on almost every page of God's Holy word. Jesus said, "Go ye into all the world and preach the gospel to every creature". (Mark 16:15). Again he said, "And this gospel of the kingdom shall be preached to all the world for a witness unto all Nations" (Matthew 24:14). The Psalmist cried out long years ago, "He shall have dominion from sea to sea, and from the River unto the ends of the earth . . . all nations shall call him blessed . . . and blessed be his glorious name forever; let the whole world be filled with his glory". "Look unto me and be ye saved, all the ends of the earth; for I am God and there is none else" (Isaiah 45:22).

These commissions rest upon all alike. One believer cannot transfer to another the solemn responsibilities embraced in these commissions

of our Lord, neither can any believer abrogate his personal accountability to God in this respect. The pastor and teacher is to perfect the saints in his own ministry, along with his duty of being an evangelist. Each believer is, upon being saved, constituted a witness to the unsaved.

We believe that man is lost without Christ and remains so, being incapable of accepting Christ apart from the drawing, calling work of the Holy Spirit. We read, "No man can come unto me, except the Father which hath sent me draw him; and I will raise him up at the last day". "And he said, Therefore say I unto you. That no man can come unto me, except it were given unto him of my Father".

Were it not for the enlightening work of the holp spirit by which he convicts of sin, of righteousness, and of judgment, no unregenerate person would ever turn to Christ for Salvation. However; the Holy Spirit uses the word of God on the lips of the Christian or the printed page, and men hearing the truth and believing it are saved. From the time that a Christian is saved he occupies a position of influence for God and has a definite responsibility to witness for his Lord.

There are various types of evangelism, i. e., Mass Evangelism, Personal Evangelism, Visitation Evangelism, Pastorial Evangelism, Training union Evangelism, W.M.U. Evangeism, Baptist Brotherhood Evangelism, Youth Fellowship Evangelism. Now I have said these things to say this — if each church wishes to have the assurance that fruitful results will emanate from efforts expended, then each church must promote and sponsor a perennial program of evangelism. May God help us to see that evangelism is the need of the hour.

Growing in Stewardship Through Education

34. Student Union Report—Read by Mrs. R. C. Bailey in the absence of Miss Mary Lou Crunkleton.

What Is B. S. U.?

Within the next month the schedules, major interests, financial, responsibilities, and educational environments . . . in short, the lives . . . of 60,000 Southern Baptist young people will be radically altered. They will be starting to college. Our young people greatly need our encouragement and help as they prepare for college. One of the best ways we can help is through the churches, and the Baptist Student Union.

What is B. S. U.? Perhaps we may begin to define Baptist Student Union in this way. The Baptist Student Union is our distinctive denominational ministry on all types of campuses. Its purpose is to conserve and help train Southern Baptist students for effective Christian disciplinship. It functions to remind each student of his responsibility to Christ, his church, and his denomination, and of his obligations as a Christian citizen in the world in which he lives.

Baptist Student Union is much more than a program, a movement, or a plan of work. B. S. U. is that which challenges the student to be Christian on campus; it provides the atmosphere in which he can grow toward maturity in Christ . . . the driving force which compels him to live that which he believes. It is a medium through which

the student is called to the Christ-centered life. Through B. S. U. the student gains a knowledge of the world . . . his fellow men . . . their needs. As a result of this awareness he looks at his life and its place in meeting the needs of the world. Here on the campus, his world at the present time, he begins to change the world by living with Christ . . . realizing that his sources of strength and power is Christ.

Within the Christian student is a desire for peace, understanding, knowledge, and wisdom . . . Baptist Student Union leads the student in the search for knowledge and truth . . . it leads him to Bible study, to personal devotions . . .to prayer.

When the student is enlisted in Baptist Student Union, he is drawn into church. Through participation and service in the Sunday School. Training Union, Y. W. A., Brotherhood, prayer meeting, and other activities, the Christian student grows and matures.

The concern which is developed within the student for his fellow man finds expression in the church. It finds expression on the campus as he witnesses to fellow students. It finds expression as he prays for those who serve throughout the world to lead others to Christ.

All of this and more is B. S. U. A moving, vibrant spirit. The spirit of God in students around this sphere we call the world . . . students who believe the words of our Lord . . . "The kingdom of God is within you" . . . students who listen: "How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? and how shall they preach, except they be sent?" . . . Students who answer clearly and without conviction, "Wherever he leads I will go," realize that Christ is the source of all Power.

There is a great need at this time for B. S. U. Centers located near non-Baptist colleges. At the present time there are four such centers, all are inadequate in size for B. S. U. activities. It is heartening to know that the Baptist State Convention has committed itself to a steady effort to provide adequate student centers. As a result, one center is now under construction, and plans are in the making for others. The chief drawback is lack of adequate resources. Practically all of this must come through the Cooperative Program from the churches. It would take $900,000 to provide the student centers we need at this time. Young people can help in this by insisting that a fair percentage of their home church budgets be channeled to missions through the Cooperative Program.

35. Church Library Report—Read by Mrs. W. N. Cook in the absence of Mrs. R. R. Standley.
Report adopted.

Church Library Report

In the year 1943, the Service Division of the Sunday School Board at Nashville, Tennessee, organized what is called the Church Library Service. The purpose of the Library Service is to encourage the churches throughout the Southern Baptist Convention to start libraries and to stabilize those already in operation. The Library Service conducts schools, clinics, and workshops for church librarians at Ridgecrest and Glorieta Assemblies each year. In 1956 the Library Service began library promotion on the associational level, requesting the Associations in the Convention to elect Associational library councils or committees.

Our association has a Church Library Committee, whose duty and responsibility is to encourage each church in the association to start a library, and to help stabilize those already in operation. It is also the duty of our committee to provide training for church librarians and others interested in church library work.

We believe that every church needs, and can have, a church library. Your committee is ready to assist you in any way possible. You will be interested to know that the Church Library Service of the Sunday School Board will give as many as 25 books free to a church starting a library, if the church meets certain requirements. The many helps given by the Church Library Service are most valuable.

In a fast-changing world it is urgent that citizens become inform-

ed citizens, that Christians become informed Christian,—"workmen who need not to be ashamed, rightly dividing the word of truth." II Timothy 2:15.

Music Committee Report

The Music Committee met twice during the past year. One Hymn Sing was held at Iotla Church. Choirs and Churches participating presented an excellent program. Two choirs from the association participated in the Choir Festival and received a grade of "A" and "A-". One choir attended the sixth annual state wide Choir Festival at Winston-Salem. The program was broadcast over many stations and was recorded, many of the members purchasing the records. Also, one choir attended the State Junior Festival at Mars Hill for a wonderful program of singing. We would like to see many more choirs participating in this excellent program next year.

I attended the associational workers conference in Winston-Salem. Next summer we are to have a regional music school in our association with some of our state workers conducting the classes.

37. Christian Education Report—Mr. Harry Corbin.
Report adopted.

Report of North Carolina Baptist Colleges

North Carolina Baptist colleges closed another record-breaking academic year (1961-1962). They wish to express gratitude to God and to the Baptists of North Carolina for divine providence and Christian concern in their behalf. The colleges are happy to report their stewardship to the associations. All seven opened in the fall of 1961 with their largest enrolments: Campbell—1,429; Chowan—752; Gardner-Webb—611; Mars Hill—1,099; Meredith—778; Wingate—912; Wake Forest—2,866; making a total of 8,447. (Numbers of other students enrolled during the second semester and summer school of 1962.)

Of this number, approximately 2/3 were members of the Baptist church. About one out of eight was preparing either for the ministry or some church-related vocation. They constitute our denominational leadership for tomorrow. In addition to these, hundreds of laymen and laywomen are being prepared for their chosen vocation, giving their Christian witness in every walk of life.

Total plant assets of these colleges are in excess of $45,000,000. For the past 10 years Baptists have provided about $500,000 each year to help with these capital outlay needs To keep these campuses up to date and competitive, several thousands of dollars must be spent each year.

The total operating budget of the seven colleges during the year was about $12,000,000. Of this amount, the Cooperative Program paid about 5%. Nearly one-half of operating costs are paid by students and other sources such as endowment, net earnings from auxiliary enterprises such as dormitories, dining room, student center, etc. In the light of spirling costs and expanded student bodies, these col-

leges face very crucial financial needs in the future.

The past year has also seen a strengthening of faculties. In every case the colleges have sought to raise faculty salaries to attract the finest and best qualified teachers. Additional faculty members have been added to meet the demand of growing student bodies. Faculty salaries are still entirely too low in all of the colleges.

In response to Convention action, Campbell College is adding the senior year this fall and Mars Hill the junior year. By 1964 both of these colleges will be full four-year senior colleges. Wake Forest has made a modest beginning in offering graduate degrees in some fields of study.

The Convention is in its first year of the Christian Education Advance Program. Under this program each church is asked to increase its gifts through the Cooperative Program 35% for 1962, '63 and '64. Thirty per cent of this amount is to go to the colleges and construction of student centers on non-Baptist campuses. Some 400 to 500 churches have made this increase in 1962. The Cooperative Program is somewhat higher at this time than last year, and for this we are grateful. However, in order to meet our goals, it will be necessary for more churches to increase their Cooperative Program giving by 35%.

The colleges are deliberately and continually seeking to illuminate the total educational process with the atmosphere of the Christian faith. In addition to Christ-oriented teaching, opportunities are provided daily and weekly for worship. On each campus is a qualified director of religious activities whose responsibility is to counsel with students and faculty, as well as to correlate and promote a program of voluntary religious activities designed for spiritual growth.

The future of Christian education in America is at stake today. With increased state and federal interest in and aid to higher education, more and more students will attend state institutions. Our taxes will grow correspondingly higher. These state colleges by their very nature cannot perform the task of Christian education. A Christ-oriented education must always be provided by the church. Baptists would be the last group to ask the state to teach religion for them. In a great republic like ours education needs the support of many groups including the church. A state-controlled nonolithic system of education is foreign to our pluralistic society.

Into this expanding sea of secular education Baptists must choose to give witness to our faith. Let us not oppose other forces operating in the field of higher education, but rather undergird and strengthen our own institutions that they may do their work and do it well.

Please support your colleges by:

(1) Acquainting yourself with your colleges. Visit them, read about them, invite the students and faculty into your church to conduct services.

(2) Encouraging your finest students to attend. Be sure that they apply early.

(3) Praying for the schools—the presidents, administration, faculty, trustees, and students.

(4) In creasing your Cooperative Program giving 35% this year.

(5) Observing the Christian Education Day, Father's Day—in June.

George W. Truett Baptist Report

The best camp season of which I am aware was held this year from June 25 - August 17. The associations of Region X were given the responsibility for the camp program this year. Without exception they have done a wonderful job in carrying out the programs. The camp manager has been responsible this year for the meals and for other physical necessities.

With one more week to go our total for camp attendance this year was 269. Thirty Four of these were counselors with 235 campers. This is almost 100 more than the last two years.

There have been reported 26 conversions to Christ and 115 rededications or dedications to full time Christian work. $13.25 has been sent to the Foreign Mission Board. $25 was given to a missonary.

$216.09 was in the Camp Operating Fund at the beginning of the camp season. $1900.72 has come into the fund through campers' fees, canteen profits, and gifts. At the present time $1837.38 has been spent leaving on hand $279.43. Some bills are still not paid and one week is left to operate.. The camp year should be completed with about as much in the treasury as at the beginning.

The Camp Staffers from Macon Association did a wonderful and inspiring job in the two weeks at camp. We owe them our gratitude for their work with our children.

Sunday School Report

It has been the desire of the Associational Sunday School officers to have programs and present ideas at our Sunday School Mass Meetings that would be beneficial to our Sunday Schools throughout the county in launching out in a more effective way for Christ and in

reaching the unreached.

Our programs for the past year were as follows:

One—The Advantages of a Departmentized Sunday School — after which two churches partly departmentized their Sunday Schools.
Two—The Value of a Sunday School Training Course
Three—Importance of Visitation in a Sunday School
Four—Importance of a Daily Vacation Bible School
Five—Missions in the Sunday School

We hope these programs were beneficial to our Sunday Schools throughout the county.

We believe that a strong Sunday School helps build a strong church, therefore we urge the superintendents and workers of the Sunday Schools to make a special effort to attend our meetings since some of our churches are never represented.

I would like to thank Rev. C. T. Taylor, our associational field worker, and the associational Sunday School workers who have been so much help to me in this past year.

Training Union Report

During the year the Training Union Executive Committee met three times. A Youth Committ eewas selected at the first meeting and this committee planned Youth Night activities.

Two "M" Night programs were held because of lack of space large enough. The programs were identical in content, and were well attended.

The Youth Night program was a very good one and interest good, even though the attendance wasn't as high as hoped for. Several young people made rededications.

Our participation in the Training Union tournaments wasn't too good—however, we were represented in the Intermediate Sword Drill by Betty Stamey who was 2nd place in the region and was very good and Mrs. Rhodes in the Adult Scripture Reading.

It was my privilege to attend the Associational Leaders Conference in Winston-Salem. In this conference we received much inspiration and information.

One especially encouraging thing is that the newly established Training Unions are doing such excellent work and are growing so rapidly.

We are looking forward to a greater year in Training Union work than ever before.

Vacation Bible School Report

We are happy to report another good summer of Bible School work. We believe the schools to be the best in quality, generally speaking, of any in recent years. However, we still would like to see more in number.

In February our Field Worker, the Rev. Jack Lewis, Mrs. Jack Powell, Mrs. M. I. Brock, Miss Jacqualine Clark, and Mrs. Mack Neely attended the State Bible School Clinic at Fruitland. And on April 6 we had our Macon Associational Bible School Clinic with those who had attended the State Clinic leading the different departmental conferences. 16 churches were represented with 73 present.

For the first time, we are able to report that two of our churches had Standard schools. We are happy to recognize and congratulate the fine work of the Mount Hope and the East Franklin Churches in this respect. All of our schools have been good. The grades have been cut because of the length of the schools in several cases. However, we have had several good, two-weeks schools. Schools making a grade of "A" are urged to put forth another bit of effort and reach Standard next summer.

Our Associational Bible School worker for the summer was Miss Penny Taylor. Penny conducted 8 schools and helped in three others. Our Field Worker conducted two schools.

In all, we have had 30 Bible Schools this summer, with 27 reporting. One school is in progress this week. The 27 schools reporting had a combined pupil enrollment of 1,217—faculty enrollment 298—with a total enrollment of 1,610. There were 58 professions of faith. The cost of the schools was $801.57 and the Mission Offering was $257.71.

Respectfully submitted,
MRS. C. T. TAYLOR,
Associational VBS Supt.

Woman's Missionary Union Report

The small number of churches in the Macon Association having missionary organizations has done remarkably well during the past year. However, our hearts are sad when we think of the large number of our churches who are missing the great blessing of sharing in this phase of the Lord's work.

We now have in the Macon Association 13 Woman's Missionary Societies with an enrollment at the beginning of the year of 254 women. Some of the highlights of the past year's work are:

Four Associational Executive Meetings were held.

A G.A. Coronation Service was held at the First Baptist Church, Highlands, under the direction of Mrs. D. A. Rhodes, Associational G.A. Director. There were 16 Maidens—7 Ladies-in-Waiting—2 Princesses—4 Queens—and 5 Queens-With-A-Sceptre taking part in the service.

All Focus Weeks were observed with special activities.

Seasons of Prayer were observed and offerings received for State, Home, and Foreign Missions.

The State WMU Jubilee Conference was held at the First Church,

Franklin on Sept. 12. Many of our Macon women attended.

On Sept. 28 the Associational Officers taught the WMU Leadership Course. Each class was taught 7½ hours.

The Foreign Mission Book was taught to all women of the Macon Association under the direction of Mrs. Roy Rickman, Associational Mission Study, Chm. There were 87 women present.

The Home mission book was taught in the individual churches. 117 members reported having read a mission book.

A large number of our Macon women attended the WMU State Convention in Asheville.

The Annual Meeting of the Macon WMU was held at the First Baptist Church, Highlands. Attendance was good. Our visiting speakers were: Miss Willa Dean Freeman, State G. A. Director, and Miss Laura Frances Snow, Missionary on urlough from Chile, S.A.

Our G.A. Camp was held at Camp Truett in July with an excellent group of staff workers and 49girls going.

New organizations during the year, under the direction of Mrs. E. W. Fisher, Associational Enlistment Vice President:

At West Franklin Church: A WMS—Int. G.A.—Junior G.A.—and an Ungraded Sunbeam Band.

At Longview: A WMS — Int. G.A. — Junior G.A. — Beginner and Primary Sunbeam Bands.

At East Franklin: Y.W.A.—Int. and Jr. G.A.'s—and Beginner and Primary Sunbeam Bands.

Making a total of 15 new organizations for the year.

Respectfully submitted,
MRS. C. T. TAYLOR,
Associational WMU Pres.

A slate of W.M.S. Officers elected by the W.M.S. was approved by the association. See Directory.

G.A. Report—Mrs. M. I. Brock.

G. A. Report

Our Girls Auxiliary work is growing. We now have 15 G.A. Organizations in 10 of our Baptist Churches with 20 faithful counselors leading and instructing the G.A. Girls. G.A. work is a worthy work in the Kingdom of God. Scripture verses are memorized and practiced, Mission and Denominational facts are learned, and handwork and scrapbook work is done.

Only a counselor who truly loves the Lord and has a desire to serve Him and in turn instillthis desire in the lives of young girls under her guidance will have a prosperous G.A. Most of our G.A. organizations have been active and have accomplished much during the year.

Much time in G.A. work is spent in working on the forward steps—Maiden, Lady in Waiting, Princess, and Queen. The highest rank for the Junior G.A., is Queen in service, and the highest rank for the Intermediate G.A., is Queen with a Scepter, and Queen Regent.

Focus Week, (May 13-19) was observed in most of our churches having G.A.'s. The week was climaxed with two of our churches having banquets. Mount Hope having a Mother and Daughter banquet and Iotla having a Sweetheart banquet.

The G.A. Girls and workers from our Association enjoyed a most profitable week at Camp Truett. 49 of our girls attended. During the week among many other interesting experiences, 24 of the girls pass-

ed steps, and at the dedication service on Thursday evening 9 girls made professions of faith in Christ and 23 others re-dedicated their lives and made decisions to seek God's guidance in their life's work. We were privileged to have with us during the week, Miss Pauline White a retired Missionary from Brazil, who was an inspiration to all.

I beseech all G.A. Girls and G.A. Leaders to "Keep up the good work," and let's work, even harder, next year to enroll all our young girls in G.A.'s.

Respectfully submitted,
MRS. MILLARD BROCK,
(Associational G.A. Dir.)

Brotherhood Report

It is with thanksgiving to our Heavenly Father for His love and blessings, and with gratitude to our co-workers that I submit this report of the Associational Brotherhood.

The many aims and purposes of the Brotherhood may be summed up as follows: To reach the masses of men in our churches with a regular and definite message concerning the work of our churches and denomination and to enlist them in the promotion of the work of the Master.

There are eight active Brotherhoods, each sponsoring R.A.'s, in our association. These groups have a good enrollment and are doing a great work in their churches. One new Brotherhood has been organized. We are thankful to the Father for His guidance and appreciate the cooperation of our beloved Associational Field Worker and pastors for their part in help forward such a worthy cause.

ACTIVITIES

There has been four executive meetings held this year with a good attendance at each meeting. We have had three mass meetings and one clinic. A large number attended the regional meeting. We believe that the Brotherhood has a great future in the association. We covet your prayers for the new leaders that will be working with you for the best interest of Brotherhood this coming year.

Respectfully submitted,
SAM SAUNDERS, Pres.

The officers as presented by the Brotherhood were accepted.

The clerk had received 46 church letters representing 217 messengers. The report was accepted as information. A roll was called of the churches with those who had elected by their church as messengers standing to constitute the governing body of the Associational meeting.
6. The printed program was adopted with necessary modifications to be made.
7. Report on Baptist Literature—Mrs. C. T. Taylor.
   J. Marse Grant, editor of the Biblical Recorder, stressed the importance of good communication. He said, "A Baptist paper should lead the people it serves by keeping the communication lines open. Report adopted.

Report on Christian Literature

Jesus commanded not only the Apostles . . . but also his followers down through the centuries . . . to make other disciples and to teach them the Christian way of life.

The need for good Christian literature to use in this program has been recognized. Across the centuries, God has seen fit to use words effectively to spread his divine truth through preaching . . . teaching . . . singing . . . witnessing. God-inspired words are mighty tools and can enter doors where spokesmen can never go.

Jesus wrote little, but he showed his love for the written word by his much-quoting of the Scriptures. His followers have made much use of writings to advance Christian truth.

Standing as the unique example of Christian writing at its best, God's timeless messages in the Bible are applicable today as when they first were revealed. God has not ceased to use the printed page.

The Southern Baptist Convention has sought to use printed truth for God's glory. Modern technical developments have made it possible for the Sunday School Board to publish in millions of copies of attractive religious materials for every age group, using varied formats and colors and numerous illustrations.

We not only have these many and good publications by our Sunday School Board, but other key publications include our State Paper, The Biblical Recorder, Charity and Children, published by our Children's homes, the Commission, our Foreign Missions magazine, and Southern Baptists Home Missions magazine. Other mission magazines used by our Baptist members are Royal Service, The Window, Tell, Sunbeam Activities, and Ambassador Life. Church administration magazines—The Church Library Magazine, The Church Musician, Church Recreation, and The Church Administration Magazine. Devotional Magazines—Home Life, and Open Windows. Special magazines to meet the needs of different groups—The Quarterly Review, The Baptist Student, and The Braille Baptist, and others.

These published words produced regularly by Southern Baptists are designed to bring lives closer to God through Christ as men come to learn the Maker's revealed will and purpose more fully through the printed page.

To that end writers are carefully chosen, the writing is cautiously done, and the publications are prayerfully prepared. They are sent forth for God's Holy Spirit to use with maximum effectiveness in the hearts of all who may read.

Respectfully submitted,
MRS. C. T. TAYLOR

8. Report on Baptist Foundation—C. Gordon Maddrey, Executive Secretary of the Foundation.
Report adopted.

Report of the N. C. Baptist Foundation, Inc.

Since July 1962, the North Carolina Baptist Foundation has established an office in the Baptist Building with a full-time Executive Secretary and secretarial help. This is the first time in the history of the Foundation that it has engaged in full-time emphasis. The activities of the Executive Secretary have been varied. One of the

purposes of the Board of Directors has been to carry the message of the services offered by the Foundation to as many associations as possible; into as many churches as possible; and to as many individuals as he has had the opportunity. These contracts have been quite stimulating and it remains to be seen what results will accrue from these co&ntracts.

On June 30, 1962, we reported to you that the assets of the Foundation amounted to $303,186.66. The assets of the North Carolina Baptist Foundation as of June 30, 1963, were $324,256.39. Since the close of business last year in June, 1962, the Foundation has technically in its control two estates of rather large size. The estate of R. Sterling Graves amounts to approximately $440,000. The estate of T. F. Pettus is in the neighborhood of $110,000. Both of these estates are in the hands of the trustees of the estates and for all practical purposes they will be turned over to the foundation in the very near future. These two estates will push our assets to over $870,000. The Baptist Foundation has emphasized the fact over and over again that it exists to serve ALL Baptists. Those who have relatively small amounts of money, personal property or other real assets, will find the Foundation is just as anxious to serve them as it is to serve the larger estates. It is a fundamental belief of the Directors of the Foundation that the Foundation exists to serve ALL Baptists.

The Baptist Foundation Board of Directors and the Executive Secretary wish to express their deep appreciation to the various organizations, institutions and agencies that have assisted them with the promotion of the Foundation program. We solicit your continued support and hope that the Foundation will be better able, year by year, to render the services for which it was established.

Respectfully submitted,
C. GORDON MADDREY
Executive Secretary

10. Report on State Missions—Read by Rev. R. C. Bailey in absence of Mrs. D. A. Rhodes.
Report adopted.

Report on State Missions

The Theme for our State Mission Program for 1963 is:

"To seek and to save that which is lost in North Carolina."

The North Carolina Baptist State Convention's Report of people reached and won to Christ through the 80 associations, new churches, missions of the 30,000 Movement, inter-racial and institutional ministries, programs for the deaf, Indian, Military and others, indicate that these services deserve our continued prayers, gifts, and personal concern.

Our state is promoting a Start-A-Mission Month in an effort to

reach the hundreds of people now waiting in prisons, hospitals, slum areas, Mountain coves, trailer courts, and corrective institutions to hear God's word. Nothing in recent mission studies and programs have been quite so revealing and heart-rending as the stories of our "asphalt Jungles". We expect to find them in places like Chicago, New York, or San Francisco, but not in Raleigh, Durham or Charlotte. The growing racial tensions, crime rate, economic pressure, and moral laxity create situations in our towns and cities which we can no longer ignore.

We have 1,315,478 unchurched in North Carolina. On August 31st, the Biblical Recorder will have a special State Missions edition presenting all our prayer requests for the state. Sunday, September 15th will be designated for State Missions with a special offering being taken to meet the needs.

Today He is calling us to pray and bring our gifts for the work of State Missions in North Carolina but we must do more than this. We must go into the community about us to invite and to urge people to come see and know the Love Of Our Saviour.

Respectfully submitted,
MRS. D. A. RHODES

11. Report on Home Missions—Rev. L. E. Angel.
Report adopted.

Home Mission Board Report

"The promotion of Christian missions at home" is the task of the Home Mission Board.

"Let us go into the next town that I may preach there also; for therefore came I forth" (Mark 1:38).

The message and spirit of these words of the Master have motivated the Board and its missionaries to redouble their efforts in evangelism and church extension.

The Board is now serving in every state of the United States, including Alaska and Hawaii, and Cuba, Panama, the Canal Zone, and Puerto Rico.

The Board opened 858 mission stations and spent $662,501 in purchasing and improving mission properties in 1962.

The Home Mission Board co-operated in 135 programs of Schools of Missions involving 803 weeks of mission service to reach 2,993 Baptist churches and 1,324,711 people with the message of missions in 1962.

The Home Mission Board is helping in the promotion of the "30,000 Movement" through which it is hoped that Southern Baptists will start 10,000 additional churches and 20,000 new missions by 1964—at least 5,000 of them in 1963.

The Home Mission Board will give support to the Third Jubilee emphasis on world missions in 1963, and to our Baptist Heritage and Evangelism in 1964.

Respectfully submitted,
REV. L. E. ANGEL

12. Report on Foreign Missions—Rev. Harold Hughes.
Report adopted.

Foreign Missions Report

When making a report of any kind it is a blessing to be able to show a progress. Although we still need more missionaries, in more places, we still have shown progress. And to be able to continue this great work we need to lead our people to give even more, and pray much for the people that are serving as missionaries, and for the Foreign Mission Board.

As of July 1963 we have a total of 1,792 active missionaries, serving in 52 countries. This is a good report, whereas at this time last year we had only 1,548 missionaries, in 46 countries. Even with this good report we still need more missionaries. So my prayer is, that we can lead our young people here in Macon county, and throughout the world, to be aware of the need and say, "Here am I, Lord send me."

Also I believe our Baptist people all over the world are indeed thankful to be able to be part of this great work. I can not go into all the world to carry the gospel, but through giving the way that we do, I can say that I am a part of this great missionary work that is going on over the world. Also our offering for the Foreign Mission Board is up over the receipts for last year. Let us all continue to pray, train, and give for this great work.

Respectfully submitted,
REV. HAROLD HUGHES

13. Report on Cooperative Program—read by Mrs. M. I. Brock in absence of Mrs. John Campbell.
Report adopted.

Report on Cooperative Program

Rev. C. T. Taylor discussed briefly the meaning and purpose of the Cooperative Program.

14. Rev. Howard Willis led the group in singing "Heavenly Sunlight." Rev. Carl Sizemore led the prayer.

"Know ye not that there is a prince and a great man fallen this day in Israel?" This was the sentiment of not only North Carolinians, but people throughout the Southern Baptist Convention when on February 1, 1963 North Carolina Baptists lost one of their greatest leaders and one of their most steadfast Christians, our General Secretary-Treasurer, DR DOUGLAS M. BRANCH. May we continue to build on the strong foundations he laid down for us. This quote from Dr. Branch should be every Christian's joy: "Giving is a happy privilege for the Christian, a natural expression of our love for Christ. We don't begrudge that which we give to one we love."

The Cooperative Program is sharing Christ with the whole world. It is the financial plan of Southern Baptist for working together beyond the local church.

The individual Christian carries out the work of Christ as he places God's tithe and his offering in the treasury of the local church. The church decides what portion of her budget shall be given to all denominational causes through the Cooperative Program.

During the calendar year—1963, thirty-six churches of Macon Association gave through the Cooperative Program, but every church gave through either designated offerings or the Cooperative Program.

$3,980 was given through the Cooperative Program and $8,830 through Special Offerings, giving a total of $12,810.

Let us prayerfully consider and determine to be faithful to the guidance of God's spirit and share with a lost world to the limit of our ability as we channel our gifts through the COOPERATIVE PROGRAM.

Respectfully submitted,
MRS. JOHN CAMPBELL

15. Special music was rendered by the Gold Mine Choir singing "My Name Is Written There."
16. Rev. Robert Clark, pastor of Cowee Church, delivered the annual sermon. His sermon topic "A Christian's Divine Priviledge" had for its foundation I Cor. 3:5-9. He said 'We are laborers together with Gor,' because:
    1. We are working with a divine person.
    2. We are working with a divine institution.
    3. We are working with a divine message.
    4. We are working with a divine element."
17. The meeting was adjourned for the noon meal after Rev. Otis Gragg offered thanks.

AFTERNOON SESSION — FIRST DAY

18. With Rev. Howard Willis presiding, the afternoon session was opened by singing "Send the Light" led by Rev. C. T. Taylor. Rev. Earl Dendy gave the devotional reading, Romans 10:1-10. "Exalting Christ Through Benevolences."

19. Report on Children's Homes—Mrs. Ruby Young.
    Rev. Elmer B. Carter, representing the Children's Homes, said "When we train a child in the way he should go, we change a life, a home, a family, a church, a community, a state, and a world."
    Report adopted.

Report on Baptist Children Homes

Since Mary Presson from Hertford County was admitted in 1885, more than 8,000 boys and girls have been served by the Baptist Children's Homes.

There are three homes: Mills Home at Thomasville, with a capacity of 306; Kennedy Home at Kinston with accommodations for 165; and Odum Home at Pembroke with capacity for 24 children. In addition there are 132 in foster homes and twenty children in homes with their mothers with both groups receiving financial assistance from the Children's Homes. Approximately 825 children receive direct help each year.

The Baptist Children's Homes provide five major services. Namely:
1. Institutional care.
2. Foster Home care.
3. Financial aid in the home.
4. Supervision of discharged children.

5. Family counseling and rehabilitation.

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers, and giving of North Carolina Baptists and other friends. We are indeed greatful for every remembrance.

The physical, social, and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the fine response of those boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their ability to work with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small Home at Chapel Hill in cooperation with the University Medical Center.

They are receiving the best professional medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of Public Welfare and others plead with the leadership of the homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him". We lay upon your hearts four areas of need.

1. An immediate increase in the number of children in good foster homes in all areas of the state.

2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.

3. An increase in financial support to undergird and strengthen the entire program.

4. A generous Thanksgiving offering is a must. Without it we cannot maintain what we now have in progress. We would challenge pastors, Sunday School superintendents and Church leaders to make the best preparation possible for the forthcoming offering.

Financial support for the past year has come from the following sources:

1. Cooperative Program 33%.
2. Thanksgiving offerings 30%.
3. Once a month offerings 16%.
4. All others 21%.

Charity and Children, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist people. An issue of the Charity and Children can be enjoyed each week during the year for only sixty cents. See that your church receives it.

Our Baptist Orphans are receiving the best education, health care and spiritual training that can be made available. Are you and your church having a part in this great work.

"Verily I say unto you, inasmuch as ye have done it unto the least of these my breathren, ye have done it unto me."

Respectfully submitted,

MRS. RUBY YOUNG

20. Report on Homes for the Aging—Read by Rev. R. C. Bailey in the absence of Rev. Grady Norman.
Rev. W. A. Poole, Supt. of Homes for Aging, urged that we give more through the Cooperative Program in order that their greatest need, more space, might be met.
Report adopted.

North Carolina Baptist Homes for the Aging

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful manner during the twelve years of our operation, and the past year has been filled with His goodness.

We are now able to serve 160 residents in our four Baptist Homes and are now looking forward to the day in the future when the arm of compassion can be extended to reach and serve more of our aging people in Western North Carolina.

The greatest single need is for more space. Today there are 160 people waiting for admission, from all areas of our great State, and it is a heart-breaking experience to keep these dear people waiting who so urgently need to come.

The average age among our residents is 80. Our youngest resident is 65, and our oldest resident will be 102 in July. Between this age span, we are seeking to meet almost every conceivable life need of the individual. Each person, in an atmosphere that is distinctly Christian, is surrounded by love, peace, and security. Perhaps one of the greatest single contributions that is made is the nursing care that is given in the event of illness. The resident is assured that he will receive tender loving care in sickness as well as in health.

The tie with our Baptist people and our Baptist Churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. The two most vital media of support from the churches are Special Day Offerings, received on the third Sunday of February each year, and the Homes' share in the Cooperative Program. Inasmuch as we receive only 1 3/10% of the State Convention's share of the Cooperative Program, $7.92 out of each $1,000.00 contributed through the Cooperative Program, we shall have to continue to look to the Special Day Offerings for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

REV. GRADY NORMAN

21. Report on Hospital—Dr. W. K. McGee gave this report and urged that we increase our Mothers' Day offering in order to minister to suffering both physically and spiritually.
Report adopted.

Report on Baptist Hospital

The opportunity of serving persons created in the image of God is a high and holy privilege.

You and I have such an opportunity in multiplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who soothe the fevered brow, give the miracle drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those who receive the services of our Hospital this year will be greater than the population of one of our medium-size North Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. They will come from all areas of our state and from all walks and circumstances of life. What a privilege it is to serve these friends in need and what a challenge to our skills and our compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item in our church budgets designated for the Hospital, is the means through which we make it possible for those who cannot pay to have the care they need. The $176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

Respectfully submitted,
DR. W. K. McGEE

24. Finance Committee report was given by Rev. Robert L. Clark. Report adopted.

Finance Committee Report

Your finance committee takes pleasure in bringing its report to the annual session of The Macon Baptist Association. We are glad to report that 29 of our churches gave through Associational Missions. Many of these churches I am sure made a real sacrifice to give the amount they gave. Many of them were in building programs or were otherwise having financial obligations. We give our hearty congratulations to the Churches that joined us in a co-operative effort for the first time this year. Of course, we are always grateful to the Churches that for many years have been faithful in supporting the work of Christ through our Associational Missions.

There are no major changes in the suggested budget for this coming year. The overall amount to be raised by the Churches of Macon Association remains the same. I call your attention to a change in the Music department which we felt needed more money to promote its work this year, especially the Associational Music School in Sep-

tember. The other amount we wish to mention is for the department of Evangelism. We felt that a good amount was needed to promote the Baptist Jubilee Revivals, March 29-April 12, 1964 which we hope to participate in as an Association. We would remind you again this year of the constant need of Truett Camp for financial assistance. Gifts to this cause should be designated and sent through our Associational treasurer.

As we end our Associational Year we are grateful for a good year financially. However we end on a shortage of funds to meet some of our obligations. We are confident that the Churches of Macon Association will through the Spirit of Christian co-operation make up this shortage in the next few weeks.

One of the most important steps of growth that our Association could take is that we become 100% in financial participation in and through our Association's work. We as your Finance Committee urge all Pastors, Church clerks, treasurers, deacons, and Sunday school workers to return to your Church and ask your people to join us in the great work that Christ has called us to do. Missions must begin right here at home in our own Association if we are ever to reach out to the untold millions in the world that need the message of Redemption of Christ our Lord.

Special Request of Finance Committee:

We the Finance Committee recommend that Macon Association request from the Baptist State Convention of N. C. that through its department of State Missions, it assist us with the expenses of our Association as set forth in this budget, to the extent of $1,380 for the year 1963-64.

We also recommend that our Churches of this Association will strive to raise their contributions through our Associational Missions by 10% this coming year.

Finance Committee

Report adopted.

Associational Resolutions — 1963

We, the Baptist people of this association, thank the members of Gold Mine and Highlands for the cordial courtesies that have been shown us during this meeting.

We appreciate the parts the leaders of the state and county have taken during the year and on this program to make this a successful association.

We encourage every church in the county to organize more Training Unions, Brotherhoods and Woman's Missionary Societies.

We also urge each church to make improvements, if necessary, become full time churches and provide pastoriums for their pastors in order that we can work together all the time.

We welcome to our county new ministers and members taking part in our program for the Lord's work.

We resolve to try to make this coming jubilee year the best we have ever had in our churches, homes and neighborhoods.

Respectfully submitted,
Mrs. W. N. Cook
Mrs. W. A. Cloer
Mrs. Donald Seagle

At this point the moderator for recognized the pastors, Rev. A. J. Smith, and members of the newly organized West Union Church.

26. The report on Ministers' Retirement was given by Rev. Robert L. Clark.

Report adopted.

Report on Annuity

God has given our Southern Baptist leaders a vision to aid and protect its Pastors, their wives and Churches. We as Ministers, Churches many times fail to take advantage of opportunities that are before us. We fail to realize that time is swiftly passing and one day we will be unable to carry out our calling as the result of "Father Time" has caught up with us.

Bro. Pastors, and Churches are you planning for tomorrow? If your pastor were to become disabled now, what provisions have you made for his care? Would you, or could you, care for him indefinitely? These questions can only be answered by a way that has for many years been provided by our Baptist leaders who faced these questions and came up with a program to answer this great need that we face now. Why not join the annuity Board now? You insure your Church Building, also your pastorium. You say, that it is good business. To protect your Church and your pastor is good business, too. Pastors, Churches, while time is on your side get in the Southern Baptist Protection Plan. The cost to the Church is 10% of the Pastor's salary. Surely this is not too much for the Church to invest in the security and support of its Pastors when they can no longer serve because of a[illegible]e.

A direct mail campaign is now under way to enlist more than 17,000 churches of the Southern Baptist Convention who are not covered by the Annuity Board's retirement and protection Plan.

According to a recent survey completed by the personnel of the Annuity Board more than 12,000 of these are Churches with 200 members or less. The survey also reveals that 9,700 of these Southern Baptist Pastors who do not belong to the retirement Program make less than $2,000 a year. Out of the total number of Churches in the Convention with 200 members or less, 63% are not enrolled in the protection plan. In North Carolina our average is 67% in the Churches with membership of 200 or less.

In our Association more than 90% of our Pastors are not in the annuity protection plan. This means that our Churches are not taking advantage of the Protection that they could give themselves and their Pastors in the years that lay ahead.

Could we urge our Church Leaders, Deacons, Sunday School Supt., Training Union Dir., and the fine laymen of Our Churches of this Association to give this your serious consideration in the near future? Your Pastor will not ask you to enroll him for he serves not for compensation but because he loves God and is called to do his work. But, he will be grateful, and you will be glad to have a part in his ministry through this Plan.

Mr. Guy Cain is the field representative for North Carolina. His office is 201 Hillsboro Street, Raleigh, N. C. He will be glad to come and talk to you about the Annuity Board's ministry.

Respectfully submitted,
Robert L. Clark

27. The Historian's report was given by Mrs. I. T. Peek. Report adopted.

Historian's Report — 1962-63

Our churches of Macon Association continue to grow.

Cartoogechaye's pastor, Gene Southard, is now serving the church on a full-time basis. This church is enjoying the best attendance in years. They have purchased a 20-passenger bus to provide transportation for those who needed it for church attendance.

Rev. Harold Hughes, pastor of the Higdonville Church, was ordained at West Franklin Church March 24, 1962. This church recently voted to departmentize the Sunday School. They have also adopted the largest budget in the history of the church, amounting to almost $5,000. The budget includes an increased amount for both associational missions and the cooperative program. This small church, with a membership of 99, ranked sixth in mission gifts last year, during which time they were finishing work on their new building.

Highlands First Church recently accepted the resignation of their pastor, R. Clinton Bailey, who has served the church for the past year and a half. This church recently had a revival with 14 decisions and several additions to the church.

Black Mountain Church, Bennie Haire, Pastor, was blessed with 14 baptisms in the past few weeks.

Mount Hope, Carl Sizemore, Pastor, has had 52 additions to its membership since Mr. Sizemore came to the church December, 1963. The Lord continues to bless his ministry and the Mount Hope Church.

Holly Springs elected the Rev. John Sigmon of Hickory as pastor. The 29-year old pastor recently came back to North Carolina after working two years with Home Mission Board and three years as Pastor of Arlington Baptist Chapel in Arizona. He now lives in their pastorium. On Sunday, July 14th, they entered their new church building. The old building has been sold and is soon to be razed.

Clear Creek's Pastor, Mack Reed, was ordained December, 1962 in the Macedonia Church where he was a member. Mre. Reed is also pastor at Shortoff Church. His church recently voted to support financially the association's mission program.

Cowee Church, Robert L. Clark, Pastor, recently elected a new finance committee and building committee. Definite plans for the new auditorium are to be made soon.

Iotla Church, M. I. Brock, Pastor, has renovated its building, constructing an arch across the front and changing the color of walls and pews. The church is also erecting a new educational building in the rear of the present building. This will house 16 classrooms, several assembly rooms, a kitchen and restrooms. Plans are to departmentise the Sunday School when the structure is completed.

Liberty's Pastor, Howard Willis, has resigned to accept a call to the Grandview Church near Waynesville. During his two-year pastorate there were 35 additions.

Oak Grove, Jud Duvall, Pastor, has erected a two-story structure back of the present building consisting of classrooms and a fellowship hall.

Pine Grove's Pastor, Howard Willis, resigned to accept a church near

Waynesville. He had only served the church for about a year. During that time, the church organized a training union and increased the pastor's salary considerably.

Sugarfork, Pastor, Jess Cunningham, has remodeled the building. A new floor has been installed and new colorful stained-glass windows. Possible plans for a new roof are also being discussed.

Windy Gap Church, Grady Norman, Pastor, has covered the auditorium floor with tile and purchased new pews which will be installed soon. Also, they have accepted 38 arm-type chairs from Gastonia Memorial Hospital which are to be used in some of the new classrooms.

East Franklin's Pastor, Jack Lewis, who had served there about three years, recently resigned. Earnie Sanders has been called to serve this church.

Newman Chapel Church, with W. K. Shields as Pastor, is working on the new educational building.

West Franklin Church, Pastor, Horace Falls, has finished the inside of its new building. The walls of the auditorium have been plastered and new flooring installed. The assembly and classrooms have received the finishing touches. They also have new pulpit furniture and pews. This membership continues to grow.

Franklin First, Robert R. Standley, Pastor, recently had an effective revival conducted by the Rev. Roy Smith which stimulated the spiritual understanding of the people. There were many decisions and professions of faith. Carl Perry, Minister of Music of First Church, Asheville, directed the music for the revival. A successful Vacation Bible School was held this year with an average attendance of 126, and several professions of faith. Construction of the new auditorium has progressed in complete harmony on the part of the congregation and in unity of action. The building is financed by a bond issue of $140,000, purchased in large part by the membership of the First Church, and with offerings. It is hoped that they will get into the new building by early Fall. In January, the Reverend R. R. Standley informed the church that he would leave during the year. Recently, he has stated that he will be working with the peace Corps, probably in Ecuador. The church has a pulpit committee searching for a successor to Mr. Standley.

According to a recent report from the Baptist Hospital, all but two of the Association's 46 churches have made a contribution this year to the Mother's Day Fund.

We regret that space will not permit recognizing all the churches; however, other churches in our association have made outstanding progress in various phases of work. Revivals and Youth Weeks have been particularly faithful.

May our Heavenly Father continue His blessings upon us, and may we, in turn, be a blessing to others.

Respectfully submitted,
MRS. I. T. PEEK, Historian

28. With the singing of the hymn, "We'll Work Till Jesus Comes", and a prayer led by Rev. A. J. Smith, the session adjourned to meet with Highlands Church on the second day.

SECOND DAY

29. Highlands Church was our host for the second day's session. Rev. M. I. Brock called the meeting to order at 9:30 a. m. Rev. Howard Willis led the group in singing "All Hail the Power", with Mrs. Ed Brogden at the piano.

30. Rev. John Sigmon, pastor at Holly Springs, led the devotional period using Isa. 54:2.

31. Rev. R. C. Bailey, pastor of the host church, extended a hearty welcome to all present.

EXALTING CHRIST THROUGH EVANGELISM

32. Rev. R. C. Bailey gave the report on Evangelism.

Rev. M. I. Brock said, "We need an upsurge of evangelism in every Church in Macon County. Evangelism is (1) a personal matter, (2) a positive matter, (3) not positionized."

Report adopted.

Evangelism Report

Evangelism is the heart of the church and all of its organizations. Every phase of the church program can only justify itself through the relationship of the Son Of The Living God. Christ gave His life for the redemption of mankind: therefore every Christian and every organization must be a part of the redemptive process of God. The nature of Christian experience is to express itself in personal evangelism shared by the pew as well as the pulpit.

There is a great deal of interest among the people of our association as was evidenced by the large crowd in attendance at our regular Evangelism Workshop under the dedicated leadership of Brothers Clyde Hopkins and Gary Harthcock. In addition a special program was also held at the Franklin First Church on the theme "Evangelism In The Church". The Associational leaders of each church organization led their group into a better understanding of the relationship of their work to the total church program of evangelism. To my knowledge this was the first program of its kind to be held in the convention.

We rejoice for the priviledge of laboring together with Christ in an effort to spread the wonderful news of salvation to those who hunger and thirst after righteousness. Our hearts have been warmed as the Spirit has quickened the hearts of 234 souls, creating them anew in the likeness of the Son Of God. How many more were ripe unto harvest but left in the field because the laborers were too few?

As we close the record book upon another associational year, we humbly thank our Heavenly Father for the victories won, and turn our attention to the task before us. There is much to be done as we continue our efforts to get ready for the great endeavor before us in 1964. We, in our own strength, cannot bring a revival but there is no record in history of a revival among God's people against their will. History reveals that every spiritual revival has come only when God's people have longed for and earnestly prayed for it. Also a fervent proclaiming of the Gospel has always been in evidence when God poured out His Spirit in power upon His people. Of course this means

that revivals are of God but it also means that He uses His people in them.

1964 has been designated as the climatic Jubilee year for our best effort under God in evangelism. Plans call for Jubilee Revivals in every Baptist Church on the North American continent. The pastors of the Macon Association at their conference on Monday of this week voted unamious approval of their support through the churches. The success of this Jubilee year will of necessity depend upon each individual member of every church in the association doing their share in this great simulateneous effort.

The following are your plans and those of every Southern Baptist for 1964. Let us prayerfully study them and follow them as the Holy Spirit leads:

FALL 1963—

Sunday School Enrollment Increase
Associational Evangelism Clinics
New Year's Eve Prayer Service

JANUARY AND FEBRUARY 1964—

Soul Winning Committment Day
Bible Study Week
Training Union Program on Evangelism
Evangelism Clinic
Associational Sunday School Witnessing Campaign
State-wide Evangelistic Conferences
Special Associational Evangelistic Rallies
Pre-revival Visitation

In addition to these a Spiritual Growth Program will be inaugurated consisting of Prayer, Preaching and witnessing in an effort to reach those un-enlisted in Sunday School and Training Union with an increased desire to deepen the spiritual lives of those already participating.

May each of us covenant together this morning to surrender ourselves to the working of the Holy Spirit until every knee shall bow and every tongue confess that Christ is Lord.

Respectfully submitted,
R. CLINTON BAILEY

EXHALTING CHRIST THROUGH EDUCATION

33. Student Union Report was given by Hilda Sanders, student at Gardener-Webb.

Report adopted.

Baptist Student Union Report

Christianity is the religion of enlightenment and intelligence. All real believers endure to the end, because they are kept by the power of Geod through faith. Thir continuance in well-doing is the mark which distinguishes them from the mere population. They are ready to work with all men of good will in any good cause. I Peter 3:15 reads, "Be ready always to give an answer to every man that asketh you a reason of the hope that is in you . . ."

The Baptist Student Union is made up of both Baptist and non-Baptist college students. Members of this organization are voluntary

and are willing to direct our people in the most effective manner. The Baptist Student Union is the function on all Baptist and some non-Baptist college campuses which seeks to remind each student of his responsibility to Christ and his obligation as a Christian citizen.

The BSU'ers sponsor daily vesper services and student revivals on the campus. The vesper services consist of discussion, prayer, meditation, personal testimonies, and singspirations. These activities bring together those students who are interested in seeking and giving help and advice. New friendship and ideas emerge from these meetings. Each year the BSU sponsors a campus revival. This is the time for those students who are preparing for the ministry to have practical experience in their field of work.

When a student is planning his first year of college, he should think of his religious background. He should realize that he is under obligation to serve Christ with his time, talents and material possessions. During the first few weeks of his college life, he is faced with new decisions and a variety of activities. Here and now is the time when his Christian experience is tried.

The treasurers of wisdom and knowledge are hid in Christ. All sound learning is therefore a part of our Christian heritage. The Baptist churches should seek to develop a spiritual harmony and voluntary co-operation to provide a more adequate system of schools for a more complete spiritual program for the youth of tomorrow as well as those of today.

According to information from the Baptist Sunday School Board, only 16.1% of the Baptist students are attending Baptist colloges. This statistic is due to one fact mainly: there are not enough Baptist colleges to provide the student with the Christian education which he is perhaps wanting. Macon County churches represent only one hundredth of the counties of North Carolina. I feel sure that the churches of the county could provide their percentage of support if they would sacrifice more of their time and money. Each church can also help to prepare students by having spiritual emphasis on the subject of "Off-to-College".

Each year more and more students are enrolling in colleges. Christian education must expand in order to train the future Baptist leaders of tomorrow. The Baptist Student Union not only needs your financial support; they need your prayerful support.

Music Committee Report

35. The Church Music report was read by Rev. C. T. Taylor in the absence of Mr. Jack Powell.

Report adopted.

The Music Committee met two times during the past year. I attended the associational workers conference at Waynesville. Plans are almost complete for the associational music schools to be held in Franklin First and Highlands First churches on the week of September 15. Both schools will have a hymn sing on Sunday, September 15. We have workers from our state and also from the Southern Baptist headquarters to be with us in these schools. Two choirs from our as-

sociation participated in the choir festival and one of these attended the state wide choir festival at Winston-Salem and the other attended the Junior festival at Mars Hill.

Report on North Carolina Baptist Colleges

36. The Christian Education Report was given by Rev. John Sigmon. Report adopted.

ENROLLMENT

(fall semester, 1962)

Campbell College	1,727
Chowan College	851
Gardner-Webb College	615
Mars Hill College	1,189
Meredith College	880
Wake Forest College	2,915
Wingate College	1,012
Total	9,189

Of special interest this year is the fact that Campbell College graduated its first senior class. Mars Hill will be graduating its first senior class in the spring of 1964.

The advancement of our program of Christian education continues to be made possible through the gifts of the local churches through the Cooperative Program. The Baptist colleges of North Carolina deeply appreciate what has been done through the Christian Education Advance. The benefit from this program will be felt by the colleges for many years to come. We urge all Baptist churches to cooperate with Director R. T. Greene as we move into the final year of the campaign.

We are more strongly convinced than ever that the denominational college plays its most vital role in its production of Christian leadership, not only in Christian vocations such as the ministry, missions, evangelism, church music, religious education and related fields; but, more particularly, it is contributing a vital leadership through laymen who are serving in many capacities in local communities.

This past year during Christian Education Day we emphasized the fact that Baptist colleges (North Carolina) now have missionary alumni who are serving all around the world. Almost 200 dedicated men and women are preaching the gospel in many lands and in many tongues.

But we must remember that it was Dr. Baker James Cauthen who, in a letter to the secretary of the Council, pointed out that in addition to this wonderful contribution, Baptist colleges are sending hundreds of graduates back into the local community with a direct interest in missions and other phases of church work. Baptist colleges are taking seriously the task of producing Christian leadership for our times.

FOUR GREAT CHALLENGES FOR CHRISTIAN HIGHER EDUCATION

1. The challenge presented by the plight of modern youth who are desperately trying to find the meaning of existence in a world which elders did not know, a world teetering on the brink of atomic destruction on one hand and staggering under the burden of military training on the other.
2. The challenge of Christian leadership in a world which for the past several years has watched an alarming decline in the number of men and women committing themselves to the Christian vocation.
3. The challenge of liberty and individual freedom and dignity in a world which has witnessed a dehumanization of man on every level.
4. The challenge of a culture which has radically changed from Christian to non-Christian in practice and world view.
5. The challenge of high academic standards and competent teaching.

CHRISTIAN EDUCATION EMPHASIS FOR 1964

Therefore, mindful of the real dangers which our denomination faces with a decline in the number of young people answering the call to full-time Christian service, your Baptist colleges, working through the Council on Christian Education, have designated Christian Education for 1964 as **Christian Vocational Day.** This will be a day for "calling out the called," the day in which the colleges will join our churches in appealing to young people to heed the call to the ministry, missions, and evangelism, to prepare themselves to accept positions of leadership in religious education, church music, and in many of the special fields related to these.

It is the hope of the colleges, through the Council, to make this a permanent emphasis, not only in the "calling out of the called," but in recognizing the role which the layman plays in the church and community.

In addition to this, we hope to make the Christian Education Day offering next year a great offering to help those young people answer the call to full-time Christian service and to go to college. The colleges feel that for too long this area has been neglected. While thousands of dollars are available in scholarship funds in this country for those who want to study science, technology, teaching, or many other professions, there has been no corresponding effort to help the Christian vocational workers overcome their financial problem.

This plight is painfully illustrated by what happened in a church not too many weeks ago. According to one of our fine associational missionaries, a young woman went home from the morning service with great enthusiasm and a determination to give her life to full-time Christian service. At lunch, after she had expressed this desire, the father shook his head sadly and said to her, "I wish this could be possible, but you might as well put it from your mind. We can barely pay the taxes, much less get up the money to send you to college." This is a true story, and we will perhaps never know how many young people have been lost to leadership because we have failed to provide sufficient help.

And, finally, we conclude this report by an appeal for all the

churches and all the Christian people in our state to join hands with us in 1964 in making it a great year when we "call out the called" and in which we provide adequate funds for helping these young people go to college.

38. The Seminary Extension Report was given by Rev. Roy J. Smith. Report adopted.

Seminary Extension Report

The Macon Seminary Extension Center was one of eleven centers operated in Region 10 this past year. There were five Negro centers, five white centers, and one center was located on the Cherokee Indian Reservation. At least one Center was located in each Association.

Two hundred thirty three pastors and lay people were enrolled in three hundred eight courses.

In the Macon center twenty eight people were enrolled in three different courses, O.T. 121, R.E. 135, and Pastoral Ministries 133, earning a total of fifty three credits.

This past year was a good year in our work. We thank God for the priviledge of this ministry and look with enthusiasm to the future. Plans have been finalized for the coming year. Rev. Carl Sizemore is the Director of the local center, Mrs. Hyldah Shepherd is Registar-Treasurer.

The Macon Seminary Extension Center will open September 30, 1936. The center will operate for a duration of twelve weeks. Two courses will be offered; N.T. 122, a study of the life and ministry of Paul, taught by myself, and Rural Church 143, a study of the life and ministry of the church, taught by Rev. Larry Bryson, pastor of the Cherokee Baptist Church. Funds are available to help any who need financial assistance in defraying the expenses of the course.

It is my sincere desire that every pastor, church leader and Bible Student would join with us in the study of God's word and the work of His Kingdom.

39. The Truett Camp report was given by Rev. J. Elmer Green. Report adopted.

George W. Truett Camp Report

For the past nine years, the George W. Truett has served the spiritual and educational needs of the people in Region 10 in a marvelous and unique manner. There are no accurate means of evaluating the total influence for good in the lives of the boys and girls, young people, and adults who have had the privilege of attending the Camp across these years.

Since the Camp's beginning, scores of boys and girls have accepted

Jesus Christ as Savior and many have responded to the Lord's call to full time Christian service in the highly spiritual and inspirational atmosphere of the planned programs each year. It is very rare, indeed, for an unsaved boy or girl to attend camp without becoming a Christian before returning home.

During the past three years, some improvements have been made. A small lake for swimming has been built, a fairly large area surrounding the buildings has been cleared, and some grass has been planted.

This year, the water supply to the camp has been improved by the installation of a 6,000 gallon reservior several hundred feet up the mountains into which water is pumped from the present well during the periods of low usage. This system is proving very satisfactory in providing a continuous water supply for drinking, cooking, and bathing. The cost of this addition was $575.00 which has been paid.

At the present time, funds are being raised and given by the WMUs of the Region to purchase paint for the interior of some of the buildings.

This season, close to 200 boys and girls will have attended camp, and over three hundred other persons will have used the facilities of the camp for other educational, religious, and recreational purposes.

We are grateful to the Baptist State Convention for providing, in addition to the Camp Manager's annual honorarium, $480.00 to be used for two college students per week for eight weeks. These students have strengthened th work of the camp in a significant manner this season.

A slate of Sunday School officers for 1963-64 was presented and accepted. See Directory.

Sunday School Report

In our Mass Meetings this past year we have stressed
1. Sunday Schools and Missions
2. Better Bible Teaching
3. Grading in the Sunday School

Our theme for 1963-64 is "Outreach for the Unreached—Spearhead for Evangelism. We hope our association will schedule the Sunday School Witnessing Program next January or February in preparation for the Jubilee revivals. All teachers and officers should be soul winners.

In reaching out for the unreached we urge each Sunday School to have an enlargement campaign. The state Sunday School Department will help us follow the proven formula: locate the prospects, enlarge the organization, provide space, train the workers, and visit the people. When we put these into practice along with the observance of the laws of Sunday School growth, we will grow. Functioning Cradle Roll, Extension, and Young People Away departments will reach the unreached. The Extension Bible class will also be of great assistance in enrolling the unenrolled in Bible study.

Each Sunday School should observe January Week of Bible Study, plan a church mission Vacation Bible School, promote Operation Home Study and other related projects of the Church Study Course, make possible its workers attending the assemblies at Caswell, Fruitland, and Ridgecrest. In this year Evangelism, each teacher and officer should win at least one person to Jesus Christ.

All churches are asked to cooperate with the associational Sunday School program. Attend the meetings. Become acquainted with the goals for 1963-64. Let us work together in such a way that all might come to know Jesus Christ as Lord and Saviour.

I want to express my appreciation to Rev. C. T. Taylor, Associational Field Worker for the help he has been this past year and to all the Associational Sunday School workers for their help.

Respectfully submitted,
WADE BUCHANAN

52. Training Union Report—Read by Mrs. Fred C. Jones in the absence of Mrs. Mary Powell.

Training Union Report

In many respects, this has been a good year in T. U. work. As always, there are many places where improvement could be made but we had two firsts in T. U. work this year. One was a group of ten young people from six churches attending T. U. Youth Convention in Boone. Nine of the ten made rededications or life committments. The other first, so I'm told, was Youth Week held in several churches and reported. I understand in the past some churches have held Youth Week but our state workers tell me they were not reported.

Two "M" night programs were held again this year. The attendance was 327 with Mashburn's Branch winning the attendance banner with 100% of their membership present.

Youth Night was low in attendance, however the success of a meeting cannot be measured by the number present. The Young People joined wholeheartedly into the fellowship hour and an interesting message was brought by the Rev. Roy Smith.

Tournament work is still lagging, but many pastors pledged to give better support this year.

I attended the Associational Leaders Conference in Waynesville,

which was led by Harvey Gibson from the Sunday School board.

Many things are being planned for next year's work, so let's work more faithfully in order that the work of the T. U. may bring greater honor to our Lord.

MARY POWELL,

53. Vacation Bible School Report—Read by Rev. C. T. Taylor for Mrs. Mary Powell.
Report adopted.

Vacation Bible School Report

In January, workers in every department of V. B. S. work attended the State V. B. S. Clinic at Wingate College. On March 22, the Macon Associational Clinic was held with 77 present and 16 Churches represented.

There were three schools in our Association which met the Standard this year. We congratulate Mount Hope, Iotla and Cowee Churches in this achievement. Much hard work and planning are required for a Standard School.

Our Associational Bible School worker for this summer was Miss Edwina Bishop. Edwina conducted several schools and our Field worker conducted some.

As of this date I have not received all the reports, but averages from those received show that the schools thus far reported are doing s good work in most respects and better in some than the work done last year. The average offering to missions is more than $5 per church and the average enrollment is 6 more per church.

MARY POWELL,
Associational V.B.S. Supt.

Woman's Missionary Union Report

In the Macon our ranks in missionary organizations are small. However, we are thankful for the faithful organizations we do have and feel they are doing excellent work. We have 12 WMS organizations with 252 members, 3 YWA organizations with 27 members, 20 G.A.'s with 139 members and 12 Sunbeam Bands with 124 members. Making a total of 117 organizations with 542 members.

Some of the highlights in our work during the past year were:

A SUNBEAM DAY CAMP—On August 16 under the direction of our Associational Sunbeam Director, Mrs. Furman Shook. This was our first Day Camp and proved to be a complete success. Ten adults, including 3 pastors assisted with the Camp. There were 39 eight-year Primary Sunbeamers attended.

G. A. CORONATION SERVICE—On August 23 at the Ridgecrest Church. This was one of our largest and most beautiful services. Re-

ceiving awards for work completed were: 25 Maidens, 11 Ladies-In-Waiting, 8 Princesses, 2 Queens, 3 Queens-With-A-Sceptre, and 3 Queens Regent.

LEADERSHIP TRAINING—Three Leadership Courses were taught, 7½ hours each. Two at Franklin First and one at Highlands First. As a result of these courses we now have 81 leaders of Sunbeam Bands, Y.W.A.'s, G.A.'s and WMS organizations holding Leadership Cards.

MISSION STUDY INSTITUTE—On Thursday, January 31, under the direction of Mrs. Roy Rickman, Associational Mission Study Chairman. Mrs. E. W. Fisher led the discussion. Attendance was good.

ASSOCIATION NIGHT PROGRAMS—We have had two. One at Iotla and 94 present, and one at Ridgecrest with 39 present.

STATE CONVENTION in Charlotte, three attended from the Macon.

THE ANNUAL WMU MEETING was held at the Cowee Church on Wednesday, April 24. This being the 75th Anniversary of Southern Baptist WMU work our theme for the meeting was "A Priceless Heritage."

Our work for the past year was unusually high in quality. 19 of our organizations received recognition on Aims For Advancement. Of that number 9 were Honor.

Not only was the work of our individual organizations good, but our association was one of twelve in the state to receive "Honor" recognition.

Thirty-four girls and four staff workers attended Camp Truett for a week in July. This was our associational G.A. Camp. All reports from the Camp have been good.

Our next associational meeting will be our G.A. Coronation to be held at the West Franklin Church on Thursday, August 15. Everyone is invited.

Report adopted.

Brotherhood Report

It is with thanksgiving to God and to the members of the associational Brotherhood organization, that I am able to bring this report on the Brotherhood work in the Macon Association.

The Brotherhood's executive committee has had three planning meetings and three mass meetings during the year. The first mass meeting was held with the West Franklin Church on November 20, using as the theme, "Stewardship." Using the theme, "The Brotherhood and Missions for the program, the second meeting was held with the Windy Gap Church on February 14, 1963. The third and last meeting was held with the Ridgecrest Church on May 16, 1963, with

"The Brotherhood and The Church Revival" as the theme for the program. Each of the programs followed the same pattern, with a panel discussion on the theme and an inspirational message by one of our pastors. All the meetings were well attended.

During the year two new Brotherhoods came into being, namely, Higdonville and Mount Hope. Both of these new organizations are off to a good start with good enrollment and attendance. The Higdonville men are sponsoring an R.A. Chapter and the Mount Hope men are soon to do the same.

To date, there are eight churches with Brotherhoods in the Association, leaving 38 churches without any organized Brotherhood work. This presents a challenge to the associational Brotherhood organization to endeavor to organize more Brotherhoods in the coming year.

If your church should desire a Brotherhood, please feel free to call upon either the Brotherhood president or the field worker. If any new or old organization should like to have free literature on Brotherhood work, either write the State office at Raleigh or call the president or field worker.

May we look forward to a fruitful year in the work of the church Brotherhoods and the associational Brotherhood work.

"Rise up, O men of God!
His Kingdom tarries long;
Bring in the day of Brotherhood
And end the night of wrong."

PROCEEDING OF THE

SIXTY-FIRST ANNUAL SESSION

of the

MACON BAPTIST ASSOCIATION

Theme: "Liberty and Light"

Scripture: "And ye shall know the truth, and the truth shall make you free."
John 8:32

1. The Windy Gap Church was the host to the first day of the sixty-first annual session of the Macon Baptist Association. The meeting was called to order at 9:30 a. m. by the moderator, the Rev. M. I. Brock.
2. With Mrs. Roy Rickman at the piano and the Rev. Robert Clark leading, the group sang "I Am Thine O Lord."
3. The Rev. L. C. Pinnix, pastor of First Church, Highlands, led in the devotional period using Psalm 95.
4. The Rev. C. C. Welch welcomed the session to Windy Gap. The moderator recognized all new pastors and visitors.
5. The report on Enrollment and Statistics was submitted by the Rev. James F. Collette. The clerk had received 44 church letters representing 164 messengers. The report was accepted as information. A roll was called of the churches with those elected by their church as messengers standing to constitute the governing body of the associational meeting.
6. The printed program was adopted with necessary modifications to be made.
7. The Chairman of the Executive Promotion Committee, the Rev. Carl E. Sizemore, was recognized to read a proposed change in the constitution.

Proposed Change

"The Executive Promotion Committee recommends that the constitution be changed as follows:

Article IX, section 1, will be changed to read as follows:
That the Annual Association Meeting be held the Thursday before the second Sunday of September each year, and that the meeting consist of three sessions; morning, afternoon, and night."

8. Report on Baptist Literature - Rev. Robert L. Clark, G. W. Bazemore of the Biblical Recorder, spoke to the report. He stated that three words were very important to remember: Inform, Influence, and Interpret.

REPORT ON BAPTIST LITERATURE

Sensing the great power of the pen and the great need around the world, Ellen G. White wrote:

> The pen is a power in the hands of men who feel the truth burning upon the altar of their hearts, and who have an intellignte zeal for God balanced with sound judgement. The pen, dipped in the fountain of pure truth, can send the beams of light to dark corners of the earth, which will reflect its rays back adding new power and giving increased light to be scattered everywhere.

The printed word is one of the most powerful forces in the world. God speaks to his people in many ways, but one of the most important ways is through the printed page. Someone has said that if we have but three minutes to read, we should spend two of them thinking about what we have read. This is good advice, for it gives God time to get his message across to us.

Christian Literature is the "KEY" that unlocks doors that may reveal a truth not understood before, whisper a word of encouragement, or give special guidance.

A "key" has a definite purpose. Let us consider some of the purposes of the "key", Christian Literature.

First, Christian Literature helps to indoctrinate. Someone has said that it is not of great significance what you believe as long as you are sincere in your belief. A sincere wrong belief may lead someone to be lost eternally. It is imperative that we, Southern Baptist, know what we believe and why we believe it. How can we reach the masses of people except through Christian Literature, which helps to enlighten, correct error, and strengthen one's convictions.

Secondly, Christian Literature helps to enlist. No person is interested in becoming a part of or supporting a program of work which they know nothing about. Informed Christians will then become active Christians.

Thirdly, Christian Literature inspires. Worship Services, Prayer Meetings, and Sermons are indeed inspirational, but what about day by day problems? Our Baptists Literature contains many articles that give inspiration and help solve daily problems.

Fourth, Christian Literature communicates. It has been said that "there is no such thing as enlisting the uninformed in worthwhile Christian service." Our Baptist Literature serves as a bridge to link the Baptist Program, Missions, Christian Education, etc. to the people.

Fifth, Christian Literature unifies. We as Southern Baptist are one. However, each person is important in our group. Our Baptist Literature helps each Baptist to sense a spirit of togetherness in this great task of winning the world to Jesus Christ.

The Southern Baptist Convention has sought to use printed truth for God's glory. The Sunday School Board publishes millions of copies of attractive religious material for every age group.

We not only have these many and good publications by our Sunday School Board, but other key publications include our State Paper, The Biblical Recorder, Charity and Children, published by our Children's homes, The Commission, our Foreigh Missions magazine, and Southern Baptist Home Missions Magazine. Other mission magazines used by our Baptist members are Royal Service, The Window, Tell, Sunbeam Activities, and Ambassador Life.

Church Administration Magazines - The Church Library Magazine, The Church Musician, Church Recreation, and The Church Administration Magazine.

Devotional Magazines - Home Life, and Open Windows. Special magazines to meet the needs of different groups - The Quarterly Review, The Baptist Student, and The Braille Baptist, and others.

A person may have access to the very best food; however, unless this food is eaten the body can not receive strength and grow. We, Southern Baptist, have access to Christian Literature; however, only, as we read, interpret, and apply the

principles to our lives and work will our lives be strengthened, our churches grow, and lost people won to Christ.

God grant that we may use this great tool, Christian Literature.

Respectfully submitted,
Josephine R. Cabe

9. Dr. L. W. Hollingsworth of Wake Forest College was recognized to bring a report on Wake Forest College.

10. Rev. James F. Collette gave report on Associational Missions and it was adopted.

REPORT ON ASSOCIATIONAL MISSIONS—1964

For men to be free, they must know the truth. God's eternal Word is Truth. For men to know God's eternal Word, they must hear it, and for them to hear it there must be a witness. What greater opportunity for a witness than for 47 Missionary Baptist Churches to unite in one great army to bombarb Macon County with the Gospel. This I believe is Associational Missions or any other kind of Missions.

The program of Missions in Macon Association is sadly lacking in this spirit. Away with the means that somehow becomes an end. We are all one body according to the Word of God and therefore must dissolve our differences around an altar of prayer and repentance that God will restore to us the much needed compassion and determination that makes us an organism alive with the power of the Spirit.

This Association, if united under the cross of Christ, can stem the tide of immorality that threatens our entire world if we so desire. I pray to God that we with the Apostle Paul will forget the failures and successes of the past and move to greater heights of Glory as we turn our eyes upon Jesus and look full in His wonderful face that the things of earth will grow strangely dim in the light of His glory and grace.

Jesus said, "As my Father hath sent me, even so send I you."

This is my heart cry for Macon Baptist Association for the coming year, that all personal prejudices will be sacrificed, that the Body of Christ might move triumphantly forth. This is a crucial hour for Macon County and you, and I will determine the victory by our faith and support of Associational Missions in the days ahead.

Respectfully submitted,
James F. Collette
Interim Field Worker

11. Report on Baptist Foundation was given by Gordon Maddrey. The report was adopted.

THE REPORT OF THE N. C. BAPTIST FOUNDATION, INC.

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumutated Possessions by single block giving at infrequent intervals from accumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on he Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gift annuity, and (3) by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations and to all of our Baptist agencies and institutions.

We have been emphasising the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasures In Heaven," on Christian will making, which are available to any organization upon request.

C. Gordon Maddrey, Executive Secretary

12. Report on Civic Righteousness - Rev. James F. Collette. Report adopted. Chaplain James C. Furman of the Christian Action League spoke to the report.

REPORT ON CIVIC RIGHTEOUSNESS

Chaplain James C. Furman of Columbia, S. C., and Nashville, Tennessee, has been elected as the Associate Director of the Christian Action League of North Carolina. He will spend his time as a representative of the League's work by speaking in high schools and churches throughout the state. Mr. Furman was elected at the Executive Committee meeting in Greensboro on Thursday, January 30, 1964.

Mr. Furman is a native of South Carolina and a graduate of Clemson College. After spending a number of years in the motion picture industry in Hollywood, New York and other cities as an advertising, publcity and public relations man, he enrolled in and three years later graduated from Southern Baptist Seminary in Louisville, Kentucky.

Chaplain Furman lived and worked in Tennessee for sixteen years as Executive Secretary of the United Tennessee League, Inc. His family resides in Nashville and will remain there. His work with the N. C. League will be on a part time basis. Mr. Furman recently completed the one year internship in the School of Pastoral Care, S. C. Baptist Hospital, Columbia. Just prior to this, he completed six weeks' training at N. C. Baptist Hospital, Winston-Salem. For eight months in 1962 Mr. Furman was Chaplain of the S. C. Alcoholic Rehabilitation Center (Palmetto Center), Florence, S. C.

In addition to his work in North Carolina, Chaplain Furman will work with a Baptist Church in Nashville, Tennessee, as counselor.

In connection with the employment of Chaplain Furman, the Christain Action League of North Carolina announces a campaign for financial support. A "1000-100 Club has been formed to seek out $100.00 gifts from 1000 interested individuals, groups, clubs or organizations across the state in its expanding program of work. John Borchert of Charlotte, acting Publicity Director for the League, announced that letters are being mailed to many individuals across the state setting forth the aims and objectives of the League and its plans in the "1000-100 Club" effort.

Respectfully submitted,
James F. Collette

13. Report on Homes for the Aging - Rev. James F. Collette. Report Adopted. Rev. William A. Poole spoke to the report and also spoke concerning the North Carolina Baptist Hospital.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and with much enthusaism. God has blessed these brief years with an abundance of His love and with the good things of life. Growth has been rapid, the development of facilities amazing and the need

for additional space staggering. We have come from 1 resident and 1 building, since March of 1951, to 160 residents and 4 buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick, for whom we cannot care because of lack bed patient space. We must give an answer to these good people and begin now making plans for a nursing facility that will be large enough to receive some of these who are sick, or invalids, at admission.

The choicest bit of news for 1964 is the development of a 5th Baptist Home, to be located at Yanceyville, North Carolina. We are hoping to begin construction on this new project during this year, and thus, the burden of our hearts will have been relieved, in a measure, by being able to care for 30 additional residnets. The Home at Yanceyville is the greatest single bequest that has ever been left for us in our ministry. Enough land at Yanceyville and money were given to the Baptist Foundation of North Carolina for us, by the late R. Sterling Graves and his sister Mrs. Sallie Willie Graves Bradsher, to build and equip the Home there. Even so, we will still need to look to our Baptist people for the maintenance of this Home and for assistance in supplementing needy residents who will live there through the years.

Today North Carolina Baptists are contributing an average of $90.00 a month on the cost of care of 90% of the residents who live in our four Baptist Homes at Resthaven and the Hayes Home in Winston-Salem, at the Albemarle Home and Hamilton Home. This support comes through the Special Day Offerings, received in the churches on the third Sunday of February each year, through designated gifts from church budgets, and through the Homes' share in the Cooperative Program. These needy residents could not possibly be with us, nor could they receive the loving care that they do, if it were not for the gifts from our 3,400 Baptist churches. Earnest heed should be given by each church, therefore, towards increasing the amount of Special Day Offerings and designated gifts to the Homes. This should be emphasized especially in view of the fact that there was a 5% decline in gifts to the Homes during 1963. We will not have an accounting on gifts for 1964 until September, but we can only hope that there will be a considerable increase.

Life among the residents these days is most interesting and filled with a variety of experiences. The youngest resident celebrated her 66th birthday in January, and the oldest her 103 birthday in July. Some are doing creative writing, others sewing, gardening, teaching, painting, and living a good life in general. All are praying for a world and its needs. All are expressing thanksgiving to God for the people called, "Baptists," and for the happiness and security of the Homes that our Baptist people are helping to make possible for them.

There is nothing to prevent our receiving any needy aging person, 65 years old and above, who is reasonable well, mentally and physically, except lack of space. Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship in this great area of human concern and give an answer to as many of these dear people as possible.

William A. Poole

REPORT OF THE BAPTIST CHILDREN'S HOMES

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. No task is more important than helping a child to grow into healthy, well-adjusted, responsible citizenship. At the Children's Homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of in-born God given powers of our children. This is the continuing purpose of your child care program.

Food, clothing, shelter are necessities given every child in the Baptist Children's Homes. They receive carefully planned, well-balanced and nourishing meals. They have a comfortable and attractive place in which to live with care and respect to each child's personality.

Of greater importance than material things is the genuine interest, concern and love given every child by Christian men and women on the staff. Many children who have known only heart break and tragedy learn to love again—learn to trust in themselves, in adults and in God. They find a measure of self-confidence and individual dignity because the Homes operate on the conviction that every child is precious in the sight of God.

Jesus devoted a great deal of His time and energy to the needs of the underprivileged people of His day. How would you like to join Him in our day in making life meaningful and happy for boys and girls who have no home and, who for some reason, know not the love of mother and father—children for whom the future has little to offer? How would you like to help boys and girls who have no hope to come under the impact of the saving grace of our Lord? How would you like to awaken to fruition the intellectual potential of boys and girls who can serve the up-lift of mankind and the furtherance of God's Gospel around the world? This can be done as you join hearts and hands with other friends of dependent children in making a way of life possible for them.

Genuine appreciation is expressed by those who direct our child care ministry for all who support this cause in any way. Income through the Cooperative Program, through the Thanksgiving offering and through Special gifts are vital to the services which are provided those who need our help.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offerings	16 Per Cent
All Other	21 Per Cent

Most North Carolina Baptists are well acquainted with **Charity and Children,** official publication of the Baptist Children's Homes. This unique newspaper is published each week and goes to more than 55.000 subscribers. Well over half the Baptist churches in the state receive it in bundles for distribution to the members on Sunday.

See that your church receives **Charity and Children** so that every family may be better informed about the work of North Carolina Baptists, and particularly the program of child care. The subscription price is sixty cents per year in bundle form.

Respectively submitted,
Mrs. Ruby Young

22. The Hospital report was approved on reception.

ANNUAL REPORT OF NORTH CAROLINA BAPTIST HOSPITAL

The Mother's Day Offering for care of the needy sick has been a part of the program of our churches since 1924 when the Baptist State Convention selected Mother's day as the date for this special Annual Appeal.

The number of visits to the Out patient Department, which serves needy patients, has grown tremendously through the years. In the decade from 1953 to 1963, visits increased from 49,205 to 87,161.

Newest of the Hospital's specialized services is the Intensive Care Unit, opened this spring. Made possible by a grant of $199,000 from the John A. Hartford Foundation of New York, it serves critically ill patients who need round-the-clock observation and professional care.

More than 7,300 operations were performed at the Hospital in 1963. Many were extremely difficult and could be done only because of the exceptional equipment the Medical Center provides for the use of its surgeons in their work of saving lives and restoring health.

The work in pastoral care grew along with all other services last year. Chaplains made 56,994 hospital visits and 31,907 followup visits to patients. They also did outpatient counseling, seeing 619 persons for a total of 5,081 interviews.

Some 700 students are enrolled in the Hospital's educational program. It does clinical teaching for third and fourth year students of the Bowman Gray School of Medicine, prepares students and active ministers. The School of Pastoral Care has 894 alumni who are using skills developed at the Hospital in ministering to the sick and distressd in their home communities.

Like other institutions of the Baptist State Convention, the Hospital receives an annual appropriation from the Co-Operative Program funds. This money is necessary for capital expenses such as paying for buildings and equipment and supporting the Department of Pastoral Care. The Mother's Day Fund is for the care of the needy sick and is used exclusively for this purpose.

For the advances in medical science which are so vital in saving lives, we must depend upon research. Medical scientists at the Hospital and the School of Medicine work continuously to bring new knowledge and new weapons to the fight against disease. Studies in progress at the Medical Center represent an investment of more than $2 million a year. The money is provided by foundations and other agencies and individuals dedicated to making life longer and healthier for all of us.

In contributing to the Mother's Day Offering in our churches, we are giving to help other Baptists, for 62.4 per cent of those who received aid from last year's offering were members of Baptist churches.

Needy patients have the benefit of clinics in every medical specialty. There are 40 clinics of which three were established in 1963, one of them to deal with high blood pressure problems of adults.

All patients of the Hospital benefit from the constant effort to keep services and facilities abreast of the progress in medical science. It is necessary to spend approximately $25,000 a year for replacements of equipment and instruments and a like amount to purchase new improved equipment for treatment and diagnosis.

Respectfully submitted,

Bruce Bryant

25. The Finance Committee Report was given by Rev. Howard Willis. Report Adopted.

(A) FINANCE COMMITTEE REPORT

Your Finance Committee takes great pleasure in bringing its report to this annual session of the Macon Baptist Association; although our financial and cooperative growth is not as we would like to have seen. 28 churches gave to Associational Missions this past year and yet there has been a decrease in our offerings to Association Mission. This does not include payments for copies of minutes or payments made by the churches to Vacation Bible School Workers.

Many of these Churches I am sure made a real sacrifice to give the amount they have. Many of them are in building programs or otherwise having other financial obligations. We give our heartiest congratulations to the churches that joined us in a co-operative effort for the first time this year, we welcome them into the true significance of Christian Fellow-ship-to work together for the Glory of our Saviour. We are always grateful to the churches that for many years have been faithful in supporting the work of Christ through Associational Missions.

There are only two changes in the suggested budget for this year. Your Committee raised the Field Workers' salary to $3,000.00 and reduced the travel expense to $500.00. Expenses for Music Department and Evangelism Committee was reduced to $25.00 each. We would remind our churches of the constant need of Truett camp for financial assistance. Gifts to this camp should be designated and sent through our Associational treasure.

One of the most important steps of growth that our Association could take is that we should become 100% in financial participation in the Association's work. The Finance Committee takes this opportunity to urge all Pasors, church treasurers, deacons, and Sunday School workers to return to your churches with the strong suggestion that the churches which have not yet joined us in the work of our Association should become regular contributors this coming year. This is a step toward self-determination of our churches and greater strength for our Association.

We the Finance Committee recommend that Macon Association request from the Baptist State Convention of N. C. that through its department of State Missions, it assist us with the expense of our Association as set forth in this budget, to the extent of $1,380.00 for the year of 1964-65.

We also recommend that our churches of this Association will strive to raise their contributions through Associational Missions for this coming year.

Finance Committee,
Howard Willis

ANNUITY BOARD ASSOCIATIONAL REPORT

This year, each month over 5,792 annuity checks went out from the Annuity Board with a total of more than $3,000,000 paid out in benefits. The work of our Annuity Board is the promotion of a three-fold protection plan for Pastors and other Church employees as well as the employees of all our Baptist Instititions. They are disability, Widow protection, and retirement income for members holding certificates. Payments for the particiants are 15 percent of the salary up to $4,000.00 which is the maximum in the protection plan. The Annuity Board recommends that the Church paying the 10 percent makes the retirement program something which the Church and the Convention provide for the Pastor.

An added benefit in the protection plan is now in the making and will go into effect as soon as the Annuity Board receives 3,000 approved agreements with the first months dues. This is a life benefit plan (Group term protection) for all Church and Denominational Employees. The cost of this new plan is 1% of Salary Basis. The Maximum Annual Salary Basis is . . . . $12,000. and the minimum salary basis is . . . . . $4,000. The salary basis is the actual cash salary plus the estimated rental value of the home or home allowance, utilities or allowance, car expense, and other benefits or compensation from the church or denomination employer, rounded upward to the next highest thousand.

We are happy to report that almost seven out of ten Baptist Churches are insuring their Pastors and other workers against death and making financial arrangements for their retirement. This past year more than 2,243 pastors got protection in the plan. May we encourage you as a Church to participate in the benefits and blessings provided by our Annuity Board. For application and forms and study materials write, Mr. Guy Cain, North Carolina Annuity Board Department, at 301 Hillsboro Street in Raleigh.

Respectfully submitted,
Robert L. Clark

29. Historical Report — Mrs. I. T. Peek. Report adopted.

HISTORICAL REPORT OF MACON ASSOCIATION

Today, as we come to the close of another year, we realize more than ever before the goodness of God. We also see our mistakes, disappointments, and failures.

We have lost some of our able men to other fields of service. Among them was our Field Worker and his family, the Rev. C. T. Taylor, who had served this association well for ten years. He was called to the Woodlawn Baptist Church in Gainesville, Georgia, on April 1st. Since that time, the Pastor of West Franklin Church, the Rev. James F. Collette, has been interim worker on a part-time basis. Mr. Collette was called from Gastonia to this church. He succeeds Horace E. Falls who was called to another church in this state. Mr. Collette attended Gardner-Webb College, served as pastor of the Johnson Street Mission before accepting the Macedonia Church where he served for five years before coming to West Franklin.

One beloved Brother has passed on. The Rev. Lawson Snyder, who was Pastor of Ridgecrest Baptist Church, will be greatly missed by young and old alike.

We have had three ordinations to the Pastorate: Guy Duvall was ordained at Iotla Church and has been called to the Pastorate at Ridge Baptist Church. Clyde Monteith was ordianed at Black Mountain Church. Alton Dendy was ordained at Gold Mine Church.

It is hard to conceive of the growth of our Baptist work. There are approximately 21 million Baptist in America today. Almost half of them are affiliated with the Souhern Baptist Convention. Macon Baptist Association is a part of this great cloud of witnesses. In the past year much progress has been made, both materially and spiritually in our Association. Lack of time and space permits me to mention only a few of our churches and their accomplishments.

The Iotla Baptist Church, under the leadership of the Rev. M. I. Brock, has made rather extensive improvements. They have painted the interior of the church, erected a new educational building with 14 classrooms, rest rooms, pastor's study, and fellowship room with a seating capacity of 125, rebuilt the choir loft and installed new lighting fixtures. They have purchased a new Baldwin piano at a cost of $1,000, installed wall to wall carpting in the sanctuary, and tiled the vestibule.

Sugarfork Baptist Church, J. S. Cunningham, Pastor, has made a new look to their church by the installation of memorial windows, repainting interior, installing rubber mat runner, building two new rest rooms, and other improvements at a cost of $5,000 besides flooring.

Cowee Baptist Church, Robert L. Clark, Pastor, began the construction of their new auditorium May 15 and expect to complete it by Fall. The cost will be about $58,000.00, without furniture. The furniture will cost $8,000.00.

Newman's Chapel, Rev. Mack Reed, Pastor, has veneered their new addition with red scratched brick, corniced rafters, painted woodwork, built two rest rooms, tiled floors, installed new storm doors and lanscaped back of new building. $2,617 has been spent on improvements.

Long View Church, W. A. Cloer, Pastor, continues to make improvements. They have covered the auditorium, added more parking area and installed battery in the baptistry.

Franklin First, Dr. W. Thomas Lane, Pastor. The construction on the sanctuary was begun in 1962, under the leadership of Rev. R. R. Standley, and was completed in December of 1963. The first worship service was held in the new sanctuary on Sunday. December 22, 1963. Mr. Standley had been with the church six years and resigned in November, 1963 to accept a position with the Peace Corps in Ecuador. He and Mrs. Standley are now happily serving. The church called its new pastor, Dr. W. Thomas Lane, who came in November, 1963. Dr. Lane is the son of a Baptist minister. He was graduated from Greer High School, in South Carolina, from Mars Hill College, the University of Richmond, and Southern Seminary, with a Th. D. degree. He came to Franklin from the Spring Hill Church in Haywood Association where he had served for five years. Mrs. Lane, who is a daughter of a minister, is a graduate of Mars Hill and Western Carolina College. She was music director of the Spring Hill Church prior to their coming to Franklin. After the resignation of Mrs. C. E. Henry as Minister of Music, this position was temporarily held by Mrs. Bill Bryson and Mr. S. F. Beck, both of whom served competently and faithfully until Mr. Lawrence Miller from Mars Hill College came to serve indefinitely as interim Minister of Music. Many donations have been given to the church, among them was a $10,0000 check from Mr. and Mrs. W. C. Graves, Jr., of Vero Beach, Florida, and Franklin, contributed toward the purchase of a new organ for the sanctuary. The new sanctuary was dedicated May 10, 1964, with Dr. Perry Crouch, Executive Secretary of the North Carolina Baptist Convention, delivering the dedicatory message.

Holly Springs Church moved into their new auditorium July 16, 1963. They have continued to make progress in their building program. July 26, they called the Rev. Bill Sorrells of Waynesville as Pastor. All of Macon Association will be happy to welcome back Mr. Sorrells. This was a unanimous vote for Mr. Sorrells, who will move to Holly Springs on September 1.

Buck Creek Church, Rev. Harold Cabe, Pastor, has completed its new addition to their building.

Higdonville has installed new pews and pulpit furniture and have tiled the floors of their educational building and their rest rooms. They have also installed wrought iron railing for the steps.

Highlands First Church called the Rev. L. C. Pinnix as Pastor. Mr. Pinnix succeeded the Rev. Clinton Bailey. Mr. Pinnix is a native of Mississippi and was graduated from the University of Mississippi and Southern Seminary. At the time

of his call to Highlands, he was educational director of City View Baptist Church in Knoxville, Tennessee. Mrs. Pinnix is also a native of Mississippi and a graduate of Hillman College. Both are talented musicians.

Pine Grove Church has made improvements this year, among which was the lowering of the ceiling in the auditorium.

Goldmine Baptist Church met in conference June 21, 1964, and nominated and elected Rev. Ottis Gragg as Pastor for the next associational year. They also elected church officers and Sunday School teachers. This church held a revival meeting, June 28 through July 4, 1964. There three additions to the church membership—two by profession of faith and one by letter. On April 23, 1964 they organized a Training Union. Their regular homecoming and decoration is held each year at this time.

The Lord has abundantly blessed us the past year. Let us continue to serve Him together the coming year.

Respectfully submitted,
Mrs. I. T. Peek, Historian

35. Report on Evangelism - Rev. Carl E. Sizemore. Report adopted.

REPORT ON EVANGELISM

Evangelism is the heartbeat of the New Testament Church. Without an Evangelistic Spirit, we fail the precepts of God's Word as it teaches us to carry on the reconciling work of Jesus Christ.

1964, The Jubilee year of Baptist around the continent has and is witnessing a new look at Evangelism. There is a deeper sense of need for a heartfelt experience and depth of Christian living that can and will withstand the pressures of the day in which we live.

We take courage in the fact that people are awakening to the need for a deeper relationship and a greater christian maturity.

It is imperative that more than ever we now link heart with heart, life with life, and faith with faith to uphold God's standard of righteousness, the Lord Jesus Christ, crucified, buried, arisen, and exalted at the right Hand of God for the salvation of all mankind. A world benighted by sin and bewildered by the results of sin awaits our message: the "Old, Old Story of Jesus and His Love."

May God help us through every means available to answer the call to make men free through the power of the Gospel of our Lord Jesus Christ.

Respectfully submitted,
Carl E. Sizemore

36. The Music Committee Report was read by Mrs. Jack Powell in the absence of Mr. Jack Powell. Report adopted.

MUSIC REPORT

In August 1963, an associational Directors briefing meeting was conducted in Winston-Salem which was attended by the director. Then the associational music committee met to discuss plans for the year. One item of particular interest was the simultaneous church music schools to be held in region ten. Two schools were held in our association. One at Highlands and one in Franklin. They were well attended and several churches were represented. We were fortunate in having these schools planned and taught by some of our best state and southwide music leaders.

One hymn sing was conducted at West Franklin Church.

Respectfull sumbitted,
Jack H. Powell

Wake Forest	2,958

(Total enrollment, including second semester and summer school is more than 11,000)

During the past 25 years North Carolina Baptist colleges have enjoyed a phenomenal growth. Today in these seven Baptist colleges we have enrolled more than 11,000 students. The total property value of the colleges exceeds $60,000,000. These colleges have graduated almost 50,000 students. Of special interest to our church people is the fact that enrolled in these seven colleges are 426 young men and women studying to be pastor, missionaries, directors of religious education, and leaders in church music.

THE COOPERATIVE PROGRAM IS A LIFELINE FOR THE BAPTIST COLLEGES

The Cooperative Program is a lifeline because of these reasons: accreditation by the Southern Association of Colleges and Schools. This agency requires a guaranteed annual endowment or income. Without this accreditation, students could not enter the ministry or practice a single profession. The Cooperative Program income represents an endowment of $33,000,000, without which not a single North Carolina Baptist college at the present could meet standards for accreditation. North Carolina Baptists rank well with all denominations in supporting Christian higher education out of the total amount which they have to give.

A covenant relationship — the ties which bind these seven colleges to the Convention are not now nor have they ever been primarily financial. The true ties which bind us together are to be found in the Bible, in our history, and what we believe as Baptists is our mission in the world. Ours is a covenant relationship.

Baptists from the beginning have believed that the task of learning is appointed by God and that all knowledge and wisdom has its unity in Christ; and since we do believe that Jesus Christ is Lord of Life, we believe that Baptist churches through their colleges, as members of the covenant community, have an obligation to every area of life and culture. Thus, our fellowship comes through a convenant relationship and a sense of working together to achieve a common goal.

CHRISTIAN EDUCATION DAY EMPHASIS, 1965

The Council on Christian Education is deeply grateful for the support of the Brotherhood in promoting the 1964 Christian Education Day emphasis, with special emphases on the church-related vocational workers. We are also grateful for the splendid response in the offering. The Christian vocational worker will be a continuing emphasis of the Council. In addition to continuing this emphasis each year on the Christian vocational worker, the theme for Christian Education Day next year will be built around "The Contribution of North Carolina Baptist Colleges to Lay Leadership."

A fine Christian doctor said recently, "I enrolled as a freshman in a North Carolina Baptist college at the age of 16. This college had more to do with the shaping of my life and Christian commitment than any other experience outside of my own family. I have said many times that I do not believe that my experience with Christian teachers could have been duplicated anywhere else; and as I look back over those years, I know that my personal interest and activity in the First Baptist Church in Kinston has been greatly strengthened and motivated by my experience on the campus of a Christian college."

COUNCIL SELF-STUDY

The Council on Christian Education is now engaged in a serious self-study, which includes the theological basis for Christian education; the objectives of a Christian college; the responsibility of a Christian teacher; and the place of worship in the life of the campus. Of special interest to our Associations will be the portion of the study dealing with the ministerial student and Christian vocational worker. This study will deal with the problem of enlisting more young people in full-time Christian service, studying ways and means of more financial help; and this study will also be concerned with how the churches and the colleges can work more closely together to meet these needs.

HELP FOR PASTOR AND CHURCH LEADERS

The Council has produced this year a pamphlet directed toward the young people in the local church who wish to attend a Baptist college. This pamphlet will show parents how to figure the actual college cost, what financial help is available, and also how to get information about these Baptist colleges and about admission procedures. Copies may be obtained by writing the Council Office, 301 Hillsboro Street, Raleigh, N. C.

The colleges would like to take this opportunity to express through the Association to our Baptist churches a genuine appreciation for the support which is making possible the continued operation of these colleges.

Respectfully submitted,
Joyce Swafford,
Chairman of Christian Education

TRUETT BAPTIST CAMP

The Truett Baptist Camp opened its tenth year of operation June 22, 1964. A new plan of operation was adopted this year. Rather than scheduling one Association per week for the Camp, the program was planned according to age groups. The Junior G. As. met the first two weeks, the Intermediate G. As. the next two weeks, The Junior R. As. the next two weeks, and the Intermediate R. As. the final two weeks. A vital program of missionary information, worship, and creative recreation has been planned for each week. The season is over, approximately two hundred boys and girls will have attended camp this year, and approximately two hundred other persons will have used the camp facilities for other educational, religious, and recreational purposes.

Many physical improvements have been made this year out of dire necessity.

1. The kitchen had to be almost completely refurnished. A new stove had to be installed, and new cooking equipment and serving equipment purchased.
2. Much work has been done on the barracks and dining hall, with new furniture installed in the barracks, lounge, and the pastor's room renovated, with new furniture added.
3. The grounds have been improved.
4. Additional improvements have been made on the swimming pool.

Plans for the future include ceiling the dining hall, painting the buildings inside and out, and tiling the floor in the barracks.

The Associations of Region have responded in a wonderful way to the needs of Truett Camp. Our sincere desire is that we may use these facilities to the glory of God and the benifit of our youth.

We express our thanks to the Baptist State Convention of North Carolina for providing the finances for the camp leadership. A camp director, camp hostess, and two college students per week were employed. These leaders have done a wonderful job of leading our young people.

Roy J. Smith

42. Report on Seminary Extension Work - Rev. Roy Smith. Report adopted.

SEMINARY EXTENSION REPORT

The past year was one of our best efforts in Seminary Extension Work in Region 10. Thirteen centers were operated in the Region. Six were Negro, six were white and one was located on the Cherokee Indian Reservation. At least one Center was located in each association. Three hundred eight people were enrolled in the courses of study.

In addition to the Seminary Extension Classes W.M.U. leadership classes were held in the Cherokee and Tuckaseigee Associations with an enrollment of forty five.

In the Macon center fifteen pastors and fourteen lay people were enrolled in two courses, N. T. 122 and Rural Church 143, earning a total of forty seven credits.

We are grateful to every person who helped make this a good year in our work and we look with enthusiasm to the future. Plans have been finalized for the coming year. Rev. Robert Clark is the local director and Mrs. Hyldah Shepherd is the Registrar Treasurer.

The Macon Seminary Extension Center will open September 17, 1964. The center will operate for a duration of twelve weeks. Two courses will be offered: Theology 136, a survey of the basic Christian Doctrines, taught by Dr. Thomas Lane, and N. T. 152, a study of Paul's letter to the Galations, taught by myself. Funds are available to help any who would use assistance in defraying the expenses of the course.

Will you join us in the study of God's word and the work of His Kingdom.

57. Sunday School Report - Mr. Wade Buchanan - Report adopted.

SUNDAY SCHOOL REPORT

The Great Commission of our Lord is just as relevant in our generation as it was in the first Christian century. We are to "Go and teach all nations, baptizing them in the name of the Father, and of th Son, and of the Holy Ghost; teaching them to observe all things.

The Sunday Schools of our churches have been assigned the tasks of outreach, teaching the Bible, leading all church members to worship and witness daily, providing opportunities to perform the personal ministries of the church, furnishing workers for various projects, and interpreting the work of the church and denomination.

Dr. A. V. Washburn, secretary of our Southern Baptist Sunday Schools, says, "Before outreach can become a continuing reality, our churches must get their programs in the right order. The natural order is the reaching of people, the winning of the lost, and the development that should come out of it."

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In North Carolina we are challenged to reach a Sunday School enrollment of one million by 1970, or a gain of 29%. This tremendous task of outreach must have priority.

We are asking each Sunday School in our association to accept an enrollment increase of 2% for 1965, 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached. Evangelism, stewardship, missions, discipleship — all of these wait upon outreach. People must be our concern.

These enrollment gains can be realized by organizing new Sunday Schools; the creation of Extension Bible classes; the starting of new adult classes; the activating of Extension, Cradle Roll, and Young People Away departments; and enrolling Vacation Bible School pupils not in Sunday School.

If we will follow the simple growth formula advocated by Dr. Arthur Flake many years ago - locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people we will experience the glorious opportunity of reaching people for Bible study that they might become followers of Jesus Christ.

Along with an accelerated emphasis upon outreach, each Sunday School is urged to observe January Week of Bible Study, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities of training in the Church Study Course, to cooperate in the Adult Thrust effort to reach thousands of Adult church members not enrolled in Sunday School, to participate in the associational Sunday School projects-clinics, conferences, enlargement campaigns, and to encourage workers to attend the Sunday School emphases at the North Carolina Baptist Assemby, Fruitland, and Ridgecrest. As our Sunday Schools go, so will our churches go.

In our Mass Meetings in the past year, we started off with Action Night, 1st quarter. Our theme was Outreach for the Unreached. Spearhead for Evangelism.

2nd quarter — The Sunday School and Witnessing
3rd quarter — Revival through our Sunday Schools
4th quarter — Adult Thrust

We thank God for all He has done for our Sunday Schools in the past year. May God help Macon County people to see th need of Bible study in our Sunday Schools.

Respectfully submitted,
Wade Buchanan
Associational Sunday School Superintendant

58. Training Union Report — Mrs. Jack Powell. Report adopted.

TRAINING UNION REPORT

Interest in Training Union work has been good this year. Three Executive committee meetings were held with fine attendance.

"M" night was well attended and was an inspiration to those attending. Youth night was again planned and carried out by the Young People of the association. Conflicts and weather conditions kept the attendance at both meetings below what we had hoped for.

A group of 12 from the Association attended the State Youth Convention in High Point. Four churches were represented and three of the young people made life service committments.

Participation in the Tournaments included 1 in Intermediate Sword Drill, 7 in Junior memory work, and 1 in Adult scripture reading. Eight out of the nine in the tournaments were from he Highlands church and we commend them for their fine work.

Even now plans are being made for a greater year in Training Union work.

Respectfully submitted,
Mrs. Jack Powell, director

59. Vacation Bible School Report — Mrs. Jack Powell. Report adopted.

VACATION BIBLE SCHOOL REPORT

A full team of workers attended the State Vacation Bible School Clinic at Wingate College in January, 1964. Attending were: Rev. C. T. Taylor, Mrs. Jack Powell, Rev. and Mrs. John Sigmon, Mrs. L. C. Pinnix, Mrs. M. I. Brock, and Mrs. Paul Holbrook. These persons assisted with our associational clinic in the spring of this year.

Averages of those schools reporting are running high on enrollment, mission offering, and professions of faith.

Reports received thus far show 25 professions of faith, $201.07 offering to missions, and 778 enrolled.

We urge all churches to provide Vacation Bible Schools for their boys and girls. No where in our churches do we have a better or more effective way of reaching boys and girls for teaching God's word.

Respectfully submitted,
Mrs. Jack Powell
Vacation Bible School
Superintendent

60. Woman's Missionary Union Report — Mrs. Roy Rickman. Report adopted.

WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union is the missionary education organization in Southern Baptist churches. Its purpose is to promote Christian missions through a program of mission study, prayer, community missions, stewardship, and missionary education of youth.

When a woman relates herself to the missionary society, she relates herself to a world objective. This is the objective for which missions exist. It was inspired by God himself when through Jesus Christ he gave to us the commission, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things whatsoever I have commanded you; and lo, I am with you alway, even unto the end of the world." Could a Christian woman find any cause more worthy of her time, influence, energy, material resources, and abilities, than the proclamation of the gospel around the world?

Our reports show that we have only twelve churches in the Macon Association which have a Woman's Missionary Society, with eight Young Woman's Auxiliaries, fourteen Girls' Auxiliaries and seventeen Sunbeam Band organizations. The total enrollment of all organizations is 589.

As we glance back hurriedly at some of the activities of the year we see that excellent results have been achieved by the mission zeal of these churches.

A Girls' Auxiliary Coronation Service was held at the West Franklin Church with a total of 71 girls receiving recognition for many hours of hard work; a Sunbeam Band Day Camp was enjoyed by our eight year old Sunbeams at the Holly Springs Community Center; an association Prayer Retreat was one of the most meaningful meetings of the year; two leadership courses were taught to better prepare the women for faithful service; the Annual Woman's Missionary Union meeting was held at the Holly Springs church with many of the organizations receiving recognition on the Aims for Advancement; and several of the GA's attended Camp Truett.

We are reminded of our beautiful hymn for the yr., "O God, Our Help in Ages Past" and may it be a steadfast reminder of God's great love and providential care, and may its stirring message be a challenge to greater faith in the future.

Respectfully submitted,
Mrs. Roy Rickman
Associational WMU President

61. Brotherhood Report — Mr. Fred Corbin. Report adopted.

BROTHERHOOD REPORT

The Lord has been good to us, and protected us, and blessed us with temporal and spiritual blessings that are to numerous to mention during another associational year. Therefore with much regret as a brotherhood we have to confess that we have not done our best for the Master.

During the year we held three planning meetings with the Associational Field Worker discussing brotherhood needs. Three mass meetings were held in the churches with a very good attendance and spiritual fellowship at each meeting. The first mass meeting was held at Higdonville Church. The theme was "Stewardship", with a panel discussion and an inspirational message. Second meeting at West Franklin Church was on "Evangelism" with special music by pastors of association and an inspirational message. The program for the last meeting was on, "The Home of Yesterday, Today, and Tomorrow." This was discussed and summarized by lay-men and lay-ladies of the association at Mount Hope Church.

Refreshments were served at each mass meeting.

May we end this year and begin the next with the words of the apostle Peter as our prayer - "Honour all Men — Love the Brotherhood — Fear God — Honour the King.

PROCEEDING OF THE

SIXTY-SECOND ANNUAL SESSION

of the

MACON BAPTIST ASSOCIATION

Theme: "Proclamation and Witnessing"

Scripture: "And ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and to the uttermost part of the earth." Acts 1:8

1. The night session of the sixty-second annual session of the Macon Baptist Association meeting with the Cartoogechaye Baptist Church was called to order by the moderator, the Rev. Robert L. Clark, at 7:00 p.m.
2. The hymn, "He keeps me Singing" was sung, led by Rev. L. C. Pinnix, with Mrs. Edd Brodgen at the piano.
3. The Rev. M. I. Brock, read the devotional reading (John 17:) and led in prayer.
4. In absence of host pastor the moderator welcomed the sixty-second session to Cartoogechaye. The moderator also extended a welcome to pastors and visitors. New pastors in the association were recognized.
5. The report on enrollment and statistics was submitted by Mrs. Cecil Frady. The clerk had received 45 letters representing 158 messengers. The report was adopted. A roll was called of the churches with those elected by their church as messengers standing to constitute the govering body of the associational meeting.
6. The printed program was adopted with necessary modifications to be made.
7. Moderator called attention to printed report on committees, and appointed Rev. L. C. Pinnix, Chairman, Paul Swafford, and Arrel Parker to serve Committee on Committees.
8. The printed report by Mrs. Josephine Cabe, on Baptist Literature, was adopted. Rev. Alfred Sellers, representing the Biblical Recorder, spoke to the report.

REPORT ON CHRISTIAN LITERATURE

Jesus commanded not only the Apostles— but his followers also to make other disciples, and to teach them the Christian way of life.

The need for good Christian literature to use in this program has been recognized. Across the centuries, God has seen fit to use words effectively to spread His divine truth through preaching, teaching; singing and witnessing. God inspired words are mighty tools and can enter doors where spokesman can never enter. Jesus wrote little, but He showed His love for the written word by His much quoting of the Scriptures. His followers have made much use of writings to advance Christian truth.

The Southern Baptist Convention has sought to use printed truth for God's glory. The Sunday School Board is publishing millions of copies of attractive religious materials for every age group.

We not only have these many and good publications by our Sunday School Board, but other key publications include our State Paper, The Biblical Recorder, Charity and Children, The Commission, and Southern Baptist Homes Missions magazine. Other mission magazines used by our Baptist members are; Royal Service; The Window; Tell; Sunbeam Activities; and Ambassador Life. Church Administration; Church Library; Church Musician; Church Recreation; Home Life; Open Windows; Quarterly Review; The Baptist Student; The Braille Baptist and others.

These published words produced regularly by Southern Baptist are designed to bring lives closer to God through Christ as men come to learn the Maker's revealed will and purpose fully through the printed page.

To that end writers are carefully chosen, the writing cautiously done, and the publications are prayerfully prepared. They are sent forth for God's Holy Spirit to use with effectiveness in the hearts of all who may read.

Respectfully sumitted,
Mrs. Josephine R. Cabe

9. Rev. Howard Willis gave report on Associational Missions and it was adopted.

REPORT ON ASSOCIATIONAL MISSIONS 1965

The final charge given by Jesus to His followers was, "Ye shall be Witnesses." The first Christians were eager to witness for Christ and to win others to their fellowship. This in itself makes Christian duty plain and calls for the utmost in personal dedication. The Christian is to witness through his influence (Matt. 5:13-16). He ought to go out as a messenger of Christ to declare the truth of the gospel and to persuade the lost to repent and believe. He needs courage to witness for Christ regardless of the efforts of the wicked to silence his testimony. The Christian witness expects men to be converted, and then the witness must tell of how and by whom his life was transformed.

A witness is one who manifests Christ at all times, in all places and under all circumstances. The believer is a participant in and a witness to the reality of this repentance-remission relationship with God. Repentance is not something we do once; it is part of the daily life of the true witness.

How does one witness? By letting the cross and resurection become real in his or her life. This is evident by a death of selfishness and by a transformed life. One also witnesses through moral reconstruction, and then one may witness verbally. This verbal witness is required of every Christian.

We grow through witnessing: There is hardly any activity which the Christian can undertake of greater value for spiritual development than witnessing for Christ. They gain deeper insight into the meaning of salvation and the reality of conversion. In sharing with others the truth about Christ's death for the sins of men. Every spiritual faculty, every element of personal faith and devotion, and every element of one's commitment to Christ as Lord are lifted to a higher level through the act of sharing with others the truth and love in our living Lord.

Personal Responsibility: The courageous fidelity of Peter and John should impress upon Christians their responsibility to be witnesses for Christ. Responsibility is always personal. No Christian therefore can justify indifference or disobedience to the command of Christ with respect to sharing with other persons the truth about Jesus and his salvation. The humblest Christian can declare what great things the Lord has done for him. And every Christian can tactfully but boldly go out and seek persons who are lost in sin and who desperately need the message of God's forgivness and redemption through Jesus Christ.

Those who need the gospel most may not be willing to hear. Always there will be vicious enemies of Christ who will try to silence his witnesses. But theirs is the responsibility to declare the whole message of the gospel, to represent Christ, to take a stand for His principles of righteousness and justice and love, and to plead with men to be reconciled to God.

Christ is a living reality. If we know Him in the forgiveness of sin, in the power of His moral energy, and in the creative joy of His presence, silence will be impossible. We cannot but tell what He means and what He can mean to the world.

"We cannot but speak the things which we have seen and heard." Act. 4:20.

When Christians cannot go personally to witness for Christ, he is obligated to provide funds that will make it possible for others to go for him. We can do this through the Cooperative Program and Associational Missions.

Respectfully submitted,
Howard Willis
Field-worker

10. Rev. L. C. Pinnix led in singing the hymn, "We've A Story To Tell."

11. State Missions report was prepared by Mrs. J. D. Dayton, the printed report was adopted. Mr. Clyde Davis, State representative on Brotherhood spoke to this report.

STATE MISSIONS REPORT

Through State Missions you are doing four great works commended to you by our Lord in the Scriptures. Let us now see some of the opportunities we are making use of in four great areas of State Missions.

(1) PREACHING THE GOSPEL

During the years that Baptist have operated the preacher's school at Fruitland. approximately 700 pastors have received certificates. These have gone forth preaching the Gospel with fervor and better training because of State Missions. Fruitland Institute was established by the Baptist State Convention for the specific purpose of helping God-called men who have not had opportunity to go to college or seminary. All over $175,000 received in the Special State Missions Offering will go for the enrichment of the Fruitland Bible Institute.

(2) HEALING THE BROKENHEARTED

Changes which are taking place in our world are creating pressure and problems for the American family in which many cases, are over whelming. Many persons are breaking under the strain.

Hundreds of the brokenhearted are helped by your State Missionaries each year. Through your rescue homes, as well as other areas of State Missions, these people are ministered to in the Name and Spirit of Jesus Christ.

(3) TEACHING THE HANDICAPPED

You are teaching the deaf through two State Missionaries, Jerry Potter and Neal Peyton. They conduct classes in the sign language so that members in the local churches may teach Sunday School classes and interpret the sermons for the deaf. These who are handicapped, and thousands of others, are won to Christ each year.

(4) SETTING AT LIBERTY THE BRUISED

You are helping many who are behind the bars of state prisons. Your State Missionaries minister to the spiritual needs of the Prison inmates. Sunday School Classes and preaching services are conducted and many come to know Christ.

State Missions Day is September 19th. The State-wide goal is $200,000.00, Please do your part in the name of Christ.

Respectfully submitted,
Mrs. J. D. Dayton

12. Report on home missions was prepared by Mr. Wiley Gibson, in his absence Rev. Guy Duvall moved the adoption of this report. This was passed by the Association.

REPORT ON HOME MISSIONS

"For a great door and effectual is opened unto me, and there are many adversaries" (1 Cor. 16.9).

Open doors and adversaries were a challenge to Paul. Opportunities and difficulties present a growing challenge to home missionaries today. Many evil forces are arrayed against the forces of righteousness in America.

At the same time many appeals are presented for help in Christian ministries. The entire world looks to America for Christian leadership, but American cannot give what she does not have. In a very special was this is home mission's most urgent hour.

Missionaries of the Home Mission Board are now serving in every state, in Cuba, Panama, and Puerto Rico. The liaison ministry between Southern Baptist and Canadian Baptist is being continued and proven quite helpful.

During the past year the Home Mission Board appointed an average of 30 missionaries each month. At the close of 1963 the Board had 2,222 missionaries, which is 144 more than reported the year before. And this number has continued to increase for the past year of 1964.

The Chaplians Commission was serving 750 chaplains at the end of the year. The ratio of missionaries serving in pioneer areas and among the underprivileged and neglected peoples continue to increase.

The Home Mission Board received in 1963 through the Cooperative Program $3,192,498 of which $2,100,000 was used for operation and $1,092,498 for Capital needs and to add to the Corpus of the church loans funds. The Annie Armstrong Offering provided $2,049.284. Designated funds and special gifts amounted to $210,314. Dividends and interest from invested funds (exclusive of church loan funds) amounted to $232,621. The Total amount given the Home Mission Board during the year amounted to about 62 cents for each Southern Baptist for the entire year; a fraction more than a nickel per month.

The Home Mission Board is co-operating with all of the states in the support of Christian missions. In all except two (D. C. and Florida) the Home Mission Board has an agreement with each state whereby the missionaries in certain categories are considered Southern Baptist missionaries appointed jointly by the state and Home Mission Board and directed by the state mission board according to plans and policies agreed upon by the two boards.

In the District of Columbia and Florida part of the work is administred directly by the Home Mission Board but in hearty agreement with these state conventions.

As the year ended plans for the enlarged organization were being implemented, in view of the increase to ten programs within the Mission Division. (1) A Program of work with Chaplains. (2) A Program of Evangelism (3) A Program of Associational and Pioneer Missions (4) A Program of City Missions. (5) A Program of Church Loans, (6) A Program of work with National Baptist, these are serving a great purpose in the work of our Lord Jesus Christ.

13. Foreign Mission Report prepared by Mrs. Don Seagle. Report Adopted

FOREIGN MISSION REPORT

"The Field is the World"

The Foreign Mission Board came to the close of 1964 with a mission staff of 1,901. The total number of missionaries in active service totals 1,932 (1792 last year) there are many urgent

requests for new Missionaries in the field evangelism, church development, nursing, student work, and religious education.

Southern Baptists now have Missionaries under appointment to 57 political entities, with an additional 4 countries (52 last year). Mission work is carried on through a varying number of institutions on each field; churches, schools, hospitals, publication plants and good will centers.

Total contributions of Southern Baptists for Foreign Missions amounted to $23,891,502.85 for this year. Additional funds are urgently needed for land, buildings and equipment. In making this report it is a blessing to be able to show progress. To be able to continue this great work we need to give even more, and to much in prayer for the Foreign Missions Board and our Missionaries.

So, in closing, my prayers is that we can lead our young people here in Macon County and throughout the world, to be aware of the need and say, "Here am I Lord, Send me".

Mrs. Don Seagle

16. Finance Committee Report was given by Dr. Thomas Lane. Report Adopted.

FINANCE COMMITTEE REPORT

Your Finance Committee is glad to share with you the good news of the growing participation by our sister churches in our Associational Missions Program. In 1964 ten addi-

tional churches joined in supporting our Associational Missions. They are:

Burningtown	Oak Grove
East Franklin	Rose Creek
Higdonville	Walnut Creek
Holly Spring	Watauga
Oak Dale	West Franklin

We welcome these good churches into our Lord's work.
Other churches have increased their Associational Mission gifts. They are:

Burningtown	Iotla
Cowee	Mt. Hope
Franklin First	Pine Grove

We are grateful for all of our churches who, realizing the need, have joined in supporting God's work in our Association.

There are several changes in the budget for this coming year. The Convention Expense for the Field Worker has been changed from $150.00 to $250.00. The office rent has been raised from $150.00 to $180.00, phone from $150.00 to $200.00, Social Security from $100.00 to $120.00 and office supplies decreased from $250.00 to $200. Our North Carolina Convention has raised it's supplement from $1,380.00 to $1,500.00.

We recommend that our North Carolina Convention again supplement our association budget by $1,500.00.

We hope the time will soon arrive when we will no longer have to ask for this supplement. Let us continue to increase our associational missions gifts and as soon as possible cut out this financial support by our State Convention.

REPORT ON EVANGELISM

Churches in the North Carolina Baptist State Convention reported 27,346 baptisms in 1963 and 29,725 baptisms in 1964 — again of 2,379 or 9%. Churches in the Macon Association

reported 242 baptisms in 1963 and 238 in 1964 — a loss of 4 or 2%. It is our prayer that this year of 1965 will go far beyond this number.

The theme adopted by the Southern Baptist Convention for the year of 1966 is "Proclamation and Witness". In our association this theme must begin now with the new associational year.

The major issue facing us is whether the Southern Baptist Convention as the largest Protestant denomination, is going to accept its role and launch the greatest evangelistic thrust in history. No one would argue about this being the "major issue" before us. The purpose of our theme for the year ahead is to help get us aimed and moving toward this object.

The evangelistic thrust needed now awaits not on new methods but on new men. Men and women who have been made new in Christ Jesus and are totally committed and surrendered to Jesus Christ in mind, body and soul.

Materials and helps in the work of evangelism may be requested as needed from the Division of Evangelism, Baptist State Convention, Raleigh, North Carolina.

29. The hymn, "Holy Spirit, Faithful Guide" was sung, led by Rev. L. C. Pinnix with Mrs. Pinnix at the piano.

30. Report On The Cooperative Program prepared by J. C. Jacobs was adopted.
Mr. O. J. Hagler, of our stewardship division in our Baptist State Convention discussed our Baptist Work.

REPORT ON THE COOPERATIVE PROGRAM

The Cooperative Program is sharing Christ with the whole world. It is the financial plan of Southern Baptist for working together beyond the local church.

The individual Christian carries out the work of Christ as he places God's tithe and his offering in the treasury of the local church. The church decides what portion of her budget shall be given to all denominational causes through the Cooperative Program.

With the dawning of the 40th anniversary of the founding of the Cooperative Program, a new note of optimism and Missionary Advance is perceptible among Baptist!

It is now a well-accepted fact that the Cooperative Program of World Missions is the foundation for our total missionary endeavor — that of preaching, teaching, and healing in the name of Christ at home and abroad.

Even as we presently support the work of 2,000 missionaries, 2,500 home missionaries, and more than 100 missionaries in North Carolina, Dr. Baker James Cauthen, Secretary of the Southern Baptist Convention Foreign Mission Board has challenged us to send out 5,000 foreign missionaries in the immediately years ahead. This will mean greater sacrifices and greatly increased giving on the part of Baptist every where. "The Cooperative Program has given significant support to every state and Convention-wide cause—during the last sixteen years it has provided more than $100,000,000 for the Foreign Mission program of Southern Baptist. Truly, it is the "Life Line" of our total cooperative witness and service."

We are witnessing our greater advance in history with 52.27% of the southwide Cooperative Program dollar being allocated to Foreign Missions.

We are advancing in our concern for a lost world — more than 1300 Baptist churches have set goals as a part of the Conventionwide emphasis to enlist 2,000,000 tithers by October, 1966. According to available records **Macon Association** during the year of 1964 gave a total of $6,892,65 through the Cooperative Program. 19 churches did not share in the world missions program through the Cooperative Program.

Let us determine **NOW** to be faithful in worship with tithes and offerings and share regularly through the Cooperative Program.

We recommend:

1—That the churches participate in the Tithe . . Now! Emphasis.

2—That we engage regularly in prayer for the cooperative causes and give special emphasis to prayer for these cause during the October Cooperative Program Emphasis.

3—That every church plan a Stewardship program in Sunday School Assembly following the fourth prayer service of the October Cooperative Program Emphasis. (or any month suitable to the church).

4—That the churches give regularly through the Cooperative Program.

J. C. Jacobs

31. The Report Baptist Foundation was adopted as Printed. Mr. Gordon Maddrey, Executive Secretary of our Baptist Foundation spoke to this report.

REPORT OF THE N. C. BAPTIST FOUNDATION, INC.

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from accumulated income during one's lifetime and/or at one's death. You will note that the Baptist have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through the accumulated income such as: (1) by living trust, (2) by gift annuity, and (3) by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to the individual churches, associations, and to all of our Baptist agencies and institutions.

We have been emphasising the making of Christian wills. We have two films, "God's will Through Yours" and Treasures In Heaven," on Christian will making, which are available to any organization upon request.

C. Gordon Maddrey,

Executive Secretary

32. Report on The Baptist Children's Homes was adopted as printed. Mr. Hugh Starnes, representing Rev. Roger Williams, discussed the activities of the Childrens Homes.

REPORT OF THE BAPTIST CHILDREN'S HOMES

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Our Homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptist for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars ($310,000.00) and is the largest ever given. This suggests that our people welcome an opportunity to support the "helping ministries" of the church which are close to the heart of our Lord.

Two estates have made possible two fine buildings which have just been completed on the Mills Home campus. Income from the estates of Mr. and Mrs. Leland J. Sadler of Anderson. S. C. was used to build a library. An addition to the church was financed from the estate of Mr. Robert M. Idol and Lela Idol of Winston-Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for

service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The need for a home in the western part of the state, more adequately to serve the people west of the Blue Ridge Mountains, has been discussed in various meetings and conferences. The possibility of such a home is meeting with genuine interest and enthusiasm. Attention is currently being given to a suitable location.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the tast of maintaining a Christian program of child care — a program that will merit the undivided support and loyality of our people and that will bring honor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

Respectfully submitted,
Mrs. Ruby Young

33. Baptist Homes For the Aging prepared by Mr. Swann Elliot was adopted as printed. In absence of Mr. William Pond, Rev. Edwin Young spoke to this report.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The day that North Carolina Baptist launched a ministry to the aging fourteen years ago was a very good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist People. This financial aid from the churches comes to us through two vital avenues — the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all time high and exceeded $96,000.00. Through these gifts we were able to supplement from 80% to 90% of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

Respectfully submitted,
Swann Elliot

BAPTIST HOSPITAL REPORT

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people

came from all sections of our state, out of all kinds of financial circumstances, and with almost every kind of serious disease and sickness known to man. Most of them were sent by their local doctors, because they had problems which were difficult of diagnosis or treatment, and needed specialized facilities and skills such as those found at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools, and in other fields of training in our Medical Center, and will go out to serve as physicians, nurses, technicians, pastors and other Christian workers, in our communities and churches throughout North Carolina and on our mission fields around the world. These schools offer excellent opportunities, and they are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man and in the Kingdom of God.

The ministry of our hosiptal to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are used for this purpose: when doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great Physician, through our hospital, to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say; "Come ye blessed of my Father; for I was sick, and ye visited me".

35. Annuity Board Report by Rev. L. C. Pinnix was adopted as printed. Mr. Guy S. Cain, Secretary of Department of Retirement of our Southern Baptist Covention spoken to this report.

ANNUITY BOARD REPORT

The work of our Annuity Board is the promotion of a three fold protection plan for Pastors and other church employees, as well as the employees of our Baptist Institutions. These services are: disability, widow protection, and retirement income for members holding certificates. Payments for the participants are 15% of the salary up to $4,000.00 which is the maximum in the protection plan. The Annuity Board recommends that the church pay 10% and the State Convention will pay 5%.

The Life Benefit Plan went into effect during the past year for all Church and denominational employees. The cost of this plan is 1% of the Salary basis — the minimum of which is $4,000.00 plus estimated rental value of the home, utilities, car expense, etc. rounded out to the next highest thousand.

Now a new Health Benefit Plan is in the offering, which is a policy worked out with Blue Cross — Blue Shield Companies. This plan pays very liberally on the hospital and outpatient bills. Each pastor should have some type of good hospitalization insurance. Sufficient numbers of applications are already in to begin this program by October 1, 1965. Applications need to be in by December 1 to begin on January 1. For application forms and further information call or write Mr. Guy Cain, North Carolina Annuity Board Department, 301 Hillsboro St. Raleigh, N. C.

TRUETT CAMP REPORT

Truett Baptist Camp provides a wonderful opportunity for teaching and training boys and girls in Region 10. For eight weeks each summer boys and girls, 9-17 years of age, have the opportunity of attending this Christian camp. An excellent program of Missionary Education, Bible Study, Worship, Camp craft and Recreation is provided under capable leadership.

Truett Camp is now in its eleventh year of operation. A very good enrollment and an excellent program is in the progress under the direction of Rev. Robert Clark and Rev. M. I. Brock and the fine staff.

The Macon Association was well represented during R. A. and G. A. weeks and during the Annual Pastors Retreat.

Many noted physical improvements have been made during the past year. They include:

1—Additional lighting.
2—Ceiling, painting, and winterizing the dining-hall assembly building.
3—Painting, tiling, and finishing the barracks.
4—Improvements and some landscaping of the grounds.

Immediate plans for the future include a topographical sketch of the grounds and a long range plan for Development.

52. Sunday School Report — Mr. John Clark, Report Adopted.

SUNDAY SCHOOL REPORT

The Great Commission of our Lord is just as relevant in our generation as it was in the time of the first Christian century. We are to "**Go** and **teach** all nations, **baptizing** them in the name of the Father, and of the Son, and of the Holy Ghost; **teaching** them to observe all things."

The Sunday School of our churches have been assigned tasks of outreach, teaching the Bible, leading all churches members to worship and witness daily, providing opportunities to perform the personal ministries of the church, furnishing workers for various projects, and interpreting the work of the church and denomination.

Dr. A. V. Washburn, secretary of our Southern Baptist Sunday Schools said, "Before outreach can become a continuing reality, our churches must get their programs in the right order. The natural order is the reaching of people, the winning of the lost, and the development that should come out of it.

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal we must gain approximately 30% in the next six years. In North Carolina we are challenged to reach a Sunday School enrollment of one million by 1970, or a gain of 29%. This tremendous task of outreach must have priority.

We are asking each Sunday School in our association to accept an enrolment increase of 2% for 1965, 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969 and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the outreach. Evangelism, Stewardship, missions, discipleship — all of these wait upon outreach. **People** must be our concern.

These enrolment gains can be realized by organizating new Sunday Schools (a new Sunday School will gain 30); the creation of Extension Bible classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and the Young People Away departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday School.

If we will follow the simple growth formula advacated by Dr. Arthur Flake many years ago — locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people we will experience the glorious opportunity of reaching people for Bible study that they might become followers of Jesus Christ.

Along with an accelerated emphasis upon outreach, each Sunday School is urged to observe January Week of Bible Study, to plan a church and missions Bible School, to promote Operation Home Study and other opportunities of training in the Church Study Course, to cooperate in the Adult Thrust effort to reach thousands of Adult church members not enrolled

in Sunday School, to participate in the associational Sunday School projects — clinics, conferences, enlargement campaigns, and to encourage workers to attend the Sunday School emphases at the North Carolina Baptist Assembly, Fruitland, and Ridgecrest. As our Sunday Schools go, so will our churches go.

Our Sunday Schools in Macon Association reported a total enrolment in 1964 of 4615 as compared with 4668 in 1963, a loss of 53—.

John Clark

53. Training Union Report — Mary Powell. Report Adopted.

TRAINING UNION REPORT

These are exciting days for the ministry of Training Union. Many new ideas, new material, and a new seriousness to our need for Christian training are coming to us through our Training Union.

This has been a busy year for Training Union in the Macon Association. Your associational Training Union Director and other associational officers visited in several churches throughout our association this year. We assisted in the organization of two new Training Unions.

We have One church represented in the Jr. Memory Work Tounament, and One church in the Intermediate Sword Drill Tournament. This represented Seven people in one or more of the tournaments.

We now have Twenty-Six Training Unions in our Association.

May I urge each of you to study and stay up to date with the current Training Union materials, especially the Training Union Magazine. This is essential in order to know what is going on in Training Union work. Also, may I thank each of you for your prayers, assistance, and support in the carrying on of Training Union work. I would like to beg you to support and use your Training Union as a means toward a more effective Christian Witness through the local church.

Respectfully submitted,
Mary Powell
Associational T. U. Director.

54. Vacation Bible School Report — Mrs. Mary Powell. Report Adopted.

VACATION BIBLE SCHOOL REPORT

Judging from all the reports to date, this has been a good year in V. B. S. work. Twenty-one reports have been received to date and other schools are being held now.

The reports thus far show 1106 enrolled, with an average attendance of 966. Offerings given through the Cooperative Program was $313.81 and to other causes $3.74. There were 44 professions of faith and 28 dedications. Forty-seven pupils were not in any Sunday School, and two of our churches, Iotla and Holly Springs were standard. We congratulate both and especially Holly Springs, as this was their first time to attain the Standard.

Our Summer worker, Miss Betty Stamey has held six schools thus far and has at least two more scheduled. Good work has been done in all of these schools, which includes twenty-two professions of faith and ten dedications. We appreciate the fine spirit of cooperation

among the churches this year in Bible School work. May we look forward for more schools next year.

Respectfully submitted,
Mary Powell; V.B.S. Supt.

An Associational YWA Council, under the direction of Mrs. Arvel Parker, YWA Director, was organized November 27, 1964 at the Iotla Church. The primary purpose of this organization is to share ideas and inspiration which will stimulate missionary activity in local YWA'S. This is the first time our association has had this type of organization. All the churches with YWA were represented at this meeting. Officers were elected for the year, and Mrs. W. T. Lane taught the YWA Foreign Mission study book and dinner followed.

The second YWA Council meeting was held at the First Baptist Church February 18, 1965 in observance of YWA Focas week. Following the banquet, Miss Sara Ann Hobbs, YWA State Director of Raleigh, was the guest speaker. There were thirty-eight present.

Seven women from the Macon Association attended the State WMU Annual meeting in Greensboro, March 16-18, 1965.

An Associational Girl's Auxiliary was organized on March 25, 1965 at the Iotla Baptist Church. Many of the organizations received recognition on the Aims for Advancement. Among those taking part on the program were Mrs. A. L. Parker, State WMU President of N. C. Rev. Colon Godwin, Chaplian to the Baptist Students at Cullowhee; and Rev. Roy Smith.

A Sunbeam Band Day Camp Clinic at the First Baptist Church of Sylva, on April 26, 1965 was attended by several of our Sunbeam workers.

A Mission study class was held May 27, 1965 at the First Baptist Church. The book "Go Home and Tell" was taught by Mrs. E. W. Fisher.

Regular Associational WMU Executive meetings were held throughout the year. Several of the Girl's attended camp Truett and Fruitland.

We are most grateful for the fine work the WMU'S of the Association are doing. However; we have a concern for the thirty-five churches in our association who have no missionary organization. We hope it will become your concern; that missionary education will permeate every church in Macon Association.

Respectfully submitted,
Mrs. Roy Rickman; WMU Pres.

57. Girls Auxiliary Report — Mrs. M. I. Brock. Report Adopted.

G. A. REPORT

The G. A.'s have made much progress during the past year. This is due to the faithful, conscreated leadership on the part of each counselor. The activities of our associational G.A.'s include memory work, Cornation services, camps, also regular meetings Bi-monthly and a serious study of all phases of Mission work.

The institution of an Association Girl's Auxiliary was formed and it's first meeting was held with the Iotla Baptist Church with 76 girls attending. We were fortunate to have with us as our speaker, Rev. J. H. Ware, a retired Missionary from China.

An associational G.A. banquet was held with 98 girls attending. Dr. Thomas Lane, of the First Church Franklin, was guest speaker at this enjoyable event, after which an installation of officers was held.

Our associational Cornation was held at the First Baptist Church, the Theme, "The Light of the World" was vividly portrayed by our Young Ladies attending this service.

We are grateful for the progress our girl's have made in their forward steps and we see the fruition of their labour shown forth in their progress, and elevation. We had,

20 Maidens
14 Ladies in Waiting
18 Princesses
4 Queens
2 Queens with a sceptre
1 Queen Regent.

All G.A. activities are profitable and worthwhile as these girls will be our women of tomorrow, they will be our Missionaries, our Home-makers, our Teachers, our Nurses, and G.A. Counselors.

G.A. work will make them better prepared to hear and to head God's call to special fields of service, we pray earnstly for more leaders, from every church in our Association to give of their time, their knowledge, that our girls may have adequate training in the greatest business of all, "God's Business".

Our Goal for the New Year is to have a G.A. organization in every church that has an active W.M.U. Pray for us as we go forward for Him who loved us and died for us.

Respectfully submitted,
Mrs. M. I. Brock; G. A. Director

58. Brotherhood Report — Sam Sanders — Report Adopted.

BROTHERHOOD REPORT

It is with Thanksgiving to our Heavenly Father for His love and blessings and with gratitude to our co-workers that this report of the associational Brotherhood is made.

The purpose of the Brotherhood is to reach our men with a regular and definite program of work in our churches, and in the Association. We now have four active Brotherhoods in the association, Each of these sponsor the R.A.'S in their churches.

The executive meeting's was held with good attendance at each meeting. We have had three mass meetings, which were well attended. We have a great challenge in our association, as well as in our churches. As we think about the number of churches that do not have a Brotherhood organization, we pray that during the year ahead we will see a number of new organizations, We desire your prayers for our Leaders as they face their task in the year to come.

61. Report on Resolution — Mrs. Jeter Higdon. Report Adopted.

RESOLUTIONS

FIRST—We the messengers and visitors of the 62nd Annual Session of the Macon Association, express our deep gratitude to the host pastors and members of Cartoogechaye and Ridge Crest churches for their generous hospitality and warmth of friendship and love extended to us, and for the good meal supplied by the Ridgecrest Baptist Church. We appreciate the lovely flowers and every consideration you have shown for our comfort and happiness. Most of all we are grateful for the spiritual uplift and the power of warm fellowship and love that we have experienced with fellow Baptist.

SECOND—Our special thanks go to our program committee for their fine work in planning an excellent program and to all who contributed to its success. As our theme, "Proclamation and Witnessing" has been so forcibly stressed in the reports and by the speakers, we are gratful for the information and inspiration gained. We pray for renewed zeal in meeting these opportunities to proclaim and witness for Him.

THIRD—We thank God for the fresh challenge brought to our hearts by the messages of our leaders. We have had the needs of a lost world portrayed to us from many angles and have also been made visibly conscious of our responsibilities in our own association and state that demand prayerful attention and action.

FOURTH—As we go back to our different places of service, it is with deep gratitude to each of you who had made these sessions memorable by your messages you have filled us with a higher purpose and a greater resolve to go forth and proclaim and witness.

Respectfully submitted,
Mrs. Jeter Higdon

62. Historical Report prepared by Mrs. I. T. Peek. Report adopted as printed.

HISTORICAL REPORT

Years from now your great grand children would like to read about what you were doing in Macon Association in 1965.

I am glad to report that Macon Association continues to move forward in the Lord's work. I shall mention a few material things that have been accomplished during the past year.

Burningtown: Jud Duvall, pastor—There have been much progress in and around the church. One of most interesting ones is a new library approved by the church. One of the church members donated $100.00 to this cause.

Oak Grove: Howard Willis, Pastor—Oak Grove has a new library in operation now. Many of the books were donated by a friend and others, there are now about 300 books in the library. On September 13, 1964, the new Sunday School rooms were Dedicated.

Holly Springs: Cecil Frady, Pastor—The church has increased the pastor's salary as well as having reseeded the church lawn.

Cowee: Robert Clark, Pastor—The church has completed a beautiful auditorium this year which was dedicated on Sunday, December 6, 1964 with Rev. Roy Smith bringing the morning message. The church is also working on the Sunday School rooms.

Liberty: New church furniture was installed by the church.

Tesenta: Bennie Haire, pastor—The church has a new roofing and many other improvements has been made for the last few months.

Highlands: L. C. Pinnix, Pastor—The church as a whole has taken a stand on the possibility

of strong drink being voted into the city. They have painted the church and purchased new hymn books.

Ridge Crest: Guy Duvall, Pastor—Mr. Paul Ketcherson, of the Sunday School Board in Raleigh, made a visit to the church on June 2nd. in regard to the five year Spiritual growth program.

West Union: A. J. Smith, Pastor—The church has installed gas heat and varnished floors and pews.

Cartoogechaye: Gene Southard, Pastor—A combined Baptismal service was held November 29th, consisting of East Franklin, West Franklin and Mount Hope. In all there were nine baptisms.

Windy Gap: Grady Norman, Pastor—The church is making plans to install a new heating system.

Wells Grove: Earl Dendy, Pastor—The church has completed the Educational Building. Rooms have been equipped with blackboards and maps. Also, we are looking forward to building a new auditorium.

"M" Night report looks good. Macon Association is doing their part. Attendance throughout the state was 27,774 with 1,683 churches represented and 1,296 pastors present.

Nantahala No. 2: O. C. Day, pastor—The church has decided to build a new church building on other property near by since the present building is inadquate.

Higdonville: Ronald Bradley, Pastor—The pastor has moved a house trailer near the church to enable him to be in the community over the week end.

At the Executive meeting on October 22, a committee was appointed to study and re-write the by-laws of the association. The committee consists of: Rev. James Collette, Howard Willis, Jack Powell, M. I. Brock and W. Thomas Lane.

Franklin First Church: W. Thomas Lane, Pastor—In the fall of 1964, the church entered a special month of emphasis on Christian Stewardship. In the spring of 1965, Reverend Charles Parker, a former pastor, led us in a spring revival. The church was blessed and strengthened through this effort. This fall we are looking toward our participation in the forward program of church finance. As a result of this effort, we hope to benefit Spiritually.

Watauga: Paul Morgan, Pastor—Many improvements are being made this summer such as; a new pump house and new rest rooms. The attendance is up and the offerings are very good.

Briartown: S. J. Waters, pastor—The attendance is very good, and plans are in the making to install a new heating system soon.

Long View: On Sunday morning May 9, Rev. Wiley Gibson was elected to succeed the Rev. W. A. Cloer who resigned recently. Brother Cloer was pastor for 11 years. During his stay with these fine people, many improvements were made.

Oak Dale: Grady Burnette, Pastor—The church has purchased new hymnals and are enjoying them in all services.

Mashburn Branch: L. E. Angel, pastor—On Sunday afternoon, March 14th. the church ordained two new deacons. They are; Fred Angel and Howard Mincey. The Field-worker brought the ordaination message.

We hope to increase our gifts to the World Mission Program.

Let us look beyond our borders for a moment. More Americans, including Southern Baptist, are traveling overseas than ever before. It is estimated that there are more than 3 million United States citizens overseas every year. Of these overseas Americans, only one in one hundred is under appointment as a missionary. However, all Americans abroad affect the Christian Witness for good or bad.

In the United States, one person in three is a member of a protestant church. In Africa, one out of 44 is a member of a protestant church. In Latin America, the proportion is one in 47, and in Asia, on the average every 175th. person you meet is protestant. These statistics are taken from World Christian Handbook (1962 edit).

These figures are for Church Membership and not the total protestant community. In Brazil 1 in every 31 persons is a protestant. Burma, 1 in 44; India 1 in 133; Iran 1 in 4,894; Japan 1 in 263; Mexico 1 in 138; Nigeria 1 in 35; Thailand 1 in 941 and in Uganda 1 in 30.

The missionary today both here and abroad has no easy task. Not more than one person out of 600 in Vietnam as a member of an evangelical church. Southern Baptist entered in 1959.

By 1961 they had 7 couples; 14 missionaries. The population for both North and South Vietnam is about 27,000,000. The Vietnamese people resulted from an early mixture of Mongolians from Malay and the Pacific Island world.

Southern Baptist have about 35,000 ordained ministers at work among the 180 million people in the U.S., but less than 700 missionaries to the three million outside our country. We are grateful for those but we cannot boast.

In 19 countries, we have 508 missionaries, in Africa, Europe and the Near East. In Latin America, we have 582 in 19 countries. In the Orient we have 582 missionaries in 15 countries for a total of 539.

Let us now implore the Divine Spirit upon ourselves, our churches and our America, that all may rise to a higher plain of self-dedication to the work into which we are called and may the Blessings of Him who has done so much for us, still be upon our labors.

Respectfully Submitted,
Mrs. I. T. Peek
